Happy New Year {Contact_First_Name} !

We are looking forward to gathering together with you in 2021, first virtually, and in person once it's safe to gather. As we plan our 2021 activities, your ideas are enthusiastically encouraged.

Just click or tap [Feedback](#) to email us your ideas. We'd love your help!

Most importantly, please stay safe as we all endure more weeks of sheltering in place. Let's make sure 2021 becomes a HAPPY New Year!

Welcome to the new year, {Contact_First_Name} !

As we move forward into 2021, and bid farewell to the year past, we look forward to the new opportunities and the new hopes 2021 brings.

Although we continue to face challenges due to the pandemic, and are currently deep into the Purple Zone, we at TYC are resilient and creative and we will continue to adapt our plans to engage with our fellow members in a safe way.

In the near term, we will continue with pursuit racing once it is safe to do so and we are actively planning more virtual events. Our next race is the Bob and Esther Mott Midwinter Series scheduled for February 6th. The upcoming virtual events will include a live virtual concert, a COVID-19 vaccine lecture, and a Super Bowl Sunday event on February 7th. We will communicate the details and updates in the weekly Tidings and on tyc.org.

Thank you for your patience and for sticking with us through these exceedingly difficult times. I will do my best to keep our community engaged through safe virtual activities until we are in fairer winds and calmer seas and can gather in person once again.

Commodore Chris

What's Happening at TYC!

Looking to the future:

When Marin County returns to the Red Tier we will pick up where we left off. If we stay in Purple, we will continue to offer races for single and double-handed sailors.

It's a Go for Racing! With a 2021 *TWIST*

Next Race:
Saturday February 6th, 2021

Race Registration will continue to use the Mott Series Race registration form on [jibeset](#).

Yes, **WE'RE ON** for February 6th ! The *twist* is that this Pursuit Race is open only to sailors racing single and/or double handed. Double-handed sailors do not need to be from the same household.

YRA requirements stand. Results will not be counted in the TYC Midwinter Series. The entry fee is covered as part of the midwinter entry fee.

Sadly, there will be no social activities allowed following the race.

Join us for TYC's 10th Chili Cook-off

Reserve your Chili TODAY!

Reminders

Gate
Code
Changed

GATE CODE CHANGED

The gate code has been changed. The old code will no longer work. The new code will not be provided to marina tenants or club members, to improve security for the club and the marina.

GATE CODE CHANGE cont.

The gate is open from 5 AM to 7 PM, and on club event nights to 9 PM.

Outside those hours, visitors may leave, but must be admitted to enter.

If you require after-hours access to the clubhouse, please contact one of the club administrators listed on the [Club Info page](#) in the Members area of the TYC website.

If you are a marina tenant and want after-hours access to your boat, you must contact the marina to get a gate key. The marina is providing tenant access by key, not code, for increased security.

Club Events

All "in-person" Club activities are postponed until further notice.

Fine Dining Together with a Presentation Returns

February 26, 2021

Join us via Zoom for some TYC member time as Fine Dining together returns. Menu will be available the Monday prior to the event.

This Month's Presentation will be an update on COVID-19 from Tiffany Townsend, MD and Pete Gorenberg, MD.

More details will be provided next week.

What Happened Last Week at TYC

Windless on the Water & Calm in Cay,

that sums up the Mid Winter race on Saturday February 6th at TYC.

Even Siento el Viento would have difficulties feeling the wind on Saturday, making the race almost not a race at all. But the TYC racers gave it a shot anyway. Due to the Marin County purple status, the boat racing was open only to boats racing single or double handed.

It was a warm and truly clear springtime day for the beginning of February. The forecast predicted light air and that it was. Light air to no air and an ebb tide made it a challenging day to even maneuver across the start line and at times we even sailed backwards.

February 6th Racing cont.

The Race Committee was run by Bill and Susan Hoehler and they set the racecourse as ISO, TYC, and finish.

The scratch boat, Cinnamon Girl was the first to start and just could not make it across the start line due to the ebb. Cinnamon Girl was the first to withdraw, followed by Chris Cooper's Sunrisa. The rest of the fleet hung in there hoping the wind would fill in but sadly, it never did. The only boats to finish were 3 U-20's.

It was a great effort by everyone and we all appreciated a getaway from the confines of our homes to be on to the water once again.

Thank you to Bill and Susan for conducting Race Committee and to those who came out for the Race.

More photos by Chris Cooper can be seen on [TYC's Facebook page](#).

TYC's Tailgate & 10th Annual Chili Cook-off!

Photo by Chris Cooper

"Rock Stars" as Commodore Chris refers to them, Pellie Anderson (left) and Tiffany Townsend (Right) distribute the pre-packaged chili to appreciative TYC Members.

TYC kept the tradition alive with a Super Bowl event including a Chili Cook-off in 2021 style. We enjoyed some terrific chili to boot and all this amid a pandemic. So, I would say that makes us all winners!

Commodore Chris creatively devised a "COVID Safe" approach including pre-made packaged chili distribution, camaraderie via Zoom, and even voting for the people's choice chili.

Sixteen excited, appreciative, and hungry TYC members drove through the Paradise Cay Yacht Harbor parking lot picking up a 3 bag chili assortment (with goodies and surprises) to enjoy sampling at home.

Chili Cook-off Awards were as follows:

- Tiffany Townsend's "Chili con Chicken" coming in 1st
- Pellie Anderson's "Chipotle Posole" coming in 2nd.
- Chris Cooper's "Beef 'N Beans" taking a respectable 3rd.

Thank you to our organizers and chili contributors, Commodore Chris Cooper, Pellie Anderson, and Tiffany Townsend. It was an amazing event!

Club Events

Mott Midwinter Race Recap

March 6, 2021

Photos courtesy of Janine Wilford

Recap by Mariellen Stern

What a perfectly beautiful day to restart the Bob and Esther Mott Midwinter Racing Series. After a month's hiatus due to the pandemic, we were fortunate that the wind settled down and the rain from the day before had stopped. The sun was shining brightly when the twelve (12) enthusiastic skippers and their crew sailed out from TYC to join the race.

The water conditions were a bit of a challenge this race due to a strong ebb and a minus tide in Paradise Cay Harbor. Boats leaving the North Cay needed to leave extra early to avoid getting stuck in the mud. Unfortunately, Commodore Chris Cooper missed the window and had to sit this race out.

Cinnamon Girl got out on the water early and as we drifted around the start line, I wondered if the wind would fill in.

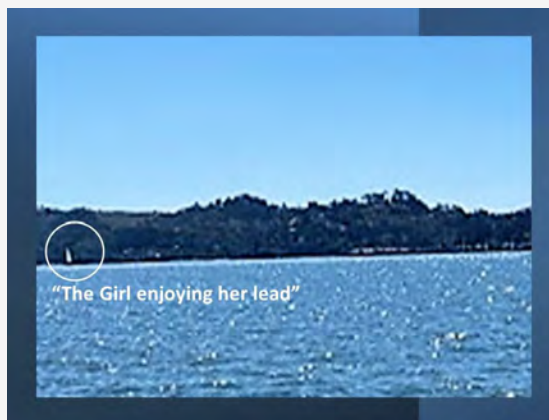

Race Recap cont.

The racers excitement increased as we saw some wind coming down from the North. Our Race Committee, Cam Tuttle on Joyride, wisely set the perfect course for the conditions ISO-S, C-15-S and finish.

Cinnamon Girl, the scratch boat, was first to start in a 5-knot breeze. These were perfect conditions for "the Girl" who was sailing double-handed.

Cinnamon Girl led the race, getting to ISO prior to some boats even starting. She continued her lead through to the finish as the rest of the fleet followed.

Full race results will be posted on Jibset soon.

We felt extremely fortunate to have such a lovely day on the bay and were so happy to be able to share stories once again on the deck of the club after the race, all with masks and social distancing of course!

Thank you to Cam Tuttle who ran race committee and Janine Wilford this race's photographer.

Looking forward to seeing you in a couple of weeks on March 20th for our next race in the series.

Happy Monday {Contact_First_Name},

A Message from Commodore Chris

See you on the Deck Soon!

Dear TYC Members,

As most of you know, Marin has moved back into the orange tier allowing us to move forward with plans for gathering on the deck and possible limited numbers inside the club.

We are in the process of creating a Covid-19 Site-Specific Protection Plan which is required before reopening.

cont. Commodore's Message

We wish we could be enjoying an Easter egg hunt and family gathering but we aren't there yet.

As many of us get our vaccines, and we see people in large crowds on television, we must remember that we aren't out of the woods yet.

I am taking a cautious approach to reopening and I hope you can understand that I have your health and safety in mind as we move forward.

Please watch upcoming Tidings for more information and a proper first in-person event for 2021.

Thank you all for your patience.

Fair Winds,

Commodore Chris

What's Happening at TYC!

