### **What Happened Since the Last Tidings**

# 2022 Racing starts with a strong ebb and hope for the new year!

Article by Mariellen Stern Photos by Janine Wilford

It was a cold, clear beautiful New Year's Day on the bay for the second race of the Robert and Esther Mott Midwinter Series.

Five (5) boats participated in the pursuit race. This year we had a new entry, Mighty Windsong, an International Folkboat from San Pablo Bay Yacht Club. She was the scratch boat, starting first but sadly due to the light air and building ebb she was not able to get off to her start.

Cinnamon Girl followed and struggled to the first mark, TYC. Lon Woodrum's Lion soon overtook her as they approached that mark.

Bill and Susan Hoehler's Joyride and Alice Shinn's Sonata started and quickly took the lead duking it out as they headed to ISO.

As they rounded ISO and flew to the finish line, they took full advantage of the strong ebb with Joyride finishing first and Sonata second. Lion followed and finished in third place. Cinnamon Girl withdrew from the race as did Mighty Windsong.

Happy new year wishes along with the race awards followed at the club.

Congratulations:

First Place- Joyride Second- Sonata Lion

Thank you to all who participated, and we look forward to seeing you in February for the next Race!

**Happy New Year!**

# A Message from the Commodore

### Hello TYC Members and Happy New Year from

### **Commodore Tracey...**

Man is it nice to say that! Not just because I have taken on the role as your Commodore for 2022, but also saying goodbye to the past year and hello to a new year full of promise but once again requiring us to draw upon our creativity to keep TYC Members active and engaged despite the COVID surges.

I'll begin with a little story. I was absent the first month of my role as your Commodore because I was in Antarctica. It was a lifelong dream of mine to cross Drake's passage and to see the seascape that inspired adventurers and scientists for centuries

But like so many things that you anticipate and dream about, the trip was quite different than expected.

We boarded an icebreaker at Puerto Arenas and headed through the pass into the Weddell Sea. The only spot on the planet to see a full solar eclipse. Sadly, the skies were overcast, and it was just slightly dark for the eclipse.

**Next the ice shelf!** Global warming had taken its toll there. Areas which we expected to see blanketed with ice were just open water. Waterfalls spilled from glaciated cliffs to the sea below.

This was not the Antarctica I had read and dreamed about for so long. Reality had seeped into my dream vacation.

I am not relaying this story to elicit sympathy. On the contrary I had a great trip and the time spent on the water was a gift. I listened to Minke whales sing, heard the distinct clicking of seals, and Orcas and even the shy Chilean porpoises were often on our bow. It was a great but different trip.

And so, begins the year 2022. I know that many of us wanted things to be back to normal this January.

continued below...

For the yacht club, January usually means winter racing and the crab feed leading to an early February Chili Cook off for the Super Bowl. This year may not look like that.

With the Omicron variant raging through even our well vaccinated county, it seems prudent from a safety standpoint not to press our luck as the saying goes and fill the club with food and friends until later in February.

The board will be meeting next week to determine what we can do as a club without compromising the safety of our members.

Is this a different year than I expected? **Yes**. Is it bad? **No.** 

Since it looks like we will all have a little extra time on our hands, let's put our heads together to create new and interesting activities to do as a club. The winter races will safely continue, and if the current projection holds true, late February and March might be a wonderful time to have an on-premises event, or a day cruise.

March brings St Patrick's Day with an event and a paddle through the marina, if possible. In Early April I am planning for the Commodore's Cocktail Party and Poker Night. Later in April we have a cruise to Petaluma, and in early May a race-in and cruise-in picnic on Angel Island. I have lots of ideas for events, and I would love to hear yours too.

Will you join me?

I will need your help coordinating events, gathering committee members and an army of volunteers at the ready. This break in club activities has provided us with the perfect opportunity to plan for a new year ahead of us albeit a different year.

Lastly, I would like to take this opportunity to thank Staff Commodore Chris Cooper for his mentorship and support. He has set the bar for those who follow him in terms of how a good commodore kept TYC thriving through tough times. Thank you also to Staff Commodores Dave Anderson and Tiffany Townsend who covered my board responsibilities while I was away.

Thank you for having me, and I am honored and delighted by the trust you have placed in me.

Fair Winds, Commodore Tracey Schwartz

### A Message from the Commodore

### TYC Members,

I would like to offer my humble thanks to Mark Schumacher for his years of service to the board as a director, and as secretary. I am amazed and appreciative that Mark was able to give so much time to our club while fighting on the COVID front lines at UCSF. He has resigned as secretary as of last month.

Mark, thank you, for your many years of service on the TYC Board and for everything you have helped TYC accomplish throughout those years.

David Schwartz filled in as secretary for the last board meeting, but club by-laws do not allow a spouse to serve with an officer, so he is only an interim volunteer.

Would anyone be willing to step in for a board meeting or two, or even offer yourself to serve on the board as our secretary? Please reach out to me or one of the other board members if you would be willing to assist.

The board unanimously voted in Rita Pirie as Rear Commodore. We are so thankful for everyone who has stepped up to help fill the board vacancies. It is my pleasure and honor to work with each of you.

The board voted to delay January's favorite event, the crab feed. The supplier says there should be months of crab available, so we are working with Susie Woodrum in the hopes of having the event later this year. More information to come, so stay tuned!

