COMMODORE'S COMMENTS

By Ann Watson

I can't believe that summer is almost over. Let's make the most of this last month before settling down to work and school routines. But we've had a terrific time both on and off the water. There have been some great cruise-outs with the annual Delta cruise still to come. I really encourage non-cruisers to get in the car and meet up with the boat cruisers at the various fun venues around the Bay. See how other clubs do things and bring some ideas back to us.

Friday night race dinners have branched out from Cheeseburgers in Paradise to Pig 'n' Pie BBQ, fall-off-the-bone smoked brisket, monster fiestas and Sloppy Joes, to Trip's Special Chili. And there are more dinners to come, including Ricardo de Tiburon's grilled lamb fingers. Thanks to all the volunteer chefs who have stepped up. I'm particularly looking forward to July 31st's new member sponsored meatball dinner that Vice Commodore Nancy and Ruth Fults are shepherding.

Vice Commodore Nancy and I have been brainstorming about ways to better integrate newcomers into the club. TYC prides itself on being a friendly, casual club so let's make them feel welcome. Look for the red stars or ribbons on new members' badges.

Along the same lines,

we've been thinking about ways to cross pollinate the various interest groups in the club—cruisers, racers, old timers, new families. If you see new faces, please introduce yourself and chat a while. Don't just sit and visit with the folks you know. Get to know those you don't, both new and old. We've got a lot of very interesting and accomplished members who have lots to share. For example, I recently found out that Myrna Pesce grew up on the grounds of George Whittel Jr.'s Thunderbird Lodge in Lake Tahoe. Luckily, after the pet lion was gone and when the elephant barn was empty. Ask Marshall Gross why his boat is named Solitaire and he might pull some interesting packets out of his pockets. Get Lon Woodrum to tell you about his cruising adventures in the waters of Tahiti when he was a kid. There's lots to know and enjoy about your fellow members.

And speaking of interesting and talented folks, Walt Bilofsky, Ken Stubbs and Eric Lyons have labored mightily to bring us the preview of our new website to be hosted by Wild Apricot. It's been sent out to you for comments. There's still time for tweaks and the "members only" section is on the horizon. We hope to go live with it soon. Please stop and thank these web masters when you see them around the club. Look for more details regarding the new web site elsewhere in this issue.

I am hoping that we are able to get it together for the 10th Almost Annual Salmon Derby. I've got anglers but so far no boats from which they can fish. So as you read this online, please email or call me

Westerlies is the monthly newsletter of the Tiburon Yacht Club. We welcome interesting, relevant stories, as well as photographs from members and non-members alike.

Westerlies is distributed both by mail and online at www.tyc.org.

Submissions may be sent electronically to the editor at sheila@tonic.to. Deadline is usually the last Monday of the last full week of each month, but is always listed in the Calendar of Events, which appears both online and at the end of each issue of *Westerlies*.

All submissions will be edited for grammar, content, size and relevancy. Inclusion is up to the editor's discretion.

Westerlies can always use good photographs. Members are encouraged to pull out their phones or cameras at any of our events, snap a few shots, and email them to the editor. In addition, TYC has a small camera available at the club for any member to use during clubhouse events. Please use this camera to take snapshots at any time, especially if there is no "official" photographer on site. If you let me know, resulting photos will be picked up from the club for possible inclusion in *Westerlies*.

The Social Scene

By Telesha Destein

Happy summer! I hope you are enjoying this beautiful season. TYC has been busy with summer racing on the weekends along with wonderful Friday night dinners. I realize that summertime is full of so many activities that we see a little decline in club participation. So we've kept a lot of the larger scale activities to a minimum. But we did not leave out the annual Fourth of July get together, brought to you this year by TYC's board of directors. Vice Commodore Nancy Bilofsky gives this report on the event:

FOURTH OF JULY

Over 100 people, including 12 children, stopped by TYC to celebrate the Fourth of July this year. Most stayed for dinner. Although the planned paddle boarding and kayaking activities were cancelled due to high winds, David Wells, owner of 101 Surf Sports, left business cards good for a 50% discount on rentals with a free lesson as well as cards to try stand up paddle boarding during the week for only \$10. Contact me at ncb@toolworks.com or ask in person if you are interested in either of these discounts offered at 101 Surf Sports in San Rafael.

High winds notwithstanding, three groups played table games of mahjong and Bananagrams the afternoon of the party.