U.S Navy Clock at TYC

When it's time to return to the club, the time will have returned to the club.

The new brass hands are readable all the way from the front door. The clock should not require any maintenance for 5 to 10 years, not even for time changes or batteries!

Thank you Walt Bilofsky!

Race Recap and Series Results

The Mott Midwinter makeup Race Recap

Recap by Ian Matthew

The final race of the 2021 Midwinters Series took place on Saturday March 20th with a delayed start to allow for the tide and to let boats get easy access to and from Paradise Cay.

Nine (9) boats participated. The U-20 fleet decided to race in the Big Daddy regatta at Richmond YC rather than cross the bay.

Susan Hoehler on Joyride took on the Race Officer role with Susie Woodrum taking the finish times from the club deck.

The race started at 3 p.m. with Lion crossing the line first followed closely by Siento el Viento.

The wind was from the east and the first mark (TYC) was a close reach, with Sonata, Joyride and Siento el Viento flying spinnakers in the very light breeze. First to round the TYC mark was Lion followed by Siento who both kept their positions close hauled to the second mark GRC.

The next leg was a dead run to the birdcage and the light winds made for a very slow spinnaker run (for those flying spinnakers).

Mott Series race cont.

However, everything changed as the leaders approached the final mark (the birdcage)! The wind shifted to the north west with a vengeance.

Lion was well positioned to round the mark and reach into the finish noting a top speed over the water of 11.5 knots.

Siento el Viento struggled sailing singlehanded in the strong winds and was passed first by Sonata and then Bella but still managed to hold on tight to finish in 4th place.

Race results were:

- 1 – Lion
- 2 – Sonata
- 3 – Bella
- 4 – Siento el Viento
- 5 – Joyride

And the Bob & Esther Mott Midwinter Series

overall results ended up as follows:

- Single-handed: 1st Siento el Viento
- Double Handed: 1st Stink Eye
- Compliant Crewed: 1st Joyride; 2nd Lion; 3rd Sonata

Thank you to all who participated and looking forward to seeing you on the water for the Don Wan Series April 3rd.

Club Events

Race Recap and Series Results

Congrats Commodore Chris on his first TYC 1st Place!

Don Wan Regatta Recap

By Mariellen Stern

The Annual Don Wan Regatta took place last Saturday. It was held later than usual to allow for the tide to raise making boat access easier and safer to and from Paradise Cay Yacht Harbor.

It was a typical gusty spring day. The wind was from the west at approximately 2 knots gusting to 22 at the start. Six boats were entered and four competed in this Pursuit Race.

The wind conditions made for a quick 1-hour race around the course with two racers achieving one of their goals for the first time.

Cinnamon Girl was scheduled to start first at 3 p.m. as the scratch boat, but she sat this race out with her crew and conducted Race Committee.

Lon Woodrum's, Lion was now assigned to start first. Sadly, Lion did not hear the warning sound nor the course resulting in an approximately 10 minutes late start! Chris Cooper's Sunrisa, would normally start after Lion, but was the first to cross the start line on Saturday.

Stan Martin on Sonata followed Sunrisa, then Lion was next, followed by Shawn Dunning's Ericson 35 MK!! Wind Horse, racing his first ever single-handed race!

cont. Don Wan Regatta

All boats remained in the same sequence, until Lion rounded R-14 and charged ahead leveraging their skill and Lion's adeptness in these conditions.

Lion eventually passed Sonata after rounding the Birdcage. Sunrisa remained in the lead until the end of the race taking first place.

This was a very special first place for Commodore Chris Cooper and his crew, Robert Horton and Austin Dito. as Commodore Chris had not placed first in a TYC race previously. Congratulations Chris and crew!

The race results were:

- o First place - Sunrisa
- o Second - Lion
- o Third - Sonata
- o Fourth - Wind Horse

Thanks to Janine Wilford who assisted Mariellen Stern with Race Committee. Also, a big thank you to Janine for bringing her wonderful home-grown lemons and limes which became part of the award ceremony as they were handed out with the award glasses.

Looking forward to seeing you at the Behrens Regatta on April 17th.

UPDATE ON RE-OPENING

Ahoy Members of the TYC!

I would like to send a big thank you to Peter Shoen and Bill Hoehler for arranging and managing a professional cleaning company to clean the club's kitchen. It looks fantastic! Even those hard-to-reach parts of the cooking area are sparkling. I couldn't be happier with the results.

We are getting ready to open the club to members and guests while following all Marin County guidelines around COVID-19. We will be able to gather on the deck as well as a limited number of people inside the clubhouse. We have ordered a small number of umbrellas for the deck so we will have some shade for those who need it.

Sparkling Clean

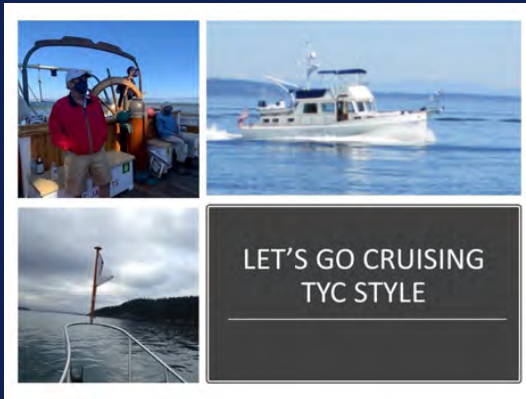

Look for a flyer and sign-up information on our website for our [Breakfast by the Bay, May 1st.](#)

As always, I wish you good health, good wind, and following seas.

The first 4 Fridays will be Pursuit Races.

BEHRENS REGATTA RECAP

Behrens Regatta - a sense of normalcy is returning!

By Mariellen Stern

This year's Behrens Regatta was a huge success! We had to cancel last year's regatta due to COVID-19 but with restrictions eased we were able to finally enjoy a more traditional regatta with 3 races.

It was a gorgeous day on the bay with a very light to moderate breeze and flat water. The Bay was busy with not only our racers but the high school was out practicing on the 420's.

Our race committee was Susan Woodrum and Susan Hoehler who did an awesome job running 3 races with 2 fleets. The course selection was perfect!

CMA Crew Celebrate

The U-20 fleet came over from Richmond. Along with our fleet of the TYC racers, Dennis Designer's Natural Blond had a crew of cadets from the California Maritime Academy (CMA) racing on his J-105.

A **big thank you** to Nancy Behrens, this regatta is named after her late husband, who brought beer for everyone after the race! The CMA kids really appreciated that. TYC race glasses were awarded to each skipper who participated including all the cadets. It was refreshing to host a successful regatta and a fun group of sailors. Race results posted on [Jibeset](#).

Thanks to everyone who participated!

See you at the Cinco de Mayo Regatta.

TYC REPRESENTED IN OYRA RACE

TYC Places 5th out of 8 in class at the OYRA Season kick-off Lightship Race on Saturday April 17th.

Well done, Skipper Bob Horton of Highlander, TYC Commodore Chris Cooper, and the other crew members who represented TYC in this race.

Friday Night Racing w/ Dinners - Start

Friday May 14, 2021

The first 4 Fridays will be Pursuit Races.

A COVID-19 modified Cheeseburgers in Paradise will Return too.

More to come next week.

Breakfast by the Bay Recap

A PERFECT OPENING DAY 2021 AT TYC!

Breakfast By the Bay continued..

By Carole Gunn
Photos Carole Gunn

It was a fabulous Breakfast by the Bay! The eggs, bacon, sausage, & pancakes, cooked by gourmet chefs Ed and Joe Cooper were fantastic! Gina Cooper tended bar (mimosas and bloody marys) to the delight of all who imbibed. The weather was perfect...sunny and warm, light breeze (no wind!), and the new umbrellas kept everyone from getting sunburned. Everybody stayed outside as it was perfect weather for a party.

This was the perfect Opening Day, Chris!

Thank you for creating it, doing most of the work, and keeping everyone happy.

Mariellen Stern chats with Stacey Schwartz and her 3 daughters...our only TYC kids here today.

Commodore Chris with Wonder Boy Chefs cooking breakfast.

Gina Cooper tends bar while Mark Schwartz and Chris Cooper serve delicious breakfasts to Susan Hoehler and Ann Tunney.

Here are the Gourmet Chefs! Ed and Joe Cooper. Their Dad has taught them well!

Freddie Greene, Steve Mott with Esther Mott, Susan Hoehler, and Mariellen Stern.

Freddie and Rekha test the Mimosas.

COMMODORE COMMENTS MAY 2021

Thank you, Volunteers!

Ahoy TYC Family!

TYC celebrated Cinco de Mayo on Saturday with the traditional Cinco de Mayo regatta followed by a margarita and burgers social event. Further down in this issue you will find the race recap.

We had great a turnout for this event with more than twenty-five members enjoying a cold Margarita and a hot grilled burger.

