### COMMODORE'S COMMENTS

*By Gary Stypulkoski*

May was a busy and productive month at TYC. We started off with the program "Raising the Potomac", about a vessel that Erin and I had the pleasure to tour in April. I had no idea that the boat had sunk and truly had to be raised. I was also surprised to learn that the Potomac was used to smuggle drugs and was once owned by Elvis. Who would have known?

A couple of days later, drinks were on me at the Commodores Cocktail Party. We had over 140 members attend and received a few new membership applications. We also performed the first official ringing of the new bell that was donated by Steve Nimz. It sounds and looks great!

The next week we had another program on Friday and a work party led by Peter Schoen. One of the major changes to come from the work party is a new rolling cover for the outdoor barbecue, expertly installed by Dan Higgins and Lon Woodrum.

While volunteers were hard at work making the club look better, the board of directors and chairs held a planning session. We discussed many topics, walking away with several goals including ways to increase membership, improve member satisfaction and engagement, increase revenue and ensure long-term sustain-

ability of the club. To accomplish these objectives we are developing a strategic plan and will continue to refine it at the next few board meetings. A special general meeting will be scheduled at the end of summer to review the plan. Thank you, Dick Selmeier for facilitating our meeting, helping to make it a great success.

The Behren's Regatta took place on May 17, the club's official birthday. There was just enough wind to do three races. Later that evening TYC celebrated its 49<sup>th</sup> birthday. Erin and I arrived late but managed to catch the last hour of the band. I heard the food was great and the margaritas were flowing so well that a trip to BevMo had to be made for more margarita mix. Many thanks to Trip Ames and his volunteer crew for throwing a spectacular birthday bash.

The following Friday was our first Race Clinic and the start of Friday Night Racing. Ian Matthew did a stellar job of teaching the basics of racing. Over 30 people attended the clinic prior to the race. Special thanks go to Jim Bliss for running the race. He can use a few additional volunteers to help with race committee. If you are interested in helping out, please let Jim know.

Summer is almost here and TYC is now open every Friday starting at 5:30pm. The weather has been great and kids have been playing in the park while racers try to win a coveted TYC cup. If you haven't made it to the club recently, now is the time to come! If you would like to volunteer to host a Friday night dinner, or organize something for the kids, please let me know.

See you at the club!

## Submit Articles or Photos to *Westerlies*

*Westerlies* is the monthly newsletter of the Tiburon Yacht Club. We welcome interesting, relevant stories, as well as photographs from members and non-members alike.

*Westerlies* is distributed both by mail and online at [www.tyc.org](http://www.tyc.org).

Submissions may be sent electronically to the editor at [sheila@tonic.to](mailto:sheila@tonic.to). Deadline is usually the last Monday of the last full week of each month, but is always listed in the Calendar of Events, which appears both online and at the end of each issue of *Westerlies*.

All submissions will be edited for grammar, content, size and relevancy. Inclusion is up to the editor's discretion.

*Note:* TYC has a small camera available at the club for any member to use during clubhouse events.

Feel free to take snapshots at any time, especially if there is no "official photographer" on site. Use of this camera is encouraged. Resulting photos will be picked up from the club for possible inclusion in *Westerlies*.

## **May Recap**

We had a fun time at TYC this May and are looking to continue into the summer with lots of food on the grill and beer at the bar!

Club members really turned out for the Commodore's Cocktail Party and impressed with delicious hors d'oeuvres. We gained some new members and had a good time on this warm, sunny day. Thanks to the Borodkins for donating the beautiful flowers and to Ruth Fults who helped arrange them. Everyone got to witness the first ringing of the beautiful new bell on the deck and had so much fun that we forgot to close down at 6:00—oops!

TYC's 49<sup>th</sup> birthday celebration, the Cinco de Mayo & Blues Party, was a rocking night with plenty of margaritas, great live music and dancing on the deck as well as inside the club. Trip Ames, party planner extraordinaire, did a fantastic job. We even saw some fireworks! (See Trip's review of the party, along with photos, on page 10.) Yes folks, you heard right. TYC is 49 years old, which means—drumroll please—next year will be the club's 50<sup>th</sup> anniversary!

## **Friday Night Dinners**

We just finished our first two Friday Night Race dinners. Both nights featured "Hamburgers in Paradise" as we enjoyed the tuned-up, cleaned-up barbecue grill with its new cover thanks to Peter Schoen and his May 10 crew of Work Party volunteers.

The **June 6** Friday Night Dinner is a Bistro Night (see below, as well as the flyer on page 8). Tentative plans for **June 13** include a lasagna dinner from Milano's. Friends from Encinal YC may be joining us this evening as they cruise in. And on **June 20**, Dick and Lauren Selmeier will be head chefs.

