A letter from TYC's Commodore

March 16, 2020

TYC Members,

The Tiburon Yacht Club is continuing to monitor the COVID- 19 situation closely and our top priority is to ensure the health & safety of our members and their guests. Due to the current recommendations regarding social distancing, we feel it prudent to postpone all TYC social events through the end of March. We will continue to monitor the situation and will keep our members updated about the status of events scheduled in April. For updated details on weekly activities such as Mah Jongg please see the TYC.org activity event page.

To help us keep our environment a healthy one we are encouraging everyone to follow CDC guidelines to regularly wash their hands, cover a cough or sneeze, and remain at home when feeling unwell.

Our cleaning staff is cleaning and sanitizing our facility more frequently, including an extra focus on handrails and door handles.

Thank you for supporting TYC during this shared community challenge and thank you for your help in keeping our community safe and healthy!

Best Wishes,

Dave Anderson
Commodore TYC

A letter from TYC's Commodore

March 23, 2020

TYC members,

We are continuing to monitor the evolving situation with the Covid-19 virus and its impact on Tiburon Yacht Club activities and its members. We are reviewing upcoming events and we will provide plenty of notice if we must cancel or postpone scheduled events in April. Racing events scheduled for April are postponed. April social events are highly likely to be postponed and we will provide more information in the next Tidings.

As a community, Tiburon Yacht Club members should not hesitate to reach out to other members if they are of need of assistance during this shared community challenge. To support TYC members we have created the [TYC SHELTER IN PLACE/COVID-19 NEEDS](#) forum at TYC.org which allows TYC members to support one another during this public health crisis. Your health is our number one priority.

All the best,

Dave Anderson

TYC's Commodore**

March 30, 2020

TYC members,

Due to continuing Covid- 19 virus and the requirements for social distancing, TYC has made the difficult but necessary decision to cancel April events. The Easter Egg Hunt schedule for April 11 is canceled and the Commodores Cocktail Party scheduled for April 19 will be postponed to a later date. The Race Committee has canceled racing until further notice. As the situation evolves, we will keep members up to date about future club activities.

If you want to help other TYC members or need help from club members please [go to the forum](#) area at TYC.org and click on the subscribe link and reply to the [Shelter in Place/Covid- 19 needs](#).

All the best,

Dave Anderson
Commodore TYC

A letter from TYC's Commodore

April 6, 2020

TYC Members,

As the world addresses the unprecedented challenge of the Covid- 19 virus, our 55 year old nautical community continues to provide the shared bonds of friendship and fellowship that bind our membership. Tiburon Yacht helps anchor our lives and allows us to confront the current social isolation with the fondness of memories of past times of kinship and the confidence that the future will bring new friends & new experiences that will enrich our lives. As your Commodore, I want to thank all of the Tiburon Yacht Club members that make the club such a special place.

While in person connections are not currently possible, you can continue to connect with your fellow Tiburon Yacht Club members via Online Events. To reduce the challenge of social distancing, Tiburon Yacht club is launching a series of virtual discussions on topics such as Food, Boat Racing & Travel. In the virtual world, nonresidents and residents have equal access to this special set of forums. Our first member online event will be held this coming Friday on April 10 at 5:00 pm on everyone's favorite topic ie. Food: "Tired of cooking the same old dishes? Pellie Anderson shares some ideas for dishes to get you through "staying at home." You will have the opportunity to contribute your thoughts, ask questions, and share recipe ideas with other TYC members. Access to the Zoom Room is available at this [link](#).

Other ongoing virtual activities include Mah Jongg which provides an exciting way to connect with Tiburon Yacht Club members. The [Mah Jongg_group](#) meets every Monday from 2-4 pm.

We are looking for your ideas on other programs that will connect the club during this time. For example, if you are interested in joining an online Bridge program contact [Nancy Bilofsky](#).

A letter from TYC's Commodore

TYC Members,

While we continue to monitor the evolving situation with the Covid-19 virus we are supporting our members with a variety of online events including weekly discussions on travel, food, and boating, and a weekly Mah Jongg game.

We look forward to being able to resume our regular schedule of social & racing activities and will do so in alignment with local public health information.

As a community, Tiburon Yacht Club members should not hesitate to reach out to other members if they are of need of assistance during this shared community challenge. Your health is our number one priority.