Drew Clark has some creative ideas to make the chili cook-off and Super Bowl party a go for February. Look for updates in The Tidings and on the <a href="TYC Event calendar">TYC Event calendar</a> in the coming weeks for more information.

Is it too early to talk about St. Patrick's Day? If you can help, we are looking for a volunteer or group of volunteers to help organize a nip of the Irish for the club!

Mark your calendars for May 7th. It will be the inaugural destination pursuit race, cruise in, paddle in, or ferry in picnic to Angel Island.

Lots more information to come...

Please continue to check The Tidings and on the <u>EVENTS calendar</u>, <u>RACE page</u> and <u>CRUISE page</u> at <u>tyc.org</u> for important dates and more detailed information.

Fair winds and following seas from my crew to yours,

Commodore Tracey

### **8 BELLS FOR JOHN F. SULLIVAN**

John Sullivan, known affectionately as "Sully," passed away Saturday, Feb. 19, 2022, with his wife, Marcia, at his side, in Berkeley CA where they lived.

John and Marcia moved from Hoboken, New Jersey to Paradise Cay in the summer of 1990, and not long after became members of TYC.

John was Treasurer of the club one year and was an active member of the racing group. He raced many boats, owned three over the years, and won many trophies.

Most of all, he encouraged people to sail with him and become members of TYC, one of whom became a commodore.

He was also the instigator of the nefarious "Fox Hat Race," and he and Marcia created and ran the St, Patrick's Day party, providing a full Irish dinner as well as delicious Irish coffee. And, John dressed up to provide the full experience of a "real" St. Patrick.

John was an ardent racer and loved to race on all the sailboats...unless the Boston Red Sox were playing. John also donated many hours working at TYC as well as at the Bay Model and other non-profit organizations. He only left TYC when declining health made it impossible for him to participate. He will be missed by all who knew him, sailed with him, and laughed with him.

Condolence messages may be sent to:

Marcia Sullivan

The Silverado 2235 Sacramento St. Berkeley CA. 94702 Donations in memory of John Sullivan can be sent to:

Massachusetts Maritime Academy

101 Academy Dr., Buzzards Bay MA 02532

or to the organization of your choice.

Sincerely,
Tiburon Yacht Club Commodore and Board

### What Happened Last Week at TYC

### WINDLESS ON THE WATER

By Mariellen Stern Photos courtesy of Janine Wilford

Seven boats arrived excited to enjoy a beautiful, warm, and sunny day for the third Bob and Esther Mott Midwinter Regatta last Saturday February 5th.

lan Matthew conducted Race Committee from his boat, Siento el Viento.

As the boats made their way out of the marina toward the starting line a slight breeze arrived from the North, unfortunately it did not stay long. Gerry Gunn, crewing with his son Geoff on Shirley Vaughan's Redhawk, reported they turned around and came in as they just could not make it to the starting line.

By the first warning at 11:55, the slight breeze had died and there was not enough air to allow all the boats to make it to the start line.

Sadly, the race had to be postponed. Instead, we all agreed it was time for a beer! We headed in and enjoyed an afternoon of good fellowship with the other racers and a cold beer or two at the club.

Thanks to Dave Anderson for tending bar! Janine Wilford for taking photos and Ian Matthew who ran race committee. And to all those who came out for the race.

Looking forward to seeing you next month for the last Midwinter Race on Saturday, March 5th.

A lovely sunset as gameday 2022 is winding up.

It was an amazingly beautiful, sunny day for our event, with 20 people in the house at one point.

We enjoyed some delicious potluck including 2 Texas-style chilis (Drew Clark and Cam Tuttle), some tasty meatballs (Tiffany Townsend), and dip, along with various munchables.

These yummy nautically adorned meatballs went fast!.

Super Bowl Fans enjoying the game inside.

Deck set for outdoor viewing.

To keep COVID safe we designed a hybrid arrangement for watching the Rams take on the Bengals. Members could watch inside (where the food was) or deckside, enjoying that special view that is uniquely TYC.

The photos above show (1) inside setup for 1st half, and (2) outdoor screen and projector setup for 2nd half.

Thank you to all those who joined us on Sunday and for bringing delish dishes to share.

A special thank you to David Schwartz for the loan of his outdoor projector and helping us set it up, Dave Anderson for bartending, and Tiffany Townsend for sharing her photos.

### **8 BELLS DON KUNSTLER**

We are sad to report that Past Commodore (1975) Don Kunstler passed away this past Sunday, March 20, 2022.

He and his wife, Wanda, have been members of Tiburon Yacht Club since joining the club in 1969.

Over the years Don was an active sailor racing and cruising his Santana 28, Don Wan, and at various times winning his division in the HO Lind, Tornberg, Fox Hat, Wiley, Behrens, and Brothers/Sisters regattas.

In 2000 Don presented a perpetual trophy to the club and a Declaration of Trust was created for the annual Don Wan Regatta.

This year the regatta will be held on April 2nd . Following the races many toasts and memories of Don will be shared.

Using his marketing background, Don developed several surveys which helped the club respond to member interests. During the construction of the new club in 2001, Don participated in numerous work parties and no job assigned to him was too minor or small. In 2006 Don was the recipient of the Hill-Hoehler Perpetual Trophy for his many years of support and service to the club.