It was so nice to see joy filled members' faces as they greeted one another, some who they had not seen for over a year. I particularly enjoyed the event as it allowed me the opportunity to meet more of our warm and friendly TYC members and welcome them back to the clubhouse.

I also wanted to thank everyone who attended for abiding by COVID-19 mask rules. As we move forward with more events, it is important that we do everything in our power to keep each other safe and you are all doing a great job.

We are fortunate to have such a beautiful space which allows us the ability to eat and visit both inside and outside. I am so grateful for your patience as we learn the best ways to serve food and drinks while following COVID-19 guidance.

During our first two events we have had to pivot quickly from what seemed like good ideas to what as we learned in reality worked better. It has been the volunteers who have made that happen. Volunteers are the lifeblood of our club, and without volunteers none of these wonderful events can happen.

Thank you to those who volunteered at our last two events. A huge thank you to Susie Woodrum and Nancy and Walt Bilofsky, for jumping in when we had to change our approach for cooking the burgers for Cinco de Mayo. Your support is much appreciated.

Friday Night Racing and Dinners start this week so I encourage you to attend and to volunteer if you can. I hope to see you there!

Fair Winds,

Commodore Chris

FRI-NALLY!

TYC Friday Night Races & Dinner

MEMORIAL DAY

REMEMBER AND HONOR

Volunteers Requested

Monday May 31st

10:00 AM - 1200 PM

Breakfast starts at 10:00 AM

Reading at 11:00 AM

Please join us as we remember and honor the fallen members of the U. S. military at this event.

Breakfast will be served starting at 10:00 AM. Veterans and active military will be offered a free breakfast.

At 11 AM we will conduct a remembrance ceremony. TYC Members who have lost a family member may request to have the individual's name read aloud as part of the remembrance.

More details will follow next week but please save the date.

This year the Race Committee decided to host a series of longer distance races which will include the Cinco de Mayo, Fox hat, Brothers/Sisters, and Red Rock Regattas. Racers can choose to sail individual races or racers can elect to sail all regattas for a "Series Award".

It's not too soon to plan to save the dates for the H.O. Lind Summer Race Series June 19th, July 17th, and August 14th.

Cinco de Mayo Regatta recap!

by Mariellen Stern

The Cinco de Mayo Race was held on Saturday, May 8. There were 9 entries which was a great turnout considering past Cinco de Mayo races have been cancelled due to lack of participation.

This year the Race Committee decided to host a series of longer distance races which will include the Cinco de Mayo, Fox hat, Brothers/Sisters, and Red Rock Regattas. Racers can choose to sail individual races or racers can elect to sail all regattas for a "Series Award".

Thanks to Ian Matthew for conducting RC from his boat. The course was ISO-S, R-16-S, Red Rock-S, Rob Klein-S, Finish. The conditions were a slight wind with some left-over flood.

Cinnamon Girl crew

This was a Pursuit Race with the scratch boat, Cinnamon Girl (C-Girl) starting first. Struggling through the light air, she proceeded to round ISO first, while the other racers were following in the challenging conditions.

Lon Woodrum/Steve Nimz on Lion and Roland Brun on Domino were closing in on C-Girl on the way to R-16.

Continued ...

Photos courtesy of Janine Wilford

C-Girl stayed to the left where there was more breeze and finally got enough wind to round R-16 ahead of the fleet. Now it was on to RR to Port and the Rob Klein mark south.

The breeze consistently increased as we headed through the Richmond San Rafael Bridge. Lion, Madison, (a single hander U-20) and Domino took the lead ahead of C-Girl. Once the 4 boats came into Paradise Cove the conditions quickly changed and the light air was back allowing C-Girl to catch up. It was a challenge fight for all, back to the finish especially with the fluctuating breeze.

Results:

Crewed Division

- First - Lion
- Second - Cinnamon Girl
- Domino - Third

Single handed Division

- Madison. (U-20)

A big thank you to Susie Woodrum for taking the finish times at the club and Janine Wilford for taking the photos! Also another thanks to our commodore, Chris Cooper for hosting another excellent event at the club. He makes a great Margarita!

The event was well attended, and it was great to see our friends socializing at the club once again!

Thanks to all the volunteers who contributed to making this an awesome event!

Friday Night Racing and Cheeseburgers in Paradise!

Sunrisa, Hurricane Gulch, and Kind of Blue in start sequence

by Mariellen Stern

AT LAST !

The Friday Night Races and Dinners are FRI-NALLY back and it was so great to see everyone enjoying time on the water and at the clubhouse again.

Commodore Chris commented

"We had a great first Friday back, the Burgers in Paradise was its usual hit. People were able to visit around the grill having the beverage of their choice, while being respectful of our COVID-19 house rules."

"Thank you to all the Volunteers who made this a Great First Friday back! Also to Mariellen Stern and Janine Wilford who conducted the race committee."

On the racecourse:

What a nice turnout for the start of Friday night racing! We are continuing with Pursuit racing for the next 3 Friday nights as racers seem to like this format since we all know where we stand versus a PHRF start. If you have any suggestions please reach out to [Mariellen Stern](#), your ideas are always welcomed.

The Cinnamon Girl crew (Mariellen Stern and Janine Wilford) took on the race committee, chose the course, and got the boats off on time.

Unfortunately, Lon Woodrum's Lion was so excited to be out she roared across the start line a bit before the allotted time and was handed a 10-minute penalty. Chris Coopers Sunrisa started at his corrected time followed by Dick Selmeier's, Hurricane Gulch and David Anderson's Kind of Blue, Pellie Anderson at the helm.

Hurricane Gulch, and Kind of Blue in start sequence

Photos courtesy of Janine Wilford

Continued ...

Lion stayed in the lead but with a 10-minute penalty it would be difficult to make up the time. Sunrisa, Commodore Chris and his sons (Ed & Joe) followed. Next was Hurricane Gulch and Kind of Blue duking it out to the finish! It was fun for all the racers to be back at last!

Post-race we enjoyed the Traditional Cheeseburgers in Paradise while gathering around the outside grill talking sailing! It was once again a normal Friday Night Race at TYC!

Results:

First Place

Sunrisa- Chris Cooper and his sons (Joe & Ed)

Second Place

Hurricane Gulch- Dick Selmeier and crew

Third Place

Kind of Blue-Skipper Pellie Anderson and crew.

Looking forward to seeing you all for next week's Friday Night Race!

Happy Monday {Contact_First_Name},

What's new this week at TYC!

A Message from the Commodore

Dear Members of the Tiburon Yacht Club,

This coming weekend our yacht club will be filled with events. We have a Friday night race tied in with Rekha Dutt's COVID-19 India Relief Fundraiser. We have a Memorial Day Remembrance brunch, and running throughout the weekend will be a youth sailing program that we are helping by allowing the use of the club for sail race breakdown and teaching.

I have been asked several times, why are we doing these events so close to each other? The answer is urgent need. We acted as quickly as possible to set up an event to help relieve the devastating effect COVID-19 has had on India and I urge you to donate what you can even if you cannot come to the event.

Continued

Memorial Day to me, is one of the most important holidays in America. We take time out of our lives to remember those who gave the ultimate sacrifice in service to our great country.

We will open the club at 10:00 am Monday and begin our remembrance and honor at 11:00 am.

If you would like to have a family member, loved one, or friend, honored in a reading please let us know either in the comment section of the registration, or you can send me an email directly at Commodore@tyc.org. I hope to see you there to support our troops, friends, and neighbors.

Many of you have noticed a sailing school that has been started near our club. The director and teacher is a new resident of Paradise Cay, Udi Gal. Udi is a former Olympic sailor and we hope his sailing school is a huge success. You will often see the fleet of I 420s racing around just off the Cay.

Fair Winds My Friends,

Commodore Chris

Memorial Day Colors at Tiburon Yacht Club

As the flag is raised Aaron Schuman plays to the Colors.

Touching Memorial Day Remembrance and delicious Brunch.

Article by Carole and Gerry Gunn

It was a lovely day and so touching as TYC members honored and remembered those we have lost in the service to our country.

Beginning at 10:00 AM, a delicious brunch was served to TYC members, complimentary to Veterans and active military.

The Remembrance began at 11:00 AM with Commodore Chris giving a heart-felt talk remembering all those who have served their country, accentuated by famous poems. Then he rang Eight Bells, signifying the end of the watch, followed by naming TYC members' loved ones lost this past year. As the names were read, Lonnie Woodrum and Mariellen Stern gave a floral tribute from Lon's boat just across the TYC starting line.

When they finished, Aaron Schuman of SF Symphony, played Taps, followed by a minute of silence as everyone remembered those who have given their lives in the service of our country.

To read Commodore's tribute click/tap [HERE](#).