Letter from the Commodore

TYC Members,

I hope the entire TYC family remains healthy. Our community has met the doldrums of March, April, & May imposed by the COVID-19 shelter-in-place and found alternative and safe ways to connect with other members and friends.

Many members chose to attend our weekly virtual discussions on a wide range of topics including travel, food, boat maintenance, and the construction of Tall Ship Matthew Turner. Some have participated in a weekly online Mah Jongg game. Other members stayed connected to each other by renewing friendships. Supported by a shared love of boating we will continue to meet the challenges as we move forward.

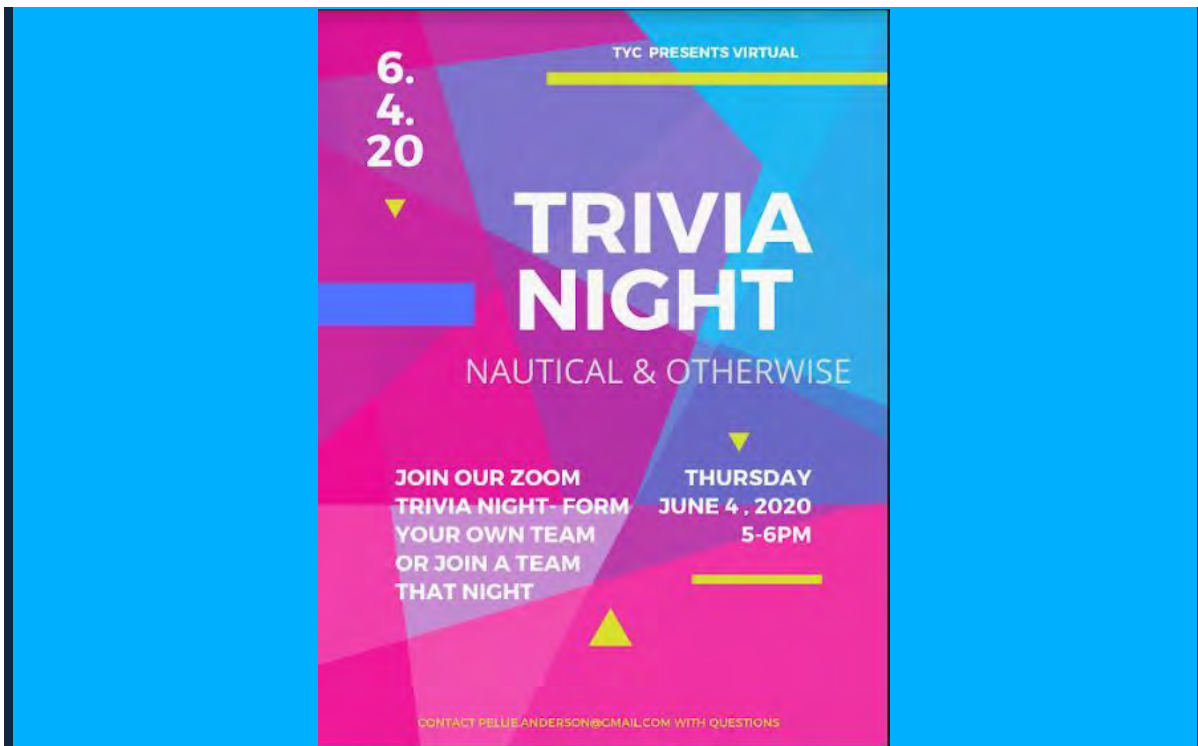

With the arrival of June we are optimistic. The public health authorities of Marin have begun relaxing regulations that restrict our ability to race, meet, or socialize. This month the TYC board will begin evaluating opportunities and asking your opinion with a survey about how we can gather in a safe and compliant manner. We look forward to being able to resume a schedule of social & racing activities. Further announcements will provide additional details.

As a community, Tiburon Yacht Club members should not hesitate to reach out to other members if they are in need of assistance during this shared community challenge. Your health is our number one priority.

Fair Winds & Following Seas,

Dave Anderson

Reopening TYC - Phase 1

We're eager to get TYC operating again, and offering events for you.

It's going to be a long time before TYC can get back to a normal schedule, but there are some events we could start preparing to hold at TYC.