He will be missed by so many members of TYC, especially those who raced alongside or with him.

Condolence messages may be sent to Wanda Kunstler.

# **What Happened Last Week**

**Midwinter Series Concluded** 

# Mott Series Season Finally The Wind Returns!

Article by Mariellen Stern Photos courtesy of Janine Wilford

The 2022 Bob and Esther Mott Midwinter Series concluded on Saturday, March 5th.

It was such a beautiful day on the water after 2 months of not racing.

The forecast called for a 10-12 southeast breeze that would slowly lighten up as the day progressed and it did not disappoint the . seven (7) boats that came out for the races,

It was so nice to have wind again and it even allowed our excellent Race Committee, Ian Matthew to get in two races.

Race 3 was a make up race that was cancelled previously due to no wind and Race 4 was the Midwinter Season's final race

As forecasted, the first Race 3 began on time with a 10-12 knot breeze.

Cinnamon Girl was the first boat to start and rounded ISO first, followed by Lion, Siento el Viento, and Bella.

We sailed out to C-15 on the other side of the Richmond Bridge, then to the finish.

### Race 3 results can be found on jibeset.

In Race 4 the breeze laid down and we started in 3-4 knots of breeze. Ian, put us on Course 4 reversed which was ISO-S, R-14-S, TYC-S, Finish.

Cinnamon Girl started first and lead the fleet around ISO and R-14.

Soon enough, Siento el Viento, Lion, and Joyride overtook her and rounded TYC ahead of Cinnamon Girl.

### Race 4 results can be found on jibeset.

Thanks to Ian Matthew for conducting Race Committee and Susan Woodrum and Paula Blake for taking the finish times!

I hope to see you on the water for the Don Wan Regatta April 2nd!

#### **Hello fellow TYC cruisers!**

We have a terrific TYC cruising season planned for 2022, starting with a return to our annual Butter and Eggs Cruise to Petaluma, coming up on the weekend of April 22-24.

We are expecting great weather, tasty food, and lots of (little) chicks running around the antique-filled streets of downtown Petaluma.

In May, we have a very special race + cruise planned for the 7th, to historic Angel Island. Details are still being worked out, but the general idea is that we'll cruise over to Angel Island Saturday morning, and bring some BBQ-type goodies over to our reserved picnic area and enjoy the day. Meanwhile, our intrepid TYC racers will begin their race off Paradise Cay and head to Ayala Cove for the finish! We'll join up in the afternoon for a fun BBQ and an option hike around the island. This is one day not to miss, so be sure to grab a ride on one of the boats cruising or racing over to Angel Is. Watch this space for more details and to grab a ride!

We have lots more fun planned, including our annual Delta cruise and a return to Tinsley Island in early October. See TYC Cruise Calendar (Events) or Tidings as dates firm up.

## PETALUMA BUTTER & EGGS CRUISE

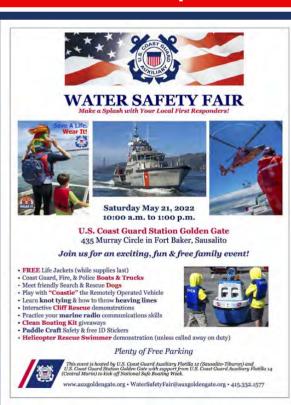

**April 22 - 24** 

#### Let's cruise to Petaluma!

For a weekend of fun, butter and eggs, and some great antique cruising, come join us for TYC's annual cruise up the beautiful (and recently dredged) Petaluma River to historic downtown Petaluma and the docks at the Turning Basin.

## **What Happened at TYC**

## SPRING RACING WITH A HINT OF CRAB IN THE AIR

Article by Mariellen Stern Photos by Janine Wilford and Jane Clark As the rest of the fleet was closing in behind Cinnamon Girl, once more she was overtaken this time by Lon Woodrum's Lion. It was very tight racing between the two boats but at the finish line, Lion finished just 5 seconds ahead of Cinnamon Girl.

The sweet aromas of spring filled the air with hint of crab as the boats readied for the 2022 Don Wan Regatta held on Saturday, April 2nd. It was followed by the Annual TYC Crab Feed.

lan Matthew conducted Race Committee from his boat, Siento el Viento. Thank you lan!

After taking check-ins from the competitors, lan requested all the racers observe a moment of silence in honor of Don Kunstler (Don Wan) who passed away on March 22, 2022. Don's enthusiasm and love of racing will be missed.

There were two pursuit races scheduled for the day.

Race 1 started at noon with Cinnamon Girl the scratch boat starting 1st. The light breeze was out of the Northwest at 5-7 knots and Cinnamon Girl was enjoying taking the lead.

Race 2 the wind began to lighten up, so lan selected a shorter course. Again, Cinnamon Girl started first and led the way to ISO and was overtaken once again on the way to TYC. Another tight race for everyone but it was a beautiful day, light winds, and flat water.

As we returned to the club house, set up was taking place for the annual TYC Crab Feed.

Once we all gathered and had our drinks, we raised our glasses to honor Don Kunstler and the race awards were presented.