TYC Members Honor & Remember our Military Heroes

Commodore gives tribute, flowers placed in bay, 8 bells rang, and Aaron Schuman, **associate principal trumpet of the SF Symphony**, plays Taps.

Continued

At 12:00 noon, as is traditional, Aaron played the Colors bugle call as the Commodore raised the flag from Half to Full Mast.

Thank you to all those who attended and helped make this day so very special. Especially a huge thank you to all the volunteers too numerous to mention by name. We truly appreciate your support.

Tiburon Yacht Club Supports

YOUTH SAILING PROGRAM

May 2021

This weekend we offered the use of the club to the new youth sailing program at Paradise Cay. The **High Performance Center Foundation is run by Udi Gal.** They had a three-day regatta with coaches' analysis and video breakdowns. The young sailors looked fantastic on the water, and it was such a joy to know there is a new generation of sailors coming up in the community. It was our pleasure to help Udi provide this opportunity to young sailors from all around California and we hope his school is a huge success.

The Dutt's Fundraiser for India COVID-19 Relief will report out next week with the details from this very successful event!

NEW

CRUISING

Your intrepid TYC Cruising team has been working hard to set up some fun cruises for you this year, and although not all details are set, we wanted to share some dates with you so you can update your calendars. Please note also that all these activities are being carefully planned with COVID-19 safety in mind, so some plans may change as rules and regs evolve. Your safety comes first...we'll adapt and still have lots of fun!

June 25 – 27

Napa Valley Wine Cruise

Cruise up the Napa River to Napa Valley YC within easy walking distance of downtown Napa and wine tasting, good food, and Friday night dinner with NVYC.

If you are interested in cruising please contact [Drew Clark](mailto:drewclark@drewc228@gmail.com) drewc228@gmail.com to be added to the cruising distribution list.

July 23 - 30

Annual Delta Summer Cruise

Head up the Bay to Pittsburg, Rio Vista, Grindstone Joe's, Devil's Isle and other fun spots to relax, swim in warm water, win some silly prizes, and more fun!

September 24 - 26

Petaluma Butter & Eggs Cruise

It's always fun to come up to Petaluma to see their annual dairy and poultry celebration & charming small-town parade. We've got other cruises in the works, so watch this space!

What Happened last week at TYC!

Update from the Tiburon Yacht Club Dinner for Indian COVID-19 Relief Fund

India COVID Relief Dinner receives Enthusiastic Support.

Article by Rekha and Amitabh Dutt

Many Thanks for your generosity & support of the Indian COVID Relief Fund Dinner.

It was a huge hit and was the first time the club opened its doors since the pandemic to a large gathering, all practicing COVID protocol. We had about 60 guests dine in and 35 take out diners.

The event could not have happened without the strong leadership from our Commodore, Chris Cooper and his team. Chris was instrumental in steering this event allowing it to happen within an especially short lead time, while also supporting the other three events scheduled for Memorial Day weekend at TYC.

We had many volunteers whose help was invaluable, mostly in the kitchen chopping (25 pounds of onions), prepping, and cooking for 3 days.

Continued

It was a pleasure seeing the crowd enjoying the food and having fun.

Our heartfelt thanks to all members and friends for donating to this cause. We are very touched and grateful for your kindness and generosity.

Your donations support immediate and long-term recovery efforts in India. With your generous contributions we raised (\$5300). Pratham can buy 7 oxygen concentrators for the hospitals or vaccinate 160 individuals based upon the immediate need.

That is truly amazing!

We wish everyone a safe and healthy Summer.

Namaste,

Rekha & Amitabh Dutt

the Water!**

Commodore's Comments

Dear Tiburon Yacht Club Members,

First I would like to Thank Walt Bilofsky and Patty Cerf for stepping in on Friday Night to help with the Friday dinner and bar we could not have pulled it off without you! Additionally I would like to Thank all those who have and continue to volunteer at TYC events.

Next Friday will be another Burgers in Paradise and I hope to come up with more creative dinners in the future.

I have been asked if we can make food available for early diners and we will try to make that happen, please let us know if you would like to eat early when you register. You may also indicate if you would like to volunteer at that time. Which brings me to our need for Volunteers as we continue to support events and Friday night dinners and club events.

continued...

I would like to request your help!

We have a desperate need for a Friday night dinner coordinator. This person would allow us to become more creative with the menu and coordinate to make sure we have volunteers for each dinner. Now that we are up and running once again, and being a volunteer club, we need more volunteers, and it would be a great help to the club if someone would be willing to take on this leadership position.

Please contact me by [email](#) or [415-328-4642](tel:415-328-4642) if you are willing to assist the club by volunteering for this critical role.

If you can not take on this role, please consider volunteering to help when you register for the dinner we are always in need of bartenders and individuals to assist with the Friday dinners.

Don't forget to send in your photo of yourself or a shipmate wearing a life jacket to show your support for safe boating. Deadline is June 18th. Checkout the reminder section to see some of the entries and more details.

We are planning a Fourth of July party in addition to the race on the 4th so hold the date more information will be available shortly.

Fair winds,

Commodore Chris

What Happened last week at TYC!

RACING RESULTS - Friday June 11th

An Epic Friday Night Race!

Article by Chris Cooper

The Friday night race was epic. There were four boats, Lion, Siento el Viento, Esperanza, and Kind of Blue. The wind and weather were perfect for the long course, and it was a battle from start to finish. Siento and Lion's start times were similar in the pursuit race setting and there was a good fight to set up a perfect start. Both boats went over cleanly, and it was a tight race from there. Esperanza and Kind of Blue had several minutes to wait before their start, and it turned into a second race.

Lion took a good lead around the first mark, but Siento el Viento started to make up time and passed Lion after rounding the second mark. A large gap appeared between the boats, and it looked like Siento el Viento would run away with it, but we all knew Lion would fight to get back into it.

Continued

After the third mark, the wind shifted, and Lion started to claw back that distance and by the fourth mark Siento el Viento and Lion were right next to each other. Behind them Kind of Blue had overtaken Esperanza but could not catch up to the lead boats.

As Lion and Siento el Viento came closer to the finish I had to get the binoculars out to make sure the correct boat was called at the finish. In the end Siento el Viento was able to hold off Lion's hard charge and finished just a few feet ahead. Kind of Blue crossed in third and Esperanza finished in fourth. It was a fantastic race to watch, and I hope we can have many more exciting races this summer.

Following the race, we returned to the clubhouse for dinner.

Thank you to all who participated and once again a special thank you to Walt Bilofsky and Patty Cerf who jumped in to help with the dinner and bar service.

Scouts Rain Gutter Regatta - Recap

Commodore Chris welcomed the Scouts and their parents to Tiburon Yacht Club for the Rain Gutter Regatta. Shortly after the Commodore's welcome the races got underway. Approximately 20 Scouts participated and the winners, featured in the photo are Tristan Pressman Webelo (Trevor & Jessica's son / Rita Pirie's grandson) winning 2nd place in his division. The overall winner was Liam Taylor Webelo and the Pack Leader's son. (Tristan on the left & Liam on right)

Cruise to San Rafael YC

TYC Cruising Season Opens

Article by Walt Bilofsky

The TYC 2021 cruising season opened last weekend with a short trip to the San Rafael Yacht Club's solstice party, featuring a whole roast pig, Jerry McNulty's smoked brisket, and lots more goodies, plus a live band.

Coming by boat were Dave and Melanie Wegner on their new Mainship 34, Golden Bear, and Walt and Nancy Bilofsky with Tiffany Townsend on Golden Phoenix. Dave and Pellie Anderson joined as land cruisers.

Looking forward to seeing you on Friday for our next cruise to Napa Valley.

dock.

Rough Conditions for the H.O. Lind Summer Series

Article by Mariellen Stern

Although the week was a hot one, luckily for us in Southern Marin it was short lived as the fog rolled in bringing along with it the high winds. The heavy winds began on Friday afternoon blowing 30 knots with gusts up to 40 in the Cay. It was a "no sail" Friday night for the racers who headed to the club instead to visit around the BBQ and enjoy dinner together.

Saturday, the first and second races of the H.O. Lind Summer Series were scheduled. Four boats had entered, but only 3 raced. Once again, small craft advisories were issued however, the first race was able to start at noon. The wind was gusting 25 as the 3 boats started and finished safely. **Race 1:** Results 1st Joyride, 2nd Lion, 3rd Bella.

The second race began as the wind was building and the bay filled with white caps. It was clearly not a day to be on the bay.

The second race was short due to the conditions. Two boats finished and we were all happy to get in safely and to have a drink at the club. **Race 2:** 1st Joyride, 2nd Bella.

Race Committee was conducted by Mariellen Stern and Susan Hoehler aboard Joyride. See you on Friday!