In order to do so, we would like to gauge interest from our members as to your willingness to attend an outdoor event in the near future.

So find out more about the possibilities and let us know your interest, by taking a short survey. Just click [HERE](#): or tap the Blue button below.

Please complete the survey by **June 22nd**, a week from today!

TYC Reopening - Phase 1

Thank you to the members who participated in our recent survey about reopening TYC for an outdoor event. More details will be presented at this Thursday's Online Event, however, a brief summary follows.

We received over 40 responses. The majority of survey participants indicated that they are ready for some kind of outdoor event.

The most popular event was a "BYOB / bring your own food" event. Everyone who participated agreed to follow the public health mandates currently in place, including wearing a face mask.

A majority of member respondents agreed to volunteer to help make an event happen. Based upon these results and the current public health guidelines, the social team has come up with the following first event.

4th of July Celebration at TYC

RSVP: TYC 4th of July Celebration

Join Us on the TYC Deck for the Fourth of July Celebration!
12:00 - 2:00 P.M.

Outdoor Bar will serve beer, wine, soda, & water.
All beer & wine will be \$5; soda & water \$1.
Payment will be on the honor system, CASH ONLY. (exact change preferred)

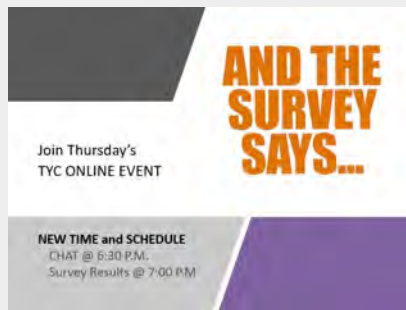

Social distancing activities include: Patriotic bingo, American & Nautical trivia, and various other lawn games.

The event is FREE to attend, but please RSVP to allow us to set up with the proper social distancing. Just tap the blue button above to RSVP.

SIGN UP EARLY AS SPACE is LIMITED.

We will need volunteers to help with the following: 2 bartenders, 4 bar helpers, 4 to set up; 4 to clean up, includes 2 to sanitize bathroom surfaces once during and after event. PLEASE SIGN UP TO HELP. We can't do this without you.

Online Event - Survey Results & Reopening Plans

Online Event Time, Schedule, & Member Survey Results

Thursday June 25th, 6:30 P.M.

This Thursday, the online event will include the Results of the Club Survey on Reopening and New Time & Schedule for Online Events.

Please note the **NEW times**. 6:30 for chat, the program will start at 7:00 P.M.

NEW SCHEDULE: As the club starts transitioning to in-person events, the Online Events will switch to every other week, always with a program, and at the later time 6:30 / 7:00. These changes are in response to feedback from over a dozen online participants in an email poll.

Club Activities Update

Racing Update from Mariellen Stern

TYC's racing program was off to a nice start at the beginning of the year until March 16, 2020 came along. The Pandemic shutdown was abruptly upon us!

Not really knowing what was next, we waited for Marin County, the Yacht Racing Assoc., and the Coast Guard to give us some guidelines. Unfortunately, there were no guidelines when it comes to sailing.

We all know we need to social distance and wear masks but how do we do that while racing a sailboat? It is impossible with your regular crew. There are really only a few ways to sail safely in these Covid-19 times:

- Single hand
- Sail with members of your household
- Sail with friends that are in your sailing pod. That means, if you feel comfortable sailing with a friend or friends who have sheltered in place and practice social distancing, wearing a mask, etc., etc., etc.

I recently sailed with a couple of friends and we raced the Family Timed Trials. We practiced social distancing, wore masks, did not share food, and used hand sanitizer, etc. Being outside in the fresh air is another benefit to sailing in these uncertain times. Safety and well-being need to be a priority at all times. And of course, always use "common sense"!

The Family Timed Trials are ongoing until August 31! So, try to get out and sail provided you can be within the Covid-19 restrictions. Refer to this link: marinrecovers.com.

The TYC Race Committee will be discussing some other ideas on racing. A Pursuit Race might be coming in August so stand by and we will keep you posted!

Until then, stay safe!

Last Week at TYC!

TYC FINE DINING WAS DELICIOUS!

TYC FINE DINING WAS DELICIOUS!