Board members helping at the event included Patty Cerf, who did the shopping and check-in; Shirley Vaughan, who tended bar; Ian Matthew, who grilled all the meats; Ann Watson who did race committee; and Nancy Bilofsky, who coordinated, served, cleaned, etc. Other helpers included Susie Woodrum, Walt Bilofsky, Bob Cerf's daughters Pam and Jane, Doreen Clark, Ruth Fults, and René Matthew. Many also helped by taking down tables and chairs and bussing plates, among other things.

Other than high winds disrupting paddling plans, it was a perfect day of camaraderie and fun. Thanks to all the attendees for supporting the volunteers by coming to the event and thanks to all the volunteers for making the event possible.

THIS MONTH

August bring us a few big events. We're looking forward to getting the momentum going again for family affairs at the club as fall and the new school year is just around the corner! Be sure to "catch" the details of the Salmon Derby on August 8. I'm so sad that my family will be on vacation and so will have to miss this event. I've been looking forward to it all year! And don't forget to "rope" in the details of August 29th's Rockin' Country Ribfest. Michael is cooking his famous ribs with all the usual barbeque fixins'. A live country band from Sacramento is playing this event, so don't forget your boots and hats for a little "boot scootin' boogie"! There will be tons of activities for the kiddos at the event as well.

I want to give a quick thank you to Bob Mott and Mike and Jean Hauser and their graphic design company for the countless hours of helping create visually stunning flyers for our social events. They take my crazy ideas and put them on paper and they are always wonderful. Thank you!

As always I welcome any suggestions. Hope to see you at the club in August!

FRIDAY NIGHT RACE DINNERS: A RECAP BY SUSIE WOODRUM

June 28 - Team "Siento": Mr. Ian Matthew and his merry men and women served up Cheeseburgers in Paradise on a beautiful evening.

July 10 - Team "Lion": Cheeseburgers in Paradise. A beautiful evening with 10-12 knots of perfect sailing for six boats. (Many of our regulars were on vacation.) Served Niman bacon cheeseburgers, salmon burgers, salads and desserts. Galley crew: Tracy Hansen, Susie and Lon Woodrum and Nancy Bilofsky. Race committee: Tracy, Sophia Yao and Lon.

July 17 - Susan Hoehler and Sondra Blake: Served 60 with Rachel Ray's Sloppy Joes, coleslaw, sweet potato fries, ice cream bars. Helpers: Carole and Gerry Gunn, Ann Tunney, Barbara Campbell and Harry, and Karen Obley. Very windy evening. Race committee was Tracy Hansen, Sophia Yao and Lon Woodrum.

July 24 - Cheeseburgers in Paradise: Patty Cerf served 55 cheeseburgers, veggie pasta salad, kale salad and ice cream bars. The club was set up and decked out in summer yellow and sunflowers thanks to Carole and Gerry Gunn. You can't have a barbeque without a grill master to open the grill and get it ready for everyone. Thanks to Gerry Gunn for being our grill master. Helpers were the Gunns, Kelly Palaima, Esther Mott, Nancy Bilofsky and Sonja Conta. Beautiful t-shirt sailing in 10-12 knots. Race committee was Mariellen Stern, Hillary Johnson, and Jeanine. Shirley Vaughan did bar duty with help from new member Valerie Carter. Welcome Valerie and John!

Thanks to all the galley and bar volunteers who make these fun evenings possible.

and volunteer to take out your boat. Otherwise this TYC tradition may be headed for Davy Jones' locker. I'd hate to see it sink beneath the waves.

Thank goodness a new tradition is in the making. We'll mark the end of summer with the now annual Rockin' Country Ribfest on Saturday, August 29, complete with band and mouth-watering ribs. It's brought to you by the Desteins, the Kings, the Stypulkoskis and the Tebbens. Come to eat or just to enjoy the music. See the flyer on page 4 of this issue. Sure hope there are plenty of those charred jalapenos again this year.

Vice Commodore Nancy did an incredible job organizing the board's annual Fourth of July party. Many thanks to Nancy for all the hard work she does on this and other club events. Alas those pesky winds made it impossible to kayak or paddleboard, but she's working on finding a calmer date for Dave "Bubba Jr." and his 101 Surf Sports to come back and try again.