Cinnamon Girl led the way around ISO but was overtaken on the way to GRC by U-Betcha (an Ultimate 20 from Richmond) and then the Hoehler's Joyride. A sea lion lazily watched on.

Results are posted on www.jibeset.net

Thanks to Susie Woodrum and Paula Blake for taking the finish times from the club, lan for conducting race committee, and to all who came out for the racing.

Looking forward to seeing everyone next week for the Behrens Memorial Regatta.

## TYC MEMBERS ENJOY THE RETURN OF THE CRAB FEED.

Article by Rita Pirie and Jane Clark Photos by Jane Clark

Tiburon Yacht Club's Annual Crab Feed was held on Saturday April 2, 2022.

This year sixty (60) members and friends of TYC joined us for a delightful day as the Crab Feed returned to the TYC Clubhouse.

This is a favorite event for many TYC Members, and their families and this year did not disappoint.

It all starts with organization and coordination from Susie Woodrum.

Susie makes it look easy from ordering the delicious crab to organizing the volunteers, so everyone has a job.

Susie had every detail identified down to table seating plans and she facilitated all the activities to make this an evening to remember. Thank you, Susie, for taking this Dan Higgins and Mike Fitz-Gerald got the crab ready to serve. While Cam Tuttle and Mariellen Stern kept the racers glasses filled at the bar.

Bob and Patty Cerf arrived with Patty's delicious red sauce for the crab. And Dessert... Well, Rene arrived with twelve (12) pans of her to die for cakes each was topped with brandy sauce and ice cream when served.

The setup volunteers placed the tables and chair in their appropriate positions and got them ready for the hungry members. Dave Anderson, John Thomas, and Chris Cooper took over the bartending.

The socializing continued until the dinner bell rang.

The wonderfully delicious crab, salad, and bread were quickly consumed, and dessert was served up and enjoyed.

The galley cleanup crew Susan Hoehler, Myrna Pesce, Jane Clark, and Alice Shinn (who came to TYC just to help clean up) got to work after enjoying the lovely dinner. I always wonder where all the dishes come from!!

Thank you so much to all those who played a role in this event. You know who you are, and

I came to the club to take a few photos of the Don Wan race and Susie was already there both supporting the race committee with Paula Blake and starting the preparations for that evening ensuring every detail was attended to.

A while later the reinforcements arrived. Ruth Fults made her special Caesar Salad and fabulous garlic bread with help from Paula Blake. you made this event so successful and we truly appreciate your support.

In all, we had twenty-six (26) helpers! That is Awesome! And that is why the Tiburon Yacht Club is so special!

Additional Photos will be posted on the <u>TYC</u> <u>Facebook page</u> soon.

#### Petaluma Butter and Eggs Days Cruise Doesn't Disappoint

**April 22 – 24, 2022** 

Article and Photos by Walt Bilofsky

Walt and Nancy Bilofsky aboard Golden Phoenix represented TYC at the Butter and Eggs Days Cruise this past weekend in Petaluma. They were joined by six boats from Richmond YC at the Petaluma Yacht Club dock.

Golden Phoenix tied up at the middle of downtown next to the Petaluma YC.

On Saturday, downtown Petaluma was filled with food and crafts booths, in the parks and in front of Victorian buildings that survived the 1906 earthquake.

The main event – the Butter and Eggs Days parade.

Steaks were grilled for dinner at the Petaluma YC.

Nancy scores an unusual vase.

Next morning, a sumptuous breakfast at the Della Fattoria Café provided fuel for a quick look at the antique fair and the easy trip home.

Although Walt and Nancy Bilofsky were TYC's only representatives on this cruise they had enough fun for an entire fleet.

Next on the schedule: Day cruise, race or ferry to the Cinco de Mayo BBQ on Angel Island, May 7.

#### Celebration of Life for Don Kunstler

Article by Carole Gunn Photos courtesy of Carole Gunn and Walt Bilofsky

The Celebration of Life for Tiburon Yacht Club Staff Commodore Don Kunstler was held on Saturday April 30, 2022, at the clubhouse. Don was an active member for over sixty years.

Many long-time TYC members who all knew Don and raced with him...or against him attended.

Due to illness Wanda (Don's wife) was unable to attend.

Peter Riopel, a long-time crew member and friend of Don arranged for this event, and Patty Cerf (and a small crew of helpers) set up.

Flowers courtesy of Jessica Pressman decorated the club.

Tiffany Townsend honors Don with the ringing of eight bells. View the eight bell reading **HERE**.

Sadly, the sun hides what was happening outside. As she rang the bells, there was a 420 which passed by the window. As she rang the last two, the boat moved towards the water...It was very moving to watch it.

The club was decorated with TYC memorabilia from races and cruises Don participated in over the years.

Don's coveted Commodore's Cruise participation pennants (44 of them) hung prominently overhead.

Not only Lon, but a lot of Don's friends shared their fond memories of him, his love of boating, racing, TYC, and his red pen!

Many fun stories, all filled with respect and affection for Don (and lots of laughs, too!).

# A Message from the Tiburon Yacht Club Board

The TYC Board of Directors would like to introduce Grace Angel who will be assisting Tiburon Yacht Club with ensuring that the events (Race, Cruise, Social, & Rental) are accurate, cohesive, and not conflicting

She will also ensure that the digital marketing (website, Tidings, Facebook) that promotes these events is accurate and effective.