Group dining returned to TYC last Thursday after half a year, with real food but virtual socializing. It was a culinary and social success, and will be repeated next month.

Twelve members and two guests had a four-course dinner prepared by a James Beard finalist chef and delivered to their door. Most then met online via Zoom and enjoyed the cuisine and dinner conversation together.

"Best seafood chowdah I've ever had!" said Past Commodore Tiffany Townsend. "Nice mixture of huge hunks of salmon, sweet corn, and juicy shrimp."

Social Chair Pellie Anderson added, "Every single dish had a special touch. The rosemary roasted chicken with salsa verde was succulent and flavorful." Tiffany's a foodie and Pellie is a professional, so this is high praise indeed. And the meals were a bargain at \$25.

"Loved having a wonderful meal dropped off at our door!" said Carla and Staff Commodore Dave Parkinson.

You'll probably love it too, and you'll have another chance. Look for TYC's next Fine Dining Together the second week of September. Watch Tidings for date and details.

Pursuit (race) of Happiness!

Saturday was a happy day for our TYC Sailors! It was the first TYC race after the Covid-19 shut down. The day was beautiful, but extremely hot with only a light breeze out of the Southeast. But we were out on the water again and that brought us some much-needed happiness.

We had a great turnout of 7 boats. We are thankful to Bill and Susan Hoehler for selecting a great course and sounding the first warning. Then the race was on!

Cinnamon Girl being the scratch boat got off to a nice start and led the way first around TYC. Unfortunately, things were about to change, Cinnamon Girl headed to round Red Rock instead of G-7! Fortunately, Lion quickly alerted Cinnamon Girl and she was able to correct her course but sadly, not in time. Lion rounded G-7 ahead of the fleet and finished first!. Followed by Joyride and Siento el Viento. Cinnamon Girl came in 4th despite having to reset course at Red Rock.

As with any race, there are always lessons learned, Mariellen commented after the race, "Always check SI's the morning of the race for any final changes!!!"

With this race successfully completed, the masked skippers and crew met at the club for a socially distanced get together.

Thank you to all who joined in the race, to Susie Woodrum for taking times of the finishers from the clubhouse, and to the skippers for following the Covid-19 regulations.

- Single Handing
- Sailing with members of your same household
- Sailing with your chosen sailing pod

It was delightful to be on the water again and to see all of you out there!

Stay tuned for next month's Pursuit of Happiness race!

Tornberg Pursuit Race Recap

In Pursuit of Happiness!

Saturday September 19, 2020

It was a lovely day for The Tornberg Pursuit Race. Five boats made it out to race. The race course is below so you can follow along.

It seemed apropos that the **Joyride** crew, Susan Hoehler, called the start to this "Pursuit of Happiness". Thank you Susan!

As Cinnamon Girl was the scratch boat, she was the first to start, followed by Lion and Siento el Viento, then Joyride.

Cinnamon Girl took the lead racing to the first mark, TYC. The flood tide kept her on course but alas, she tacked a little too soon and now needed to make up lost time. Lion, however, roared and held on at TYC! She made a perfect tack for the course to R-12 and from then on Lion was leading the pack.

Cinnamon Girl repositioned again but with the extra tack, she was still behind Lion and followed them to R-14 and on to ISO.

In Pursuit of Happiness! cont'd

Joyride skillfully maneuvered to overtake Cinnamon Girl and finished second behind Lion with Cinnamon Girl finishing third.

Siento el Viento - Ian Matthew, finished first in the single handed division.

Chris Cooper finished first in the double handed division.

Awards were presented on the deck of the clubhouse, masks required of course, and all practiced social distancing. It was so nice to visit with everyone, and all skippers and crew received awards!

Thanks to all who came out and raced with us! It was great to be out on the water again for this Pursuit of Happiness Race!

So, for those who didn't make it this time, come on out and have a friendly sail, practice your sailing skills, and it is a great way to clear your mind in this current world of uncertainty.

The Short-Handed races are next so, join us on Saturday, Sept. 26. Sign up on [Jibeset](#).

Short-Handed Pursuit Race Recap

TYC Short Handed Races!

Saturday September 26,2020

It was a gorgeous day, warm, sunny, and clear with light air for the TYC Short Handed Race! We welcomed a fleet of six Ultimate-20's from Richmond YC to join the five TYC boats and a CAL 20 from the SSS in the pursuit race. Also joining us was a not so welcomed oil tanker, the Florida! But we will get to that later.