As to the revised strategic plan, the Committee on Increased Balanced Programs and Activities has completed its work and is moving forward on the tasks of integrating social, racing and cruising while diversifying activities of interest to a broad cross section of our members. We've already seen our first casual day cruise, a race committee training to get non-racers involved and the continuing evolution of Friday night bar/dinner off-the-water programs. We're adding fun on-the-water events like kayaking and paddle boarding to our bigger boat repertoire. Hopefully fishing will come back on board with the salmon derby. We're expanding use of the club with Megan's music for kids, as well as mah jongg, dominoes and tai chi for the adults. Next year's calendar will be established earlier and be better coordinated among the cross sections of the club. And our new website will make planning, publicizing, RSVPs and paying much easier.

Please remember to come down to the club on Friday, September 11 for a general meeting and pizza dinner to discuss going completely cashless using our new website and the POS system. Also to be discussed, whether to move to an officer-of-the day rotation for members to open/close the club on a specific date.

Finally, I need volunteers to help me with the annual Commodore's Picnic at noon on September 19. I heeded some requests to return the picnic to Angel Island, and we've got a fabulous site. It's kid friendly and ferry accessible. And there may be a musical interlude. But to get the supplies over requires some logistics and labor. Let me know what you can do to help.

NEW WEBSITE COMING

How old should you be before getting a facelift? Tyc.org is 18 years old, and it's overdue.

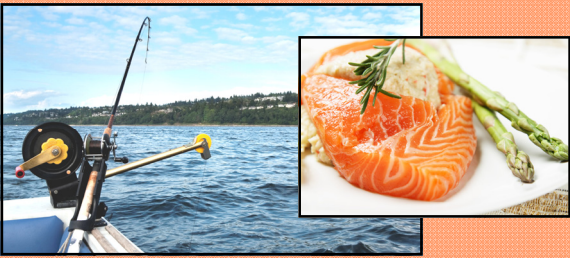

So some time in the next month or so, you'll see a completely redesigned website. You'll have your own personal login and will be able to update your email preferences and address. More events will offer online payment options. Information should be more current because chairs will be able to update their own pages.

For the time being, keep using the existing website. But if you'd like a sneak preview while the new site is under construction, check out <http://tiburonyachtclub.wildapricot.org>.

Some clubs pay a consultant to make this transition. But in keeping with our volunteer tradition, we're doing the job ourselves, with Webmaster Walt and Web Committee members Eric Lyons and Ken Stubbs.

Back in 1997, TYC became one of the earliest yacht clubs on what was then called the World Wide Web when Walt grabbed the desirable domain name tyc.org. (Domain brokerage sites estimate its current value at around \$17,000.) For the past 15 years the site was hosted on Eric Lyons' servers, which will continue to provide some enhancements to the new site.

As computers and TYC continue to evolve, the new web site will give your club more tools to carry out our mission of "attracting members and families onto the water and into the clubhouse with fun activities to satisfy a variety of interests."

RACE NOTES

BY MARIELLEN STERN

July was a busy month of racing, with eight races held this month. In addition, we were challenged with resetting racing marks. Thanks go to Bill Hoehler, Snorre Grunnan and their crew for cleaning and resetting Panda. Their timing was good considering we had another Friday night race followed by the Brothers and Sisters Race on the Fourth of July. And on Friday night, July 24, *Lion* reported that the TYC mark was missing and nowhere to be found. So Gerry Gunn set a temporary orange mark for the H.O. Lind Race that was to occur the following day. Many thanks from the race committee to Gerry for getting the mark set in time for that race!

Friday Night, July 3

July 3 brought us a great night of racing followed by Commodore Ann Watson's "Wind Dance" chili. It was a beautiful windy evening of racing.

First Place: *Miramar* - Jeff Brucia

Second Place: *Siento el Viento* - Ian Matthew

Third Place: *Lion* - Lon Woodrum/Steve Nimz

Brothers and Sisters Race

We had a nice turnout with 11 boats entered for the Annual Fourth of July Brothers and Sisters Race. As usual for this time of year, it was a windy downwind start and a bash back up to the finish line. There was a 3.2 flood at the start, so getting to the center of the channel paid off while sailing down to the Brothers. But it was a different story after rounding the Sisters and coming home to the finish line against the current and chop. Afterwards, everyone returned to the club for the Fourth of July celebrations!

In Division One, Grace Chaney's *Lepus* (*Wiley Wabbit*) was first around the Brothers, followed by *Joyride* and *Siento el Viento*. As we rounded the Sisters for the bash back home, *Joyride* passed *Lepus* for a record-time finish.