Happy Monday {Contact_First_Name},

Commodore Comments

Dear TYC Members,

I am so happy to share with you that the club has been open and functioning zestfully after such a long and difficult year. It has been my pleasure to see so many of you in person and to have the opportunity to greet you and learn more about you while serving you from behind the bar or from the kitchen. We, as a family are stronger when we are together, when we can share stories and laugh at our jokes, toast each other and be there for each other. It is a joyful thing to watch.

I would like to thank all of the board members who have dedicated their time and energy to keeping us all safe while we navigated the hard times and our reopening, their guidance made this happen.

I also would like to thank Tracey Schwartz for moving up to Rear Commodore, please offer her your congratulations and support when you see her. When it is her turn, she will make a great commodore.

Cont.

In other news, we have been on a mission to reduce the amount of waste we produce as a club, and I can say everybody is doing a great job supporting this effort. We have stopped using disposable items such as plastic tablecloths and plastic utensils. We are using our china and silverware instead, and now we barely have garbage at the end of a dinner. We have linen tablecloths that are home washable and look great. We are all stewards of the sea, and it is a great responsibility we have, we should always endeavor to keep any item we use from becoming another floating piece of garbage in the great pacific gyre.

Lastly, I would like to thank the race committee and the cruise committee for making us the active club we are today and the many volunteers who have supported the recent events, we could not have done this without your help. We have new members joining us and I hope you will all get to know them and welcome them as part of our family.

Looking forward to seeing you on the 4th!

As Always,
Fair Winds and Following Seas,

Commodore Chris

RACING ON THE 4th OF JULY

2021 Brothers & Sisters Regatta

**Brothers &
Sisters
Regatta
2021**

A Typical 4th of July...

Wet, Cold, and Windy.

The conditions made for a wet and wild time on the water with winds at 30 knots. But our TYC racers and a few boats from RYC, braved the cool and windy conditions on the 4th. And the winners were:

Ralf Morgan's (RYC) Alerion 28 Mil Besos won it all,!

Fred Paxton's (also RYC) Alerion 28 Zenaida took 2nd place overall.

Bill & Susan Hoehler's (TYC) Joyride sliding into 3rd place (first in crewed division).

Lon Woodrum's (TYC) Lion came in 2nd in the crewed division.

CRUISING AROUND NAPA

NAPA CRUISE

JUNE 25-27

Photos courtesy of Walt Bilofsky and Drew Clark

2021 Napa River Cruise

Article by Drew Clark

Under near-perfect conditions, TYC cruisers Walt and Nancy Bilofsky, David and Tracey Schwartz, Drew Clark and guest Des Drymiotou headed up the Napa River for a weekend in the beautiful Napa Valley. Hosted by Napa Valley Yacht Club, we joined the energetic "glad to be back" crowd for their Friday night "Rock and Roll" dinner.

Saturday beckoned us to delightful downtown Napa, so we made a day of it, touring the flower-covered Riverwalk, around the corner to a surprise farmer's market, and then into the tourist laden town center.

Cont.

Peering in the window, it seemed to call to us, and soon we found ourselves seated in front of a bevy of tasty California brandies (not to be confused with Cognac, which is similar in all respects but from the Cognac region in France).

I'll just sum up with the words "incredibly tasty" and "where did the afternoon go"? Time to get back to the boats for a relaxing nap. Life is hard when you are a TYC cruiser.

Walking back into town Saturday evening, we enjoyed some amazing Mediterranean specialties at Tarla, a Greek-Turkish bistro, whose owner gave us an impassioned tutorial about the best pistachio nuts (from Antep, Turkey, natch) and how wonderful his pistachio Baklava was (we all tried it, and it was indeed incredible).

Looking perhaps for a place to taste some wine, Tracey spotted an interesting alternative - California Brandy House.

We left early Sunday for the return voyage downriver, and San Pablo Bay was waiting to remind us that no crossing of this magnificent body is easy, but always well worthwhile.

See the [CRUISE PAGE](#) for more details about future cruises.

H.O. Lind Race Recap

A Fabulous Day of Sailing

July 17, 2021

Article by Mariellen Stern & Susie Woodrum

It was a beautiful day with just the right conditions for sailing races #3 and #4 of the H.O. Lind Summer Series.

Thank you Susie Woodrum and Paula Blake for running race committee and Austin Dito for bartending.

The first warning was at 10:30 am due to the low tides which precluded our exit from the Cay at the normal racing time of 11 am. Eight boat joined in the fun!

Once on the water, we enjoyed a nice 15-20 knot breeze which made this a perfect sailing day!

In the PHRF fleet only Joyride set a spinnaker, Sonata did not set.

For the 2nd race we chose a new course, #10, which everyone enjoyed.

It was a sweep for the Hoelher's who took 1st in both races and quite a battle for second and third the results follow.

continued...

After the race we headed back to the clubhouse where awards were presented and libations flowed.

The final H.O. Lind races will be on August 14th we hope to see you there!

Race Results	Race 3	Race 4
1st	Joyride (Hoehler)	Joyride (Hoehler)
2nd	Lion (Woodrum/Nimz)	Bella (Collins)
3rd	Bella (Collins)	Esperanza (Wegner)

Happy Monday {Contact_First_Name},

A Huge Thank you from the Friday Night Gurus

We were so delighted to have members step forward to bring us two delicious Friday Night dinners on August 6th and August 13th.

Rekha and Amitabh brought their TYC spirit and culinary skills forward for another awesome dinner on the 8th. This time with a prep and cooking class in addition to a wonderfully delicious Thai Chicken Curry Dinner.

Last week, Des Drymiotou and Drew Clark brought us back to Des' Greek homeland with a wonderful assortment of delicious Athenian Street fare and we even learned a bit more about Greek history along the way. It was a lovely meal and the kabobs were especially tasty.

We also want to let you know we truly appreciate the efforts of those who volunteered their time to help with bar, setup, prep, and cleanup.

We could not have done it without you!

Thank you for organizing, preparing, and delivering such delicious meals for us, your efforts exemplify the best of TYC's tradition of member participation.

Looking forward, in that spirit, let's welcome new members who joined us in recent years. We will highlight their participation at the cheeseburgers in paradise dinner on 8/27 and welcome them to our TYC family.

Also please don't forget to register for this week's BBQ Ribs and Jazz dinner.

TYC 2021 Delta Cruise Recap

TYC's 2021 Delta Cruise

article and photos by Drew Clark

It was a typically foggy late July Friday morning when three TYC Cruisers let go of lines and headed up the Bay on a rising tide toward the Delta, our destination for a week of cruising adventure. We had made safe, COVID-aware plans to visit several favorite locations along the San Joaquin and Mokelumne rivers, along with several splendid serpentine sloughs.

Joining cruising veterans Walt and Nancy Bilofsky on *Golden Phoenix* were Delta first-timers Dave and Tracey Schwartz on *Slug Tug*, and yours truly with guest Despina Drymiotou on *Tigress*. First stop: Benicia Marina, home of Benicia Yacht Club.

Benicia is perhaps the quintessential launching point for a successful cruise to the Delta. A beautiful little town to visit, a modern, well-equipped marina (and great diesel prices for topping-off fuel), plus a lively yacht club that serves one of the

Next up was Grindstone Joe's for the following 3 days. Grindstone has a long history of being a premier destination for yacht club cruise-ins, especially for our club neighbors to the north Marin Yacht Club. Just a short boat ride or 20-minute walk to Tower Park Marina, it's close enough but still peaceful (at least during the week). For Delta denizens who remember Tower Park from years past, it's not what it used to be, at last in terms of a full-service marina. They have added a nice casual restaurant that we enjoyed one evening, but we missed the ice cream shop.

The next couple of days were spent reading, strolling, swimming, exploring, and mostly just trying to keep cool, as the afternoon temps continually crept over the century mark.

best Friday night dinners anywhere. After checking in for our two-night stay, and an exploratory walk into town, we wandered over to the yacht club where we were warmly welcomed by most of the BYC flag.

We enjoyed a delicious, chef-prepared meal on their comfortable deck overlooking the marina. Saturday brought more leisurely exploring and boutique store poking, and ended with a wonderful meal at Captain Jack's on the waterfront.

On Sunday we said goodbyes to Dave and Tracey, who headed back to Tiburon. The flotilla – now just two boats – made their way over to Oxbow Marina, located about 30 minutes up the beautiful and peaceful Georgiana Slough.

Oxbow is a sheltered, tropical oasis and full-service marina with 423 covered berths and all the amenities you can imagine, including a pool that was somewhere on the property but well hidden from our view. It was a peaceful evening for a an especially yummy Greek dinner on Tigress, enjoying the sunset and swaying palms that dotted the marina grounds.

Our final destination was Willow Berm Marina, a very large and well-manicured marina located on the confluence of the San Joaquin and Mokelumne Rivers and nicely sheltered from current and wind (although the approach can be a bit shallow thereabouts ;-). Full marina amenities including nearby Moore's Riverboat which we enjoyed Thursday evening.