Friday Night Racing and Dinners continue through September 12. Big thanks to Susie Woodrum for volunteering to coordinate our Friday Night Gurus! Please contact Susie if you'd like to be a Friday Night Guru. Or sign up on the Guru list at [www.tyc.org](http://www.tyc.org).

## **Kids' Nights**

Summer is here, school will soon be out, and TYC will be hosting occasional mid-week kids' nights at the club. Any volunteers for this? Different weeks can focus on different ages, so a teen activity night one week (Ping Pong perhaps? Have a table to lend?) and a younger kid's movie night the next is fine. Volunteers are needed and most welcome. Although I am away on vacation the beginning of summer, I'll be back in July. It would be nice to see these kids' nights start in June though, so if you'd like to host one of these easy evenings, please contact me.

## **Coming Up:**

- ♦ **June 6:** *Bistro Night: "A Taste of Thailand"* - Ellie & Ricardo will be catering. You may remember them from years past, before Ellie moved on to managing the kitchen at Scoma's. This is a Friday night race as well, and there will also be some pithy comments (that's code for short) from your commodore, since it is the first Friday of the month and therefore a General Meeting night.
- ♦ **June 11:** *Ladies Night Out* - It's been six months since our last night out, ladies; time to do it again! From 6:00-9:00pm, potluck appetizers or treats (if you can; no pressure ladies!). Koze will be returning, as well as Gold West Vintage. If you'd like to be a vendor, let us know. The bar will, of course, be open!
- ♦ And of course, **The Great Fourth of July Celebration at TYC** - A day of fun and games on the TYC lawn open to friends and family! The Brother's Sister's Race, a jumpy, games, and barbecue galore! (See flyer on page 4.)

Check [www.tyc.org](http://www.tyc.org) for details on all of these events. Thank you, and see you at the club!

## **First Friday Night Race & Dinner Report**

*By Ruth Fults*

TYC's first Friday night race dinner was held on May 23 and 78 people enjoyed fresh handmade beef burgers as well as salmon and buffalo burgers with all the fixings and sides. Thanks to Otto's 80<sup>th</sup> birthday, we all got cake for dessert. Commodore Gary's daughter and friend also sold cupcakes for a school project, so dessert was covered. Between bar and dinner set-up and service, we had 16 volunteers who made the evening a success. Thanks to Susie Woodrum, Ruth Fults, Rudy Salazar, Paul Smith, Patty, Otto and Anna Schreier, Carole Gunn, Marcia Sullivan, Mariellen and Steve Stern, Ann Watson, Lon Woodrum, Karen Obley, Karen Taylor, and Ian Matthew for volunteering.

We have many more Friday nights to come. I hope we can count on the membership to take a little time (45 minutes to an hour), to have some fun, meet new people and volunteer.

# CRUISE NEWS

BY PATTY CERF & RICK BLAKE

## **SOUTH BEACH GIANTS CRUISE - MAY 23-26**

Nine TYC cruisers spent a beautiful Memorial Day weekend in San Francisco. Making the trip starting on Friday were: Bob and Patty Cerf aboard *Blazer*; Marshall and Shelby Gross aboard *Solitaire*; Rick and Suzanne Blake aboard *Sea Turtle*; Fred and Sonia Conta aboard *French Toast*; Jens and Solveig Erlingsson aboard *Solveig's Song*; Jack Wernick and RaeAn aboard *Lady*; Don and Sue Walder aboard *Splash*; Jackie and Gene Royal aboard *Dancing Free*; and John and Myrna Pesce aboard *West Wind*. On Sunday Norb and Kim Szczurek, aboard *Lucky Star*, joined us with their family.

The cruisers were greeted at South Beach by a large resident sea lion who wanted to join the group, but soon changed its mind as the dock filled with boats. Gene Royal snapped this photo of the *Zalophus californianus* before he (she?) reluctantly gave up the dock.

On Saturday, with so much to do in San Francisco, some of the group enjoyed the Ferry Building Farmers' Market, others Union Square and Pier 39. Sunday was game day and for some TYC fans, Jack Wernick's boat *Lady* served as the TYC game ferry from Paradise Cay to the ballpark. Our group was 24 strong and we cheered the Giants on as they played the Minnesota Twins, winning 8 to 1.

Another fun Giants game and South Beach cruise has come and gone. If you missed it, you may want to think about joining us next year. It's a great way to celebrate the Memorial Day holiday.

## **COMING UP: DELTA CRUISE - JULY 18**

It's almost time! The annual TYC Delta Cruise departs on July 18. Initially it's across the shark infested waters of San Pablo Bay to the historic city of Pittsburg. (Shark infested sounds more exciting than harbor seal infested.)