Many thanks to Ian Matthew who, volunteered as Race Committee, while racing single handed, from his boat Siento el Viento!

Mariellen Stern's Cinnamon Girl started first and led the way to the first mark, TYC. Unfortunately, a miscalculation aboard the Cal 20, meant she started early and had to return to start properly. The remaining starts got underway without incident apart from an intense discussion between Lion and Siento el Viento which was later resolved over a pint! Lion got away quickly and was catching up but, Cinnamon girl maintained her lead through the second mark R-12.

[Link to full Race Results](#)

In Pursuit of Happiness! cont'd

As the fleet was heading north to C-15 the oil tanker Florida was bearing down on the fleet. The lead boats held their course Cinnamon Girl, Lion, and the U-20's as the tanker went through. But unfortunately, per Dave Anderson, Kind of Blue, had to sacrifice her rightful victory by avoiding collision with the tanker.

Lion was gaining on Cinnamon Girl and finally passed her on the downwind run from C-15 to ISO. Siento el Viento, sailing single-handed, took full advantage of the conditions to hoist her large spinnaker on that leg and it paid huge dividends.

In the Ultimate-20 fleet an intense battle was taking place for the top 3 positions with the first place finally going to John Wolfe in Breakaway. Lion took the big win in the double-handed division and victory in the single-handed division went to Siento el Viento. That result also placed Siento el Viento 3rd in the TYC boats behind Lion (1st) and Cinnamon Girl (2nd).

Prizes were awarded on the clubhouse deck to all skippers and crew following the race. Of course, with masks and all practicing social distancing.

Thank you again to Ian for running race committee and to all who came out for this fun race. We hope to see you all for the Joan Storer Pursuit Race on Oct. 10th!

Tiburon Yacht Club Commodore's Cruise -- Recap

Sunday October 4, 2020

article by Carole Gunn, photos Carole Gunn and Carolyn Fitz-Gerald

It was a lovely day on the Bay. By about 10 a.m. the smoke was clearing and the air quality improving. So Commodore Dave was able to confirm that indeed the Cruises were a go!

Thank you to Dave and Pellie Anderson for making this tough year extra special by organizing and coordinating this terrific Commodore's Cruise. BRAVO!

Commodore's Cruise continued.

The woman in yellow on left is the First Mate. The first guy on the lines is also (volunteer) crew. Behind him are TYC Members "helping." (the first is Gerry Gunn's brother Peter).

The crew is very skilled! When it's time to set a sail, jibe or tack or pull a sail in or let it out, the First Mate yells a command. Everyone goes to their station, then they repeat the command, then they count so it all happens perfectly. It was so well done, and all the crew spent time talking to us and explaining anything we asked. It was great!

It was a joy to be on the water again and to be able to chat in person masked and socially distanced with other TYC Members! As well as, learning more about the Brigantine Matthew Turner. Prior to boarding our temperatures were taken and we were given a generous squirt of hand sanitizer.

Setting the forward staysails. Note the blue sky...and the fog coming in the Gate! The wind picked up as we got to Hurricane Gulch, and the sailing was fantastic. (Ger and others thought about 6 knots).

The crew is amazing! The smallest woman went all the way up. Her name is Lauren and she's lived in Sausalito all her life and been sailing since she was born. She was always working, pulling lines, climbing up, helping jibe and tack. A very positive and enthusiastic young woman.

Here's Lauren getting the topsails ready to be pulled up.

Did we care that we couldn't go all the way across to SF? Not at all! We sailed the whole time in the sun, but it got chilly with the wind and fog. (We had to put on our fleeces, which of course everyone brought!)

We were all having so much fun talking in person to people we hadn't seen for a long time! And then yummy sandwiches (from a Sausalito deli) and wine and beer (from TYC..as this was the Commodore's Cruise!)

For the entire trip everyone wore their masks (crew and guests) except we pulled them down for a sip of wine or a bite of sandwich or chips. And...dessert! Pellie's homemade brownies with sweet cream cheese filling! The best I've ever had!

Thank you to all who participated and again to Commodore Dave and Pellie Anderson for giving us an incredible day on the Bay!