Waking early the next morning, *Golden Phoenix* and *Tigress* headed down the river and a possible stop at Pittsburg Marina to checkpoint sea conditions on Suisun Bay. On the way in the wind was howling and waves were pushing green water across the bow, so Pittsburg it was!

After a nice lunch at the nearby café, *Golden Phoenix* fueled and headed out to see what Suisun Bay had in store for our return voyage. Passing Roe Island and then Port Chicago, they radioed back to *Tigress* that seas looked moderate and wind down quite a bit. With that news *Tigress* departed as well and headed back to Benicia for a final stopover, while *Golden Phoenix* pushed on through a frisky San Pablo ebb back to the Cay.

See you on the water!

Drew

Happy Monday Alexi,

A Message from the Commodore

Dear TYC Members,

It is hard to believe but we are about to move into September, where did the summer go?

The club has been doing very well especially with the help of Tracey, Nancy, and Rekha, they took the reins and ran with wonderful Friday Night Dinners.

We will be finishing up the summer Friday Night Race Series in just a couple of weeks so if you haven't had the opportunity to race, get out there or reach out to a captain and see if you can crew on a boat.

Tiburon Yacht Club

On another tack, we will be organizing a nomination committee for next year's board of directors. As you all know, we are an all-volunteer club, and we are looking for members who want to help lead the club forward. If you are interested in having a hand in setting the Club's direction, please reach out to any member of the board.

I would also like to thank all our members for being patient and flexible with the mask mandates, our goal is to keep our membership safe and healthy.

Finally, if you have the opportunity to come to this Friday Night's Dinner, you can meet some of our wonderful new members and give them your best TYC welcome.

**Fair Winds,
Commodore Chris**

Thanks for the Memories

TYC Members “**Took Five**” last Friday listening to live Jazz by Tin Carnation and nibbling on some hearty ribs.

The evening received glowing reviews thanks to the leadership and efforts of Tracey Schwartz working in concert with husband Chef Dave & a dozen or so TYC volunteers.

Thank you to all who signed up online to lend a hand. Ann Tunney, Freddie Greene, the Dutts, Austin Dito, the Hoehlers, John Thomas, Drew Clark, Patty Cerf, Mariellen Stern, the extended Schwartz family, and others who spontaneously jumped in to help.

TYC can always count on members to step in to lend a hand and we truly appreciate all those who help us execute a great event.

If you would like to help with a future event it's easy to sign-up when you register for the event.

We look forward to seeing you Friday August 27th for our next dinner.

Happy Labor Day {Contact_First_Name},

Last Week at TYC

THANKS for a GRAND EVENT

Fifty-one members and guests enjoyed a lovely evening of great food, lively music, and stepping onto the dance floor as we concluded the summer season last Friday night. Our send off included the upbeat jazz of Tin Carnation harmonizing with a yummy chicken, veggie, and shrimp skewer dinner.

This was another great achievement that we could not have done without the many volunteers who stepped up to the plate to help, Austin Dito, Dave Anderson, Marianne Fogarty and Bob Walsh, Rick Cunliffe, Sondra Blake, the Hoehler family, Walt Bilofsky, and all those who helped clean up and break down the tables and chairs.

A special thank you to Nancy Bilofsky for organizing this event and to our chief griller Rita Pirie and her assistants Jack Soloman, and Eric Vander Woude, who took the first shift; and chief griller Mariellen Stern and her assistants husband Stephen, Amanda Hoehler, Janine Wilford, and Volker Frank.

A hearty thanks to all the volunteers for making this celebration and this year's Friday night dinners so successful!

Fair winds,
Nancy Bilofsky and Tracey Schwartz
Friday Night Dinner Gurus

The 2021 Fox Hat Race Recap

The Fox Hat Trophy Unclaimed in 2021!

The Fox Hat a "Windless" Race by Susan Hoehler and Mariellen Stern

It was a tough race day with extremely light winds that challenged the racers on Saturday August 28th for the Annual Fox Hat race.

This race is a TYC favorite. The course is around Angel Island, Alcatraz and Red Rock (in any order).

Lion started first at 11:00 followed by Bella and Joyride. Did I say the wind was light, it took 45 minutes to get to the TYC mark! Each boat tried a different tack to find some air.

Lion stayed inshore to the west, Bella immediately headed east for the wind on the far distant shore, and Joyride split the difference.

The lack of wind proved too much for Lion and Joyride who withdrew at about 13:30. They headed back to the clubhouse, enjoyed some wonderful TYC time, and tracked Bella as she persevered to find that wind.

At about 14:00 the wind came in (weather reports revealing 22 knots off Point Blunt). But by that time, Bella was beginning to run up against the race completion deadline (just 20 minutes away) and Bella was at ISO heading south against the flood tide going toward the finish line.

Sadly, the flood was just too strong, and she could not quite make enough headway. Bella withdrew as well. A challenging but fun day for all!

Thanks to all who came out for the race and we are looking forward to seeing you in the Tornberg Championship Regatta on September 11th.

What's Happening This Week

Last Week at TYC

The 2021 Tornberg Regatta Recap

Tornberg Championship Regatta

Article by Mariellen Stern

The Tornberg Regatta our Championship Race. was held on Saturday September 11th. Entrants were TYC members who previously raced in a 2021 TYC Regatta.

It was a beautiful day in the North Bay with a 5-12 knots breeze. It was so nice to have a day with lighter air compared to the last several races.

Eight (8) boats joined us for this pursuit race of Champions.

Cinnamon Girl was first to start (being the scratch boat). She led the way to R-16. But that would soon change.

Joyride was coming up fast with her spinnaker out which proved too much for C-girl, she was overtaken before reaching R-16.

C-Girl was still ahead of the rest of the fleet as she continued toward the last mark, ISO before heading toward the finish line.

It's a long run and Bella, Lion, and Hurricane Gulch continued to get closer. One after the next they each passed C-Girl before she reached ISO.

Photo: Bill & Susan Hoehler's Joyride sports her spinnaker as she is pursued by Aiden Collins', Bella as they approach R-16.

Photo courtesy of Janine Wilford, from Cinnamon Girl

Shortly after, the now lead boats passed ISO and then went on to cross the finish line.

Joyride (Bill & Susan Hoehler) taking 1st place, Bella (Aiden Collins) 2nd place, and Lion (Lon Woodrum / Steve Nimz) 3rd place.

Thanks to Chris Cooper who conducted Race Committee from his boat! And to all who entered the race!

We are looking forward to seeing you on the water for the Short-Handed Races on September 25th.

A Message from the Commodore

Happy September to all our TYC Members!

It's hard to believe that Fall is here already. Looking back, I feel like we are in a performance of Vivaldi's The Four Seasons.

As a Club, we made it through Winter, meeting online and having the similar meals delivered to our homes so we could still feel the power of community.

With Spring we began to open like a tulip. We experimented with outdoor dining and some indoor-outdoor meals and celebrations.

Then the winds of Summer blew in and Friday night racing started. We brought back Burgers in Paradise so that we could get together indoors but stay separate enough to be safe. By the end of Summer, we were having some great parties that brought music and dancing back to the club.

Now we are relaxing into Autumn, events will slow down but not stop. We will have a great Halloween party after the Red Rock Race and of course the Race Awards Dinner, and Annual Dinner will take place in November.

New leadership will take over and the process will begin again with new and wonderful events.

I can't thank you enough for your support and patience as we navigated the difficult environment, we found ourselves in.

Bravo to you all!

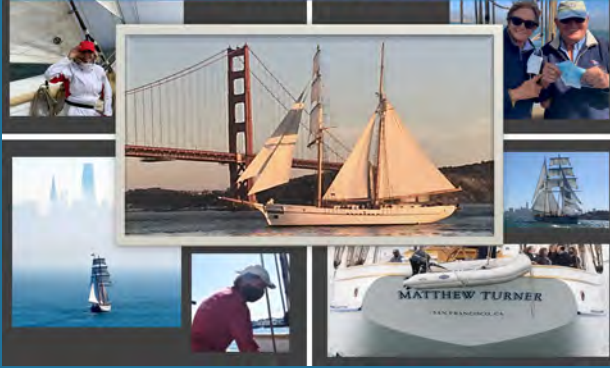

Fair Winds,
Commodore Chris

8 Bells - Joan Dekelboun

It is with profound sadness that I share with our members the passing of long time member Joan Dekelboun on October 4, 2021 following a long illness.

Joan and her late husband of 64 years Allen were longtime sailing and then cruising members of TYC, joining the then Paradise Harbor Yacht Club in 1975.

Back then, Allen raced the Newport 30 City Slicker while Joan and their daughters enjoyed sailing on the San Francisco Bay (Joan and the girls left the racing to Allen!).