Additionally, Grace will be looking for ways to manage the prospect identification and membership conversion program.

### Please welcome Grace to TYC!

The BIO below describes Grace's qualifications and goals.

**Grace Angel** is an Event Producer for bespokeevents, conferences and gatherings that inspire and yield unique customer experiences.

Grace has worked with the digital analytics industry, managing conferences and workshops for XChange, ThinkTank, DA Hub, and Customer Centricity. From inception to execution of each event, she is a creative, out of the box thinker with a "roll up your sleeve" attitude.

She also has experience coordinating community and volunteer fueled events from musical productions to auctions.

She fled the foggy summers of San Francisco for the hills of San Anselmo in 2010 with her husband, two daughters and two cats.

She is very excited to work with the Tiburon Yacht Club and all of its members.

A few of her goals are to elevate club event experiences and to grow community club memberships. Please reach out if you are looking to plan an event or gathering at the clubhouse, or just to say hello!

# **Thursday Night Pursuit** Racing

Article by Mariellen Stern Photos by Michael Bender

As most of you know, we changed our Friday Night Beer Can Races to Thursday Night Paradise Pursuit Races.

Thankfully, we have had more race entries and a great turn out for our social dinner afterwards.

With Richmond Yacht Club conducting their summer races on Wednesday's and Corinthian Races on Friday's, the Race Committee agreed that trying Thursday Nights might entice more entries and it seems to be working!

We have had a great turnout of racers after the race on Thursday nights,

# **H.O. Lind Summer Series**

Article by Mariellen Stern Photos by Janine Wilford

The first 2 races of the H.O. Lind Summer Series occurred Saturday, June 11. It was a spectacular day of racing!

Light air, moderate air, tides, and wind direction were all a challenge which made it strategically a very competitive race.

Five (5) boats competed out of the seven (7) that were entered. Three (3) boats from TYC and two (2) Ultimate 20's that came over from Richmond Yacht Club.

however, the turnout of non-racers has been lower. I would encourage anyone not racing and their guests to come by the club and watch the start plus enjoy an excellent meal.

Sign up on the TYC website to reserve your spot for dinner.

Thank you to Michael Bender for the lovely photos and all those who participated and helped with set up, dinner, bar, and clean up last week.

Thanks to Susan Woodrum and Paula Blake for being at the club to take the finish times, and Susan Hoehler and Mariellen Stern on Joyride who conducted RC from the water. Also our photographer Janine Wilford.

It was a beautiful day of racing!

Complete Race Results will be posted on Jibeset.

Race 1 Results for top 3 positions: 1st Lion, 2nd Joyride, and 3rd Kind of Blue

Race 2 Results for top 3 positions: 1st Lion, 2nd Joyride, and 3rd Kind of Blue.

We look forward to seeing you at this the Round the Rocks Brothers and Sisters Race on July 2nd and at the Thursday Night Pursuit Racing.

Fair winds my friends!

We are over halfway through the 2022 Season's Thursday Night Pursuit Racing and Dinners with the final race/dinner scheduled for September 1st. If you have not yet joined us, we would love to see you at the clubhouse for dinner or on the water for a race or both!

July 7th, we had another delightful evening with a very exciting race and a sold out delicious dinner. The fajitas from Joe's Taco Bar were terrific as was the company and conversation at the club!

Congratulations to Dave & Pellie Anderson on Kind of Blue who took 1st in this week's pursuit race.

Thank you, to Grace Angel for coordinating the dinner and ordering the meal and to those who helped set up and clean up.

A special thank you to Bob Walsh and Marianne Fogarty, these two resolute new members have volunteered and tended bar for most of the summer. We greatly appreciate their commitment and support. Thank them the next time you see Marianne and Bob at the club. It is time though to give them a break so they may enjoy some much deserved R&R.

Please consider volunteering for a bar shift in the near future. Interested? Reach out to <u>Grace Angel</u> to find out more.

Specifically we need a bartender for July 14th, Thursday night race dinner,

# Independence Day Racing July 2, 2022

Article by Mariellen Stern

The Annual TYC Brothers and Sisters Race which rounds both sets of islands was held on July 2nd in conjunction with the Club's Independence Day celebration.

This year's theme was Country Western and post-race we returned to the clubhouse to join our fellow TYC Members to enjoy a few drinks, a delicious BBQ meal, lively Country Western music, and to present race awards.

The wind conditions made this year a vastly different race than in past years when gusty winds were the norm. This year the race started out with the wind out of the west but once we headed north of the Richmond Bridge it significantly lightened.

Lon Woodrum's Lion and the two RYC Alerion 28's led the way around the Brothers Islands and then the Sisters Islands. Bill and Susan Hoehler's Joyride and Chris Cooper's Sunrisa followed behind them.

All the boats began to struggle with light air and against a flood tide as they headed back south toward and through the Richmond Bridge.

After passing through the bridge, the wind shifted coming out of the north which gave Joyride the opportunity to take the lead over Lion.

The Alerion 28's from Richmond Yacht Club were also able to take advantage of the shifted winds and successfully took the lead. They finished first followed by Joyride, Lion, and Sunrisa!