After Pittsburg, it's deep into the Delta for what many have called our "Delta Odyssey". Six days of Delta living, heading home on the 25<sup>th</sup> of July, looking great with our newly acquired sun tans. Come join us. Just sign up on the Cruise Page at [www.tyc.org](http://www.tyc.org) and you're in!

Happy Delta cruising!

# RACE NOTES

BY JIM BLISS

## Behrens Regatta - Saturday May 17 - Three Races

It was a sunny day with light wind and a good turnout for the Behrens Regatta. Nine out of 11 registered boats showed up, due in part to a delay in starting the first race, which allowed boats from the South Cay to catch the incoming tide, giving them enough depth to get out.

The fleet was divided into two divisions based on PHRF. The spinnaker boats started first at 12:05pm. Both divisions sailed course #14, a triangle of 2.6nm going out to GRC in the center of the bay, then to TYC and back to the finish. The wind was light from the south and the flood tide was strong, making it a classic choice of wind vs. tide. Those who went out into the flood made out over the boats who stayed in the lighter flood because the wind was stronger in the center of the bay. Racing is always a guessing game. The best at it were *Joyride* in Division 1 (by only 28 seconds over *Triple Play*) and *Wind Dance* in Division 2.

In the second race, both divisions sailed course #1, a windward-leeward course of 2.5nm going to TYC, then up to ISO (the tripod), and back to the finish. The wind was slightly stronger than in Race 1. The spinnaker boats started at 13:40 and the non-spinnaker boats five minutes later. The beat to TYC is always a challenge, steering and hoping for the lifts approaching TYC in order to avoid the extra tack if they don't occur. After rounding TYC, the boats stayed close for a good finish, with *Triple Play* finishing first in Division 1 by 42 seconds and *Don Wan* finishing first in Division 2 by 23 seconds.

The third race started at 14:50 with both divisions sailing course #2, another windward-leeward course of 2.4nm going to TYC, back to Hopeful (the starting line), returning to TYC, and then the finish. With the wind stronger and the flood tide decreasing, it was a faster race of less than 30 minutes elapsed time. Division 1 winner was *Joyride* and Division 2 winner was *Diversion*.

The final standings for the 2014 Behrens Regatta: Bill Hoehler on *Joyride* took first in Division 1, and Jerry Gunn/John Sullivan on *Diversion* took first in Division 2. Trophy glasses were presented in the club after the races, and a good time was had by all. Thanks to the race committee of Steve Nimz on the VHF and Suzie and Lon Woodrum for making it happen.

## Rules for Beginners Clinic - May 23

The first Friday night race was preceded by a 'Rules for Beginners' presentation by Ian Matthew. It was highly successful, with an audience of about 20. Ian covered the basics of racing, starting with the first rule: Avoid a collision. The second rule: Sailboats do **not** have rights over ships. Ian then explained how races are started, and the three basic rules of racing: 1) When boats are on opposite tacks, the starboard boat has rights; 2) When boats are on the same tack, the leeward boat has rights; and 3) A boat tacking has no rights until he has completed his tack. With that basic information, a new racer can go out and race safely. Because the clinic was so well received, Ian has offered to make it a regular pre-race event, if there is demand, and to move beyond the basic rules of racing.

## Friday Night Race #1 - May 23

There was a good turnout for the first Friday Night Race of the season. Twelve boats came to the starting line. The race committee, led by Lon Woodrum, split the fleet into three divisions based on PHRF: three boats in Division 1, four in Division 2, and four in Division 3. The 12<sup>th</sup> boat was an unregistered newcomer, *Know What*, sailed by Bud Conrad, who was racing for the first time.

The wind was mild enough for boats to use their larger jibs. The faster Division 1 boats were given course #10, taking them to TYC, up to R14 in the center of the bay, back to TYC and finish. *Ma's Rover* finished first, while *Miramar* and *Triple Play* finished second and third, respectively. Divisions 2 and 3 were given a shorter L-shaped course, taking them to TYC, out to GRC, back to TYC and finish. *Hurricane Gulch* finished first in Division 2, while *Brigadoon* and *Diversion* finished second and third, respectively. *Galante* finished first in Division 3, while *Wind Dance* and *Coaster* finished second and third, respectively. Detailed results of Friday Night Race #1 are posted on Jibeset.