In 1979, they were both certified as scuba divers, opening a new path to adventure taking them on dives all over the world.

After a short absence from TYC, they rejoined the club in 1998, acquired the Bayliner Black Coral in 2002, and became a mainstay of the TYC cruising fleet for many years. They regularly cruised with their pet schnauzers, whom Joan adored. Joan especially enjoyed cruises that included chocolate sampling and s'mores.

Joan was a Master Gardener; she designed, led, and helped maintain the landscaping efforts for the TYC Clubhouse. She also served as the Social Chair when Allen was the Commodore of the Tiburon Yacht Club in 2005. Joan was a warm and generous person who genuinely appreciated the beauty of everyday life.

Joan is survived by her daughter Lisa Nelson, husband Dennis and grandsons Joshua and Seamus; daughter Sharon Dekelboun and her husband Peter Crandall; and daughter Tracy Dekelboun. Her official obituary can be found [here](#).

Condolence messages may be sent to:

The Dekelboun Family
400 Deer Valley Road #28
San Rafael CA 94903

Contributions will be accepted at the California Academy of Sciences at give.calacademy.org and the UC Marin Master Gardener program at www.donate.ucanr.edu.

Sincerely,
Chris Cooper

What Happened Since the Last Tidings?

TYC Cruise to Petaluma

Article by Drew Clark
Photos by Walt Bilofsky and Drew Clark

It was a glorious late-summer day when 5 boats headed up the bay for the rustic shores of Petaluma. The fleet - *Golden Phoenix*, *Golden Bear*, *SlugTug*, guest Dan Hendrickson on *Splash*, and *Tigress* - looked resplendent in the mid-morning sun as we wound our way through the verdant sloughs and marshes. A bit tentative at first (it's about 1' deep on either side!), but later confidently keeping to the center of the channel, we finally found our way into the Petaluma River. Crossing under several bridges and patiently navigating the numerous, and in one case no-nonsense "no wake" warnings, we found time to slow down and have a look around.

If you think these river dwellers are kidding about their "no wake" zone, have a look at the artillery piece on their front porch, aimed for maximum impact on any boat flaunting their warning.

Soon enough and a very brief drone flight later (that's Dave Schwartz delicately balanced on the roof of *SlugTug*), we arrived downtown, awaiting our scheduled D Street bridge opening.

Once through we had just one left-hand turn into the Petaluma Turning Basin, our home for the weekend and home to the Petaluma Yacht Club, our host. As we were the only club (and virtually only boats) visiting that weekend, we quickly took advantage and docked in a luxuriant side-tie arrangement.

Continued.. with lots more photos and the rest of the story! click/tap [HERE](#)

Commodore's Picnic Afloat

Article by Jane Clark
Photos by Carole Gunn and Jane Clark

It was not far down to Paradise, at least not for the Twenty-six TYC members and guests who boarded the Matthew Turner for the annual Commodore's Picnic on Sunday October 3rd.

Following the welcome by Commodore Chris we enjoyed an unseasonably warm Sausalito day with comfortably light winds taking us to find tranquility.

As you may know many TYC Members have contributed to the construction of the Matthew Turner which makes this a very special and meaningful event for our Yacht Club.

The wheel donated by Hal Mooz, was owned by Hal's grandfather who received it as settlement for a debt from an old sailor. His grandfather used it as a table.

Hal inherited the wheel, and its provenance was researched and found to be from the correct era. It now is proudly in use once again on the Matthew Turner.

Well, it was time to raise the sails and as you can see, we were encouraged to help.

We found serenity on this cruise and genuinely enjoyed the day especially the rare opportunity to pass under the bridge and to watch the crew's acrobatic feats as they managed the sails.

What Happened Last Week

TYC's Women's Regatta Celebrates 30 Years

Article by Mariellen Stern

Five boats raced on a beautifully warm day with a light breeze last Saturday, as we celebrated the 30th Year of the Joan Storer Memorial Regatta.

Thirty-year anniversaries are typically associated with lasting durability and strength, as well as passion. This Regatta is a memorial honoring TYC member Joan Storer and her passion for sailing and in particular women in racing. It is sponsored by John Storer her son, who grew up in Paradise Cay and is the only race that is sponsored for TYC. Half of the entry fee is donated to the Hirschberg Foundation for Pancreatic Cancer in Joan Storer's name.

In the past, it's been a female skippers regatta, with only one male allowed on each boat. In 2016 the requirements were loosened to 50% of the people onboard to be female.

This year Ian Matthew conducted Race Committee and Susan Woodrum kindly arranged the food for the after race get together, thank you both.

Ian postponed the 11:55 1st warning and we waited for the breeze to come up. It arrived from the North Bay, a very light NNW, sometimes NNE breeze and Ian got us off to a good start.

Photo courtesy of Janine Wilford, from Cinnamon Girl

It was a tough race though, making headway with the light air and a strong ebb challenging us.

Cinnamon Girl was the first boat to start and rounded the first three marks ahead of the fleet. After rounding GRC and heading to TYC the light breeze disappeared and the bay became a sea of glassy water. Then the wind shut off. Cinnamon Girl retired followed by the rest of the fleet.

Afterwards, back at the club we all enjoyed the delicious food and beverages sponsored by John Storer. Many thanks to John Storer and all those who raced today and supported this event.

Stand by for news regarding the Annual Race Awards Dinner on November 6, 2021 in the next Tidings.

A Message from the Commodore

Happy November to our wonderful TYC Members!

We are getting ready for our annual dinner and new board election. We will be having a wonderful meal created by Steve and GeorgeAnn from Family Meal Catering. I felt that this was a nice way to round out our year as they were our caterers for our online dinner at home get togethers.

Marin county has an excellent vaccination rate and restrictions are being lifted. The club has come alive again and I am excited to watch what comes next.

Thank you all again for your patience during this year and for your participation in the events we have put together. I know there are great things on the horizon because although we haven't voted yet, Tracey Schwartz is very busy making plans for the next year and she is amazing at creating events.

Please RSVP as soon as you can for the Annual Dinner and I look forward to seeing you there!

Fair Winds My Friends,
Commodore Chris

Commodore Comments

Aloha TYC Members!

As you know, Aloha is both hello and goodbye and as this is my final Tidings as Commodore, aloha is fitting.

I would like to say thank you to all for staying together as a family. We had a heck of a year, from the clubhouse being closed, all the way to a hugely successful in person Halloween party.

The Race Committee, headed by Mariellen Stern, was in full swing getting us out there on the bay in friendly competition. The Cruise Committee, headed by Drew Clark, had us going to other clubs and keeping the party on the water alive and well.

I would like to say a huge thank you to Jane Clark and Carole Gunn for keeping us all informed of all the goings on by publishing the weekly Tidings. Every week they coax the upcoming events and descriptions of past events out of us so that you all can stay informed and involved. It is a big undertaking, and I will be forever grateful to them for helping guide the club through these rocky times.

I will be stepping into the role of Staff Commodore and will do everything I can to help our new commodore, Tracey Schwartz, bring her vision for the club to fruition.

And as always, I wish you Fair Winds and Following Seas
Commodore Chris

Race Awards Luncheon

Saturday November 11, 2021

Article by Mariellen Stern
Photos courtesy of Janine Wilford

As you can see from the photos it was a bright sunny day for the 2021 Season Race Awards Luncheon. A perfect way to end the racing season where racers contended with a variety of wind conditions from blustery days to no wind, to just unpredictable, within a single race.

Overall, they were all perfect days ending up at the TYC Clubhouse where we enjoyed the companionship and shared stories of the day with our fellow racers.

Thank you to all who took part in this year's racing and especially those who volunteered as Race Committee in 2021.

To view the **Race Awards** details, click/tap [HERE](#):

Dave Anderson and Austin Dito also received a TYC glass and a pair of socks in appreciation for racing this season and the Race Committee received a custom made TYC gator in appreciation for a great season and looking forward to the 2022 racing season.

Gerry McNulty accepts the Single-Handed Race Perpetual Trophy

Twenty-five (25) Racers participated in the luncheon that ended on a high note with delicious cupcakes made by Pellie Anderson for dessert. Thank you Pellie!

Special thanks to Dave Anderson and Austin Ditto for tending bar and to the entire group who contributed to the set up and clean up after the event.

Cam Tuttle congratulates Michael Cintron-Madison a U/20 racer

Looking forward to seeing you at the Annual Meeting and Dinner on Saturday

and on the water soon!

Staff Commodore Comments

To our Members,

It is with immense pleasure that I announce Saturday evening we voted in our 2021-2022 Officers and Board at the Annual Meeting and Dinner. Please congratulate our newly elected Commodore Tracey Schwartz, the Officers, and Board Members when you see them.