Thanks to Susan Hoehler and Mariellen Stern for conducting Race Committee from Joyride and Susan Woodrum for recording finish times from the club. Also, thanks to Cam Tuttle for announcing the awards and to those at the clubhouse who welcomed us back to a fabulous event to celebrate the 4th of July.

Catch up with us at the next H.O Lind Race on Saturday July 16th!

#### A Marvelous Night for a Race

July 21, 2022

Article by Mariellen Stern Photo by Janine Wilford

Paradise Pursuit Racers enjoyed a light to moderate breeze last Thursday evening.

We had 5 entries and Cam Tuttle ran Race Committee. Thank you Cam!

The course Cam selected was excellent for the conditions. Cinnamon Girl was the scratch boat, so she started first and lead the way around all three (3) marks until she was overtaken by the rest of the fleet.

The course was perfect for all the boats as we seemed to finish in tandem with mere seconds separating the boats.

#### And the Winner were:

**Double Handed Division:** 

**FIRST:** Ma's Rover-John Donovan **SECOND:** Natural Blond - Rob Cooper

Crewed Division:

Kind of Blue - Dave Anderson FIRST: **SECOND:** Osprey - Michael Bender THIRD: Cinnamon Girl- Mariellen Stern

## And A Savory Enchilada Article by Grace Angel

Thank you to our dynamic bartending duo, Marianne Fogarty & Bob Walsh!

Thank you also to Patty Cerf, Mariellen Stern, and all who participated in setup and cleanup.

## Another Marvelous Night for a Winddance!

July 28, 2022

Article by Mariellen Stern Photo by Janine Wilford

Esperanza off to a nice start! (Photo Janine Wilford)

**As** the boats danced across the racecourse taking advantage of the gusty winds the hungry diners back at the clubhouse watched the race, socialized, and dined on a fabulous Caribbean Themed dinner from Sol Foods.

The Puerto Rican slow roasted ribs were quite a draw for racing and non-racing members and guests this week.

After the race concluded, the racers looking forward to sampling the refreshing Caribbean cuisine returned to the clubhouse for drinks, awards, and a delightful dinner in a second seating.

It was an immensely popular night with thirty-three (33) diners and a perfect evening for sailing!

**Thank** you to all who took part and helped make this such a delightful evening.

Especially, Marianne Fogarty and Bob Walsh who tended bar, the Race Committee: Mariellen Stern and Janine Wilford, and Patty Cerf for dinner set up, and also to the clean up crew Patty Cerf and Mariellen Stern.

#### Race Results:

While those back at the clubhouse enjoyed the company of fellow members and a tasty taco bar setup by Grace Angel. How can you not love Joe's Taco Lounge!

It was another well attended evening with over twenty-seven (27) diners.

Many thanks to Bob Walsh. Marianne Fogarty, and John Thomas who bar tended, and to Grace Angel for organizing, setting up, prepping the food, and cleaning up.

Also, thanks to Janine Wilford who cleaned up after the first seating, Mariellen Stern, for cleaning up after the second seating and also the final clean up. Lastly thanks to Ian Matthew for running the Race Committee.

#### THURSDAY NIGTH PURSUIT RACING

# In Pursuit of Wind August 18, 2022

Article by Mariellen Stern Photos by Janine Wilford aboard Cinnamon Girl

The breeze, a light air, out of the west at approximately 5-8 knots met the six (6) boats that entered this week's pursuit race.

lan Matthew conducted Race Committee from his boat Siento el Viento.

Our course was #4 which is TYC-P, R-14-P, ISO-P, and finish. This is a 4.2-mile course which proved to be somewhat long as the boats began to struggle to make headway due to changing wind conditions.

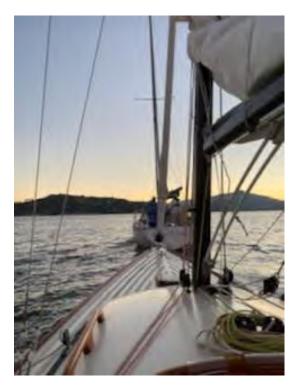

Cinnamon Girl, with her double handed crew, the scratch boat, was first to start and led the way to TYC.

The breeze began to lighten approaching R-14 and progressed to glassy water and no wind. Natural Blonde soon caught up struggling through the wind shifts as were all the boats. C-Girl was overtaken by Natural Blonde, Kind of Blue, Osprey, and Siento el Viento.

As Natural Blonde, double handed by Rob Cooper and Tom Struttmann, approached ISO the light air began to fill in. This allowed them to continue to the finish along with fully crewed Michael Bender's Osprey who crossed the finish line shortly after. The rest of the boats withdrew and headed in as darkness approached.

Thanks to Ian Matthew for giving Cinnamon Girl a tow in and for running race committee.

Back at the club Bob Walsh and Marianne Fogarty welcomed back the racers and served the thirsty crews drinks. Thank You both!

Awards were presented to the two (2) boats who stuck it out to the finish!

Natural Blonde - Rob Cooper and Tom Struttmann. First in the Double Handed Division

Division

Despite the light air, we all agreed it was a lovely night on the water even though most of the entries sadly had to withdraw.