Joan Storer Pursuit Race Recap

Saturday October 10, 2020

We had a nice turnout for the Joan Storer Pursuit Race. This race is a memorial honoring past TYC member Joan Storer, an avid female sailor. In the past, it's been a women skippers regatta but over the years has loosened to 50% of those onboard to be female.

This year, those requirements were not enforced due to the pandemic. Sadly, for the same reason, Joan's family was unable to attend the race this year.

The weather was unsettled but that did not deter our racers. Five TYC boats raced Mariellen Stern's Cinnamon Girl, the Hoehler's Joyride, the Anderson's Kind of Blue, the Woodrum's Lion, and Chris Cooper's Sunrisa. A late entry named "Arrived", a local J-105, did just that, as we were ready to race. The race committee, Susan Hoehler, gladly welcomed "Arrived" to the race! Thank you, Susan for conducting the race from Joyride.

The race was on and Cinnamon Girl, the scratch boat started first. She got off to a nice start and led the pack for the first three legs of the race.

Joan Storer Pursuit Race continued.

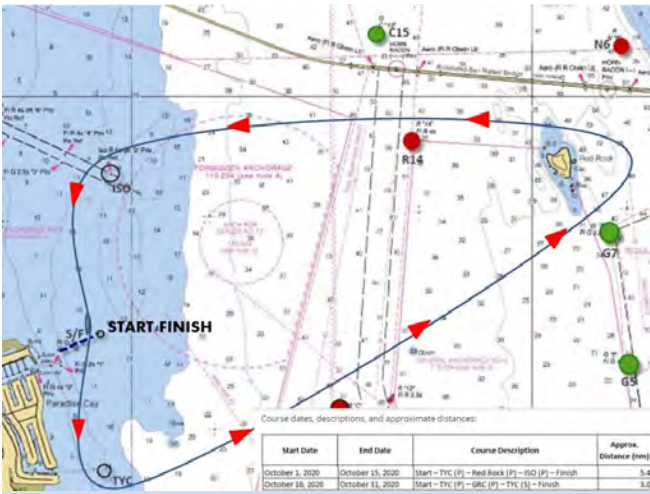

The drizzle moved in and the breeze began to increase as Cinnamon Girl was on the 4th leg from C-15 to ISO. But she could no longer hold onto the lead. Joyride, then Lion, and followed by Kind of Blue were able to overtake her on the final leg to the finish line. The J-105 "Arrived" finished 5th followed by Chris Cooper's Sunrisa. Sunrisa also placed first in the double handed division!

The skippers and crew (masked and following social distancing guidelines) headed to the deck of the clubhouse after the race. Congratulations to skippers and their crew as all received awards.

Photos and a video from the race are posted on the [TYC Facebook page](#) courtesy of Tiffany Townsend.

Thank you to all who came out to for the race and we look forward to seeing you at our next Pursuit Race, the Red Rock Regatta on October 31!! There are some other fun activities being planned in conjunction with this Regatta so stay tuned to Tiding to learn more.

Wine Pairings:

Ojai 2017 Kick on Ranch Riesling \$34 Don't be fooled! Not all Riesling is "sweet" a great many of them are stunningly dry and mineral-driven. This gorgeous example from our friends at Ojai carries aromas of white tea, mineral and taffy lime and comes through with more lemon cord, mineral and crisp citrus fruits on the palate. Lip-smacking delicious balance of floral fruits and dry crisp finish.

Ojai 2018 Santa Barbara County Pinot Noir \$42 Medium to lighter bodied, this Pinot Noir from Ojai shows off the 30+ years of winemaking that Adam Tolmach has under his belt. The wine carries well developed fruits of red berries and sweet cherry matched with earthiness and dried flower aromas. There is a brilliant freshness and structure to this wine, a versatile pairing to match with both the salmon and short ribs.

Stjepan 2019 "Love You Bunches" Cab-Bark Sangiovese \$31: A bibboom! of fresh flavors, cherry sour candy and fresh berries with a snap of bright acidity. Red fruits and light crunchy tannin texture make this a very friendly pairing for Chef's Brilliant Fried Chicken served. Serve this wine chilled, think like a rose with red wine structure...cheers!!