In Division Two, Aiden Collins' *Neverland* was first around the Brothers, followed by *Lion* and *Don Wan*.

I was out of town cruising in the Channel Islands for the following Friday night races so I cannot report on the conditions, but here are the results!

Moseley Regatta 2015

by Ian Matthew

On Saturday, July 18, TYC hosted the Annual Moseley Regatta for Etchells and Knarrs, a regatta we have hosted for many years. It is held to commemorate Jeff Moseley's grandfather, who was an Etchells racer.

Fourteen club volunteers gathered on Saturday morning to load equipment onto the committee boat, Lon and Susie's *Eureka*, and the mark boat, Gerry Gunn's *White Hawk*, to make ready for the regatta. The weather forecast was perfect and all signs were good for a great regatta. Sixteen Knarrs and seven Etchells were entered and we were going to put on a great race day for them. This year the regatta is one of the qualifying events for the International Knarr Championship to be held in San Francisco in 2016.

Three races were held with the competition fierce in both fleets. The course was set in Paradise Cove. The wind was cooperative, requiring only one

course correction between the first and second race. In the Etchells fleet, it was a tight battle between Don Jesberg and Blaine Pedlow, with Don in *Viva* claiming the trophy by one point. In the Knarrs, the contest was even closer. The battle for first place was a family affair with Jon Perkin's *USA 125* and Chris and Phil Perkin's *Three Boys and a Girl* ending up in a tie. The tie-breaker handed first place to *USA 125*.

Afterwards the crews returned to TYC for awards and socializing. Jeff Moseley's famous barbecued oysters were much enjoyed by competitors and TYC volunteers alike. Hors d'oeuvres were also provided as the competitors enjoyed adult beverages. It was really nice to hear the competitors thank those volunteers for their hard work and especially for the efficient way in which the racing was run. Awards were handed out by Jeff Moseley.

This event could not have happened without the support of the following volunteers. Manning the mark boat were Gerry Gunn, Bill Hoehler and Dave Eichhorn along with guest photographer, Martha Blanchfield. (See her photographs at www.renegadesailing.com). On the committee boat were Lon and Susie Woodrum, Cameron Tuttle, Steve Nimz and Tracy Hansen, who helped me with all the race committee functions. Back at TYC, René Matthew, Ruth Fults and Susan Hoehler worked in the galley to prepare the hors d'oeuvres. The bar was skillfully manned by Shirley Vaughn, Patty Cerf and Susan Hoehler. Big thanks go to each of them for all their hard work.

CRUISE NEWS

Delta Cruise: August 15-23

The Delta Cruise will run from Saturday, August 15 through the following weekend or so. The main destination is the lovely Delta Yacht Club, a little upriver and only slightly downscale from Tinsley Island, with a clubhouse, full galley, outdoor grills, putting course, swimming pool, and a long walking path along the river. We'll be there from Monday to Friday.

On the way up we will stop at a marina Saturday night and anchor out on Sunday. We've got the whole week to talk about route and timing of the return trip.

Interested cruisers should contact cruise leader Marshall Gross at thejewelcaseinc@comcast.net or 415-789-9125 for more information.

Cruise to Encinal Yacht Club

Last month the cruisers headed out for the lovely Encinal YC, located down the Oakland Estuary. The weather was fine and one of the highlights was Jon Price's burger-que, enjoyed by all poolside at the club.

What's Happening
for Kids at TYC

Hi Friends,

I hope you are enjoying your summer. I've been hanging out at the club for Friday night races and dinner. I look forward to it every week and always hope to see some of my friends. It's nice to have the club open every Friday so we can all get together.

We've had about a month of Music with Megan on Monday mornings (9:45-10:15) at the club and that's my favorite. The weather has been beautiful so we have our music class out on the deck. All ages are welcome to drop by

and enjoy Megan's beautiful voice as she sings along with her guitar. Drop-in fee is \$10 and \$5 for additional siblings. After class some of us stick around and play outside in the grassy area. We pack snacks and bubbles. It's a great way to start out the week.

August is full of more family events like Friday night race dinners, the Salmon Derby and the Country Rockin' Ribfest. My mom is working hard as social chair to create a club that has something for everyone and I'm really enjoying growing up at the TYC. See you at the club soon!

Ciao,
~Enzo