### **TYC/CYC Friendship Regatta (Hosted at CYC) - June 14**

It's time to start planning to race in the annual TYC/CYC Friendship Regatta on June 14. This year the regatta combines the Friendship Regatta and the X-Bay Regatta between CYC and the South Beach Yacht Club. The combined regatta will provide competitive racing among more than 30 boats in PHRF and Non-spinnaker divisions. There will be separate competitions for the Friendship and X-Bay perpetual trophies, with team scores based on the best combined 10 scores from each club. The start will be in the Knox area, west of Angel Island. The first warning will be at 12:55pm from a CYC signal boat and race committee. The race will involve a tour of the city front with its challenging winds and currents and tactical options, finishing in Raccoon Straits. All competitors are invited to raft up in the CYC harbor after the race (and Friday night, if you want to come the night before) and to participate in the post-race festivities, including a no-host bar, music, trophy presentations, food service at the Pelican grill until 5:00pm, or regular dinner service starting at 6:30. Sailing Instructions and an online entry form for this race are available at <http://race.cyc.org/xbay>. The entry fee is \$20, and payment is made by credit card on the entry form. Entries should be submitted by Wednesday, June 11.

### **Other Races on the 2014 Race Calendar:**

Brothers & Sisters Race - July 4  
Moseley Regatta (for Etchells & Knarrrs) - July 26  
Fox Hat Regatta - August 16  
Tornberg Regatta (TYC Members Only) - September 13  
Short-Handed Regatta - October 4  
Joan Storer Womens Regatta - October 11  
Red Rock Regatta - November 1  
Wild Turkey Regatta - November 28

Registration for these races will be available on Jibeset prior to their start dates.

### **Volunteers Needed for Race Committees:**

Finally, we are still seeking volunteers to serve on race committees for our 2014 races. Training and guidance will be provided as required. Contact me, Jim Bliss, at [race@tyc.org](mailto:race@tyc.org) or 415-407-8059 with any questions. If you can help us out, it will be greatly appreciated.

## WORK PARTY PAYS OFF

By Peter Schoen

Two dozen volunteers took part in the TYC Work Party held on Saturday, May 10—proof that the volunteer spirit is still alive at TYC! The day's activities included a variety of seemingly tedious but necessary tasks to keep our house in order. In no particular order, the day's accomplishments included:

- Hal Mooz exercising his arborist skills with help from Harvey and Deanne Gilbert;
- Karen Obley performed cleanup behind the bar;
- Susie Woodrum with her crew of Paula Blake, Marcia Sullivan, Anne Tunney, Sondra Blake and Susan Hoehler straightened up in the galley;
- Shirley Vaughan polished the trophies;
- Harry Blake balanced on a ladder to clean the tops of interior beams;
- Marc Ottinger, John Sullivan and Mike Stanton took on miscellaneous tasks like checking the fan belt on the rooftop galley exhaust fan, cleaning out faucet aerators and replacing burned out light bulbs;
- Bill Hoehler exhibited extraordinary cleanup skills in the front entry and elsewhere around the club;
- Mike Obley brought back the gleam in the barbecue by pressure washing the interior and grills, getting it ready for use in the coming weeks;
- Don Kunstler hung new trophies;
- Lon Woodrum, with help from Steve Nimz, clad the new barbecue cover in wood. Kudos to Dan Higgins for building the lightweight aluminum frame to support the cladding;
- Eric Lyons and David Fairbrother exchanged a photocell and replaced bollard light bulbs;
- And, last but not least, Riley Schoen inflated the chair dolly tires and hung a dozen new burgees received from other yacht clubs.

Most of the day's planned tasks were all completed by lunchtime. Volunteers were rewarded for their hard work with pizza and fresh tossed salad prepared in the galley.

A huge THANK YOU to all who helped to make the day a success! I hope to see some new faces for the next Work Party.

## TYC Birthday “Cinco de Mayo” Party & Blues Fest: The most fun you can have with your clothes on

By Trip Ames

Saturday, May 17 your club was rocking! As the saying goes, “You shoulda been there.” Under beautiful skies, 94 TYC members and their guests had an evening they will not soon forget. At least two folks emailed to say the party was like the old days... and it was. We started with all-you-can-drink margaritas in two colors, followed by a fabulous dinner of steak and chicken fajitas and everything that goes with it from Mill Valley’s Cantina Restaurant. As soon dinner was over, our very own house band, The Blues Burners, started the dancing with...what else?...Margaritaville. With all the doors wide open, people started dancing on the deck, inside the club, and probably in the parking lot. And most did not stop for the next two hours.

A few neighbors who did not attend the party could clearly hear the band from their homes. More than one told me they would not miss next year’s blow-out party. We finally ran out of margaritas at about 9:00, so everyone just powered on at the bar. By then, everyone thinks they can dance...and it is a hoot to watch. Conga line, interesting dance moves, tall tales at the bar, cigars on the deck, what a fun time had by all.

While we hired staff for the kitchen and the bar, it is still a lot of (fun) work to throw a party for almost 100 serious party animals. Special thanks to my lovely wife Jill, Rita Pirie, Suzanne and Brian Swift, Harry and Sondra Blake, Suzanne Jolma, and Barbara and Larry Lonn for their help setting up and cleaning up. If I forgot anyone, I apologize. Until the next TYC party...