**See you next week!** Only 2 more Thursday Night Pursuit Races to go!

Don't forget, September 1st is our last Thursday Night Paradise Pursuit Race and should not be missed!

# Windy Round the Rocks August 25, 2022

From article posted on TYC's Facebook Page

The wind was up for this second to last race of the Round the Rocks Series. The Fox Hat course rounds Angel Island, Alcatraz, and Red Rock in any order.

Staff commodore Dave Anderson came in a very close third place, a mere 28 seconds out of second place.

Thanks to Ian Matthew for running the race committee from his boat.

Come visit Tiburon YC next Thursday night as we celebrate the last twilight race and dinner of the season.

Paul Sutchek doublehanding with crew member Eric Thompson aboard his Cal 20 Slainte wins overall in today's breezy Tiburon YC Fox Hat pursuit race.

Slainte crossed the finish just 12 seconds ahead of Staff Commodores Bill & Susan Hoehler's J/105 Joyride. She took a course in opposite directions around Angel Island, Alcatraz Island, and Red Rock Island!!

# The Cool Air was Not a Breeze! September 10, 2022

Article by Mariellen Stern Photos courtesy of Janine Wilford

After the longer than usual heat wave we were fortunate to get some cool air.

But, on the Bay, as we welcome fog rolling in to cool us off, especially after a heat wave, it also brings lots of wind and unsettled weather and that is exactly what we saw on Saturday, September 10th for the Tornberg Championship Regatta.

We had five (5) entries for the first race. Chris Cooper ran the Race Committee from his boat Sunrisa and put us on a perfect course.

Cinnamon Girl, (sailing double handed) was the scratch boat so she got off to a great start and was first to Round TYC.

Shortly after, Siento el Viento and Lion passed C-girl on the way to GRC. Kind of Blue then also overtook C-Girl after rounding GRC.

Lion, Kind of Blue, and Siento el Viento (sailing double handed) after battling their way to TYC, then proceeded to the finish

Pellie and Dave Anderson's, Kind of Blue were first to finish followed by Lon Woodrum's Lion, then lan Matthew's Siento el Viento.

Our Race Committee got us off promptly for the second race. The wind was beginning to build.

Cinnamon Girl started first and rounded ISO ahead of the pack. Then sadly, she was overtaken by the rest of the fleet and decided to withdraw from the race. The rest of the fleet prevailed to the finish.

We all returned to the clubhouse and enjoyed each others company and awards were presented.

The second Race Results were Kind of Blue, Lion, and Siento el Viento first, second, and third, respectively.

Thanks to all who participated in the racing today, to Chris Cooper for running Race Committee, and a special thanks to Janine Wilford who took the photos from Cinnamon Girl.

Coming up next are the Short Handed Races on Sept. 24 and the reschedule of the Cinco de Mayo on Oct. 1st.

See you on the water!

# **What Happened Last Week at TYC**

# King Me! The Salmon Derby came back in 2022 with a king sized feast.

**September 17, 2022** 

Article by Rita Pirie Photos courtesy of Jack Solomon

The evening of eating fresh wild ocean salmon and sharing funny fish stories was almost canceled this year due to a broken sump pump that closed the restrooms and sinks at the clubhouse.

But as hearty TYC members we kept calm, and the Derby went on as scheduled Saturday night September 17th with about 40 TYC members and guests enjoying fresh caught and grilled salmon along with a few great fish stories.

New member Jeff Girtler took home the Trophy for the biggest Salmon of the day weighing in at 18.2 lbs. Now that's one big fish!

Thanks to the Skippers and Anglers, a bountiful feast and wonderful evening was had by all!

Awards were presented after dinner.

Skipper Wayne Behrens and his 3 Anglers were determined to bring in the salmon and that they did!

Their total catch weighed in at 41.9 lbs. They proudly took home the Trophy for Biggest Catch of the Day.

Ken Romley's Little Fish Story

As for the fish stories Ken Romley and Hank Baron shared the best fish story award. That's one tiny fish!

Special Thanks to Tom Moseley for allowing us to use the Harbor Master building restrooms just a short walk across the parking lot and to Bill Hoehler who spent many hours diligently trying to repair the sump pump.

Special thanks to Ken Romley our chef extraordinaire, Rita Pirie for organizing the event, Jack Solomon our roving photographer, and Grace Angel for supplying the trophies.

Thanks to Carole and Gerry Gunn, and Jack Solomon for setting up for the event, Dave Anderson for bartending the entire evening, and Susan Hoehler for helping in the galley along with Ann Tunney and Carole Gunn.

Thanks to Mariellen Stern, Bill Hoehler, and everyone who helped clean up, and to all involved in making the Salmon Derby a success!

Join us for our next big event on October 1st Viva Las Vegas -- Rat Pack Party.

# Fall Arrived with Its Bated Breezes September 24, 2022

Article by Mariellen Stern Photos courtesy of Janine Wilford aboard C-Girl

A warm, light air day was in store for the TYC Annual Short-Handed Race last Saturday. Just three (3) boats participated this year as some of our usual skippers were out of town.

Susan Hoehler did an excellent job running race committee this week. Thank you Susan.