Stjepan 2018 Estate Syrah, Baller's Canyon \$42: This is a beautiful darker-based wine that is super gingy and generous. The fierce red fruit bursting through the palate is there to please the palate and stand up to Chef's wonderful meal. This wine is perfect for the changing fall seasons as it carries a beautiful amount of weight and depth while still having bright tones and freshness.

All Members are welcome, registration is appreciated.

What's Happening this Week!

The TYC Change of Watch was held Saturday November 14th

OUR APPRECIATION TO:

Commodore David Anderson, the members of the 2019-2020 Board of Directors, the Committee Chairs, and all the members of TYC who have volunteered their time and abilities to make a most unusual year an enjoyable time at TYC, even if most of our times together were "virtual." All of these people have worked with diligence to be creative and enthusiastic to keep TYC members together through Zoom meetings and social gatherings, Take-Out dinners, Pursuit races, and an exciting, safely done, cruise on the Matthew Turner.

OUR WELCOME TO:

Our new Commodore, Christopher Cooper, and 2020-21 Board of Directors and Committee Chairs, as they begin the new year at TYC. May all of us join them by volunteering and joining in all the activities they create both those which will have to remain virtual and in person ones as (we hope!) is possible as the year goes on.

At the helm is our Commodore, Chris Cooper

Joining him as crew:

Vice Commodore: unfilled
Rear Commodore: Peter Shamray
Secretary: Mark Schumacher
Treasurer: Patty Cerf
Past Commodore: David Anderson

Director: Richard Cunliffe
Director: Robert Horton
Director: Tracey Schwartz
Director: Cameron Tuttle
Director: Tiffany Townsend
Race: Mariellen Stern

Tap [HERE](#): to read Commodore Chris Cooper's letter to TYC Members. Chris included a brief Bio, so if you have not met him you will learn a bit more about TYC's newly elected Commodore.

Sports Basement Discount for TYC Members

TYC Members are eligible for a special discount at Sports Basement, just in time for holiday shopping! During the week of December 5-12 TYC Members will receive 20-28% off at all 10 Bay Area locations. Look for an email with instructions.

Black Friday Sail - Wild Turkey Race recap

Recap from Mariellen Stern

It was a beautiful fall day for the Annual Black Friday Sail - Wild Turkey Pursuit Race. Held last Friday November 27th. Light wind and a strong ebb made for a challenging race.

Fifteen sailboats entered the race. Two power boats, Walt and Nancy Bilofsky on Golden Phoenix and Carol Brown on Posh, viewed, took photos, and helped with towing for a few boats. A class of 4 Alerions also joined us from Richmond Yacht Club.

Cinnamon Girl started 1st just as the ebb was building. Tried as she might, Cinnamon Girl, the scratch boat, could not make it to the start line due to the lack of air, and the strong ebb. Sadly, she missed her allotted start time by 10 minutes. While Cinnamon Girl was struggling to make headway, Lion the second boat, was able to cross the starting line ahead of Cinnamon Girl, Lion then began heading to the first mark ,TYC.

Each of the remaining boats were able to push through the ebb and eventually we all passed the start line and were on our way to the TYC mark. As the racers rounded TYC the ebb was just too forceful, each boat tried to make headway to GRC but unfortunately that was not in the cards for this race, and all entries eventually withdrew.

Thank you to all who participated!

Especially Cam Tuttle for conducting Race Committee from Joyride and to our TYC towing service providers who lent a helping line to return boats back safely to the harbor. Cam Tuttle brought in Mooretician, Walt Bilofsky gave Lion a tow, and Austin Dito helped out Cinnamon Girl, your assistance was greatly appreciated!

A final thanks goes to our photographers this week Walt Bilofsky and Carol Brown. You can find their photos on Facebook just tap [HERE](#).

Once safely secured at the harbor the TYC racers celebrated with the traditional Wild Turkey shots. Breaking with tradition this year, it was outside on the brown lawn, with all wearing masks and social distancing.

Despite the challenging conditions, it was a beautiful day, and we were all thankful to be out on the water enjoying this TYC Tradition.

**Bob and Esther Mott Midwinter Series
Race 1 recap**

Tiburon Yacht Club
Race 1 of Mott
Midwinters

Between ISO and R-14

An incredibly challenging day that ended with a surprise!