Unfortunately, Tracey Schwartz, our new Commodore, was unable to attend the evening festivities due to family obligations but we were all 100% behind her taking on the position of Tiburon Yacht Club Commodore.

**Congratulations
and
Thank You!**

Congratulations to our new
Board Members
and
Thank You to our outgoing
Board Members

Tiburon Yacht Club		
Officers and Board 2021-2022		
	Officers	Directors

Vice		
Commodore	vacant	Drew Clark
Rear		
Commodore	vacant	Rick Cunliffe
Secretary	Mark Schumacher	Tiffany Townsend
Treasurer	Patty Cerf	Cam Tuttle
Past		
Commodore	Chris Cooper	

It was a lovely evening, and the club was beautifully decorated thanks to Rita Pirie, who managed all the details required to make this such as successful Annual Dinner. Thank you to all those who assisted with the event. More credits can be found below along with photos from the Dinner.

Steven and GeorgeAnn from Family Meal Catering designed, prepared, and served a meal that was an absolute delight! The hors d'oeuvre were fantastic and the dinner delicious.

The most important part of the night for me, was being able to recognize all those who have helped keep the club moving forward during such a crazy year. Jane Clark creating a new Tidings every week keeping us up to date on all the goings on. Carole Gunn assuring we were all in line and on top of everything. Mariellen Stern heading the race committee, Drew Clark getting our cruise on, and Walt Bilofsky doing a ton of behind the scenes work with our online presence. Bill Hoehler and Peter Schoen "literally" kept the roof over our heads and the club physically in top shape. Patty Cerf kept our financials afloat, coordinated club cleanings, and supported every event held this year.

The 2020-2021 Officers and Board of Directors (Tracey Schwartz, Mark Schumacher, Patty Cerf, Tiffany Townsend, Cameron Tuttle, Richard Cunliffe, and Bob Horton) were a huge part of our success. They were always working to deliver fun events while keeping us safe.

Lastly, I am very thankful for the support I received from my wife Gina, and sons Ed and Joe this year, I could not have been successful without their support.

I have relinquished my position of Commodore and have moved to Staff Commodore, joining an amazing group of people who hold this title. To all of you in the club, I give my heartfelt thanks for supporting me and encouraging me during this incredible year.

As I take on my new role, I am so happy to know the club is in great hands as we move forward into the coming year.

Fair Winds and Following Seas,
Staff Commodore Chris

What Happened Last Week

Annual Meeting and Dinner

Saturday November 13, 2021

Photos courtesy of Carole Gunn

The club was beautifully decorated, the weather perfect, and the event was well organized thanks to the attention to every detail provided by Rita Pirie who led this effort.

As attendees we truly appreciated how wonderful the club looked, the delicious dinner, and pure joy of chatting and reconnecting with friends. We toasted those who contributed to the year's success and welcomed in the 2021-2022 Officers and Board.

However, behind the scenes and prior to the event...

Rita coordinated with caterers, planned the seating, decided on decorations, organized, and executed it all flawlessly with the assistance of Susan Hoehler, Laurie Selmeier, and Carole Gunn. They prepared the club while leaving the heavy lifting to Jack Solomon and Gerry Gunn who setup the tables and chairs.

Patty Cerf checked in the Members as they arrived at the door, collected the receipts, and will deposit the receipts and balance the event financials. She also ensured the ballot counting per the by-laws. Tiffany Townsend managed the vaccination check. Eric Lyons setup the bar and bartended along side of the hired bartender Jennifer.

We certainly appreciated the results of their labor as Members arrived at a marvelously decorated clubhouse and enjoyed a well-organized Annual Meeting and Dinner on Saturday.

Thank you all for giving your time to make this such a lovely Annual Dinner and Meeting.

Catering Staff takes a break for a photo after a long day!

We also toasted and thanked our Volunteers, Activity Chairs, outgoing and incoming Officers and Board.

Thank you, Staff Commodore Chris, for your stellar performance in 2020 as TYC's Commodore.

Chris, you took on a huge challenge moving up from Rear to Commodore in a pandemic year. You reopened the Clubhouse and moved us forward keeping our traditions alive while starting new ones all amid new and changing health and safety concerns and requirements.

It was an enormous achievement in a difficult year, and we genuinely appreciate your dedication.

We delighted in a delicious dinner and relished spending time with old and new friends.

Until next time, enjoy the memories!

What Happened Since the Last Tidings

TYC's BLACK FRIDAY SAIL

Article by Mariellen Stern
Photos by courtesy of Jordan Stern
(Mariellen's son) and Janine Wilford

The Wild Turkey Regatta, traditionally held on Black Friday was a roaring success! Who wants to be shopping when you can be racing on the bay? And the only lines were the start and finish lines!

Between R-14 and TYC, Bill and Susan Hoehler's Joyride overtook Cinnamon Girl.

Joyride finished first, followed by Cinnamon girl, then Osprey, the Olsen 40.

The day brought light air, flat water, and a minimal ebb tide. It was crisp and clear like most fall days on the bay.

There were six (6) boats entered in the race. Two new racers joined us, Osprey, an Olsen 40, and Moonlight a Ranger 23. Ian Matthew conducted RC from his boat Siento el Viento.

We had a lively crowd of racers and their guests at the club after the race where the Wild Turkey was poured, and the awards presented.

This was a Pursuit race, so Mariellen Stern's Cinnamon Girl was the scratch boat being the first to start. She rounded ISO and R-14 first.

A huge Sea Lion barked at all the racers cheering us on as we rounded R-14.

It was a special day indeed, as Susie and Lon Woodrum were also celebrating their 55th Wedding anniversary! So, of course we had to celebrate with them!

Happy Anniversary Susie and Lon!

Thanks to Ian Matthew for conducting race committee, Susie Woodrum for taking the finish times, and Austin Ditto for tending bar!

The next race day in the Annual TYC Midwinter Series is on January 1, 2022. The first midwinter race was on Saturday, Dec. 4, 2021, and a race recap will be available in the Tidings next week.

Looking forward to seeing you on the water in 2022!

What Happened Since the Last Tidings

A Perfect Day for Cinnamon Girl

Article by Mariellen Stern
Photos courtesy of Janine Wilford

It was a cool, crisp day last Saturday December 4th for the first race day of the Bob and Esther Mott Midwinter Series. The five boats entering the race faced challenging conditions with a heavy ebb tide, light winds, and flat water.

Susan Hoehler ran Race Committee on Joyride. She skillfully selected the perfect course to leverage the lack of wind and the forceful ebb. Susan chose a short course to allow us to make it back to the dock despite the conditions.

View of Mt. Tam on the way to ISO

She continued to pass the TYC and ISO marks ahead of the other boats. As Cinnamon Girl neared the finish line Lion gained on her coming close to catching her, C-Girl prevailed and took first place.

Boats behind Cinnamon Girl after rounding TYC

Cinnamon Girl being the scratch boat started first. Light air and flat water are a sweet spot for C-Girl, but the ebb's strength still tested her.

Lion Finishing

Overall Standings:

First place: Cinnamon Girl
Second Place: Lion
Third Place: Joyride

Thanks to Susan Hoehler for conducting Race Committee and Susan Woodrum and Ian Matthew for taking finish times and posting the results.

See you at Race #2 on Jan. 1, 2022!

What Happened Since the Last Tidings

**The weather outside was frightful
but ... the Holiday Party was
delightful and a great success!**

Article by Carole Gunn
Photos courtesy of Carole Gunn

We wish many more of you could have joined us on a cold, rainy, windy Sunday, but thank you for all the gifts for kids and food for the Food Bank!

There were so many toys, we couldn't count them all, but there were at least 300, probably more, which were delivered to Marin City. And...120 pounds of healthy food went to the Food Bank! THANK YOU!!!

So, here are a few photos of the fun day....

Then, off Santa went to get wishes (and hugs) from the adults...including Jill Ames (and Eric, bartending and making sure no one was thirsty) and

Santa had to arrive in a red "sleigh" car... but he didn't have to wade through the lake in the parking lot!

chatting with Susie Woodrum and Sondra Blake.

And some of the boys, busy creating

Christmas tree ornaments, loved greeting Santa and his Elf. Santa talked to them, got their wishes, and then gave them High 5's.

Santa knows you have to talk to kids at their eye level, and this shy little girl opened up, gave him her wishes, and then gave him a candy cane that the Elf had given her!

He even gave Jack and Gerry High 5's for setting up the Christmas tree!

Many thanks to all who helped: Jack Solomon & Gerry Gunn (tree set up);

Rita Pirie, Patty Cerf, and Jackie Royal for decorating; Lee, Christian, and Anna Royal for helping with craft projects (created by Rita); and Eric Lyons and Austin Dito for bartending.

MERRY CHRISTMAS AND HAPPY HOLIDAYS TO ALL!

Recurring Activities

Mah Jongg