Recap by Mariellen Stern,
Photos by Janine Wilford.

The Bob and Esther Mott Midwinter Series began with noticeably light air out of the Northwest but as the boats raced it changed at each mark making it an incredibly challenging day that ended with some surprises! We had 12 competitors for this, the first race in the Mott series.

Before we dive into the race, we owe our gratitude to Cameron Tuttle and the crew of Joyride who again ran race committee from the water.

Cam got the race organized by taking check ins, announcing the course, and giving the warning time for the scratch boat Cinnamon Girl (double handing) and for the rest of the 11-boat remaining boats.

The race's first mark was ISO. Cinnamon Girl started and easily rounded it to starboard. She then headed toward the second mark, R-14. The wind was getting lighter which allowed Lion to overtake Cinnamon Girl and round R-14 first.

Lion was now leading the pack ahead of Cinnamon Girl with Ian Matthews (single handing) on Siento el Viento, immediately behind.

We were all heading toward the TYC mark.

Thank you to all participants!

As the breeze continued to diminish, the Bay was like glass with all the boats now drifting slowly down toward TYC.

Joyride soon overtook Cinnamon Girl as did Siento el Viento, Alice Shinn's Sonata, and the Ultimate 20's.

Lion was still in the lead as the wind shifted several times on the way to TYC. An approaching cloud bank on the other side of Trestle Glen brought yet another shift to the southwest and the breeze picked up. We were all so happy to see those clouds as they brought the wind that allowed all boats to finish.

First across the finish line was Joyride, who narrowly finished ahead of Lion by just one second! Followed by Alice Shinn's Sonata, Ian Matthew's Siento el Viento, the Ultimate 20's and Cinnamon Girl.

There was another tight finish between Commodore Chris Cooper's Sunrisa and Austin Dito's Dolcezza with Sunrisa finishing just 29 seconds ahead of Dolcezza. The official race results are [HERE](#)

Another beautiful albeit, unpredictable, day on the bay. Hope to see you on the water for Race #2 of the Bob and Esther Mott Series on January 2, 2021.

A Message From the Commodore and Board

I and the board of TYC would like to extend our greatest wish that you all enjoy a safe and wonderful holiday season.

We have been living through trying times but as a group we have stayed together online, on the water, and in our hearts. There is the beginning of a sunrise on the horizon, a light, a promise of hope and a future where we all get together again in person and indoors. Back to meals and bar time, back to celebrations and stories, back together again.

So from all of us to all of you, Happy Holidays and a Joyous New Year.

-- Chris

A Message from Santa

Santa thanks you for joining together to help those so badly in need of our support during this pandemic year.

You have helped create a Merry Christmas for many with your gifts of over **400 toys and over 550 pounds of food**, plus many gift cards. You have provided a special holiday for so many.

May your holidays be filled with love and joy!

A Holiday Edition

Happy Holidays {Contact_First_Name} !

In Holidays past we had so much fun. Yet there was always so much to be done.

We'd hop on the Christmas bus when it came, we ate and we drank and yes, even sang. We had provisions galore, I shan't say any more, well except to remember those unique little stores. We brought back the tree for the club to decorate, and made all the cookies that at the party we ate.

Santa came to the party on the fire boat. He kept track of the lists that each child wrote. The firemen came to collect all the toys, our gifts to the less fortunate girls and boys.

Then later that month on Westwind the boat, we caroled the cay, yes, we were afloat.

Why we sang and we laughed, and we had so much cheer, it certainly was the best time of the year!

Keepsakes
Revealed

This year was different I know you will say, but we still got together in a number of ways.

The toys were collected by Carole and Gerry and are going to make many children so merry. Lights were hung on the club anyway, even though we can't gather there, as of today.

But Gina and Chris invited us all, to a holiday party via a conference call! We gathered on Zoom and shared our stories of treasures, holiday memories, and times of good pleasure.

Gina and Chris began to play, lovely music that made this an extra special day. We ate dinners prepared by a James Beard Chef, as Chris explained the four types of musical clefs.

As Gina and Chris continued to play, we remembered how fortunate we all are today. Although we're not in person, and at least 6 feet away, you all are still held close in our hearts each and every day.

We hope that next year we'll be at the club, drinking blonde beer from a TYC mug!

Wishing you safe and happy holidays!