Cinnamon Girl Crew: Mariellen Stern and Janine Wilford

The breeze at the start was 5-8 knots out of the Southeast. Cinnamon Girl was the scratch boat and got off to a nice start toward TYC, followed by Aiden Collins, Bella, and Bill Hoehler's Joyride.

Cinnamon Girl and Bella beared away at TYC and headed off the wind while Joyride jibed around TYC and stayed in the wind along the shore.

Soon Cinnamon Girl and Bella were out of wind, but the flooding tide kept them moving slowly toward R-14.

Joyride still needed to tack out through the pond to reach R-14.

Bella and Joyride in the background, on the way to R-14.

Bella rounded R-14, closely followed by Joyride, and then Cinnamon Girl, and she sailed on to the finish. Joyride finished first, followed by Bella, and then Cinnamon Girl.

Bella taken from Cinnamon Girl

First Place - Single-handed Aiden Collins - "Bella"

First Place - Double-handed Bill Hoehler - "Joyride"

Second Place - Double-handed Mariellen Stern - "Cinnamon Girl"

Thank you Susan Hoehler for running race committee, Janine Wilford our sailing photographer, and to all who participated.

Even with the noticeably light air, it was a typical warm Fall Race Day on the Bay.

### Magical Moments of Music, Memories, and Mischief

**October 1, 2022** 

Article by Rita Pirie Photos courtesy Jack Solomon, Gail Grunnan, Trip Ames, and Tiffany Townsend

The Rat Pack experience has been described as magical moments of music, memories, and mischief. TYC members who joined us last Saturday night experienced at least a couple of these of course any mischief accounts stay in Vegas!

Look who's cutting a rug!

The clubhouse was filled with the glitz of Vegas from the glittery Las Vegas sign to the beautifully decorated tables, and the 40 some members and guests adorned in their Rat Pack Era appropriate attire.

Here's looking at you!

The Debonair Dudes

The reviews of the evening were stellar from Crooner Jeff Cleary's velvety smooth Sinatra impression, to the luscious lasagna, and to die for Pelli Anderson Tiramisu, Not to mention sharing good times with our friends!

Jeff Cleary sings songs from the Great American Songbook popularized by Frank Sinatra, Dean Martin, and Tony Bennett.

\$5 Martini's were a hit!

This evening would not have been as special without the volunteers. Thank you Rita for organizing this event. It was a blast!

A special thank you to Gerry Gunn who set up the tables and did not even attend the party, and also to Ruth Fults who shared her galley expertise.

Also many thanks to Jill Ames, Susan Hoehler, Lauri Selmeier, and Jack Solomon for decorating and setting up.

Many many thanks to Vanessa Van Der Valk for all her galley and serving help! I could not have done it without her!

Thank you to Pelli Anderson for her delicious Tiramisu and Dave Anderson for his superb Martini mixing and tending bar all evening.

Lastly, many thanks to Bill Hoehler for always being at the club the morning after a party to clean up and put things away.

Thank you to everyone who helped make the party so successful!

More photos from the evening can be found <u>HERE</u> or view them from the TYC.org homepage.

# **2022 Tinsley Island Friendship** Cruise

October 7-10, 2022

Article and Photos courtesy of Drew Clark

The weekend of October 7th-10th was the date of this year's Friendship Cruise to St. Francis Yacht Club's Tinsley Island.

The theme this year was "Rodeo Roundup", and all were encouraged to wear "western attire" to the Saturday evening events. And, despite the 90-degree heat, most managed to look amazing, sort of like John Wayne meets Jimmy Buffet.

Everyone who is anyone attended the cruise in, including all of the major Bay Area clubs: Corinthian, TYC, Loch Lomond, Sausalito, San Francisco, Marin, Richmond, and St. Francis.

TYC sent three boats up the river, Jeff and Cami Noble on CherryK, Tracey and Dave Schwartz (and 4 kids!) aboard Slug Tug, and yours truly aboard Tigress.

Most of the boats began arriving Friday late-morning, with several of the larger yachts already nestled (crammed? It was really tight at the main dock) into their assigned locations.

Saturday morning the lanai was the setting for the always popular (and much needed!) Bloody Mary Bar, hosted by Loch Lomond Yacht Club and San Francisco Yacht Club. But this was merely stage-setting for the big event of the morning - Speed Bocce!, hosted by Tiburon Yacht Club and St. Francis Yacht Club.

We had a great turnout with some 50 teams competing for the honors (and magnum of wine) on the groomed and squared-away Bocce courts. And what a finish...we came down to the last two teams who threw balls EXACTLY the same distance from the Pallino (little white ball thingy), forcing a sudden death playoff. A very exciting finish to a fun round of Bocce. Oh, and we served many, many mimosas, so that no participant or player went empty-handed.

Of course, no Tinsley Cruise is complete without the table decorating contest. Each club decorated its group of tables (yes, some clubs had as many as 10 tables!) There were awards for 1st, 2nd, and 3rd place...and top honors went to Corinthian with San Francisco a very close second. Thanks to Tracey and David Schwartz, TYC had a very nice table setup with lots of cute horses on pogo sticks and abundant cowboy hats.

By late afternoon Trip Ames and friends had cranked up the Martini Bar, hosted by the Corinthian Yacht Club and Sausalito Yacht Club. You might have thought THIS was dinner by the amazing array of yummy appetizers brought to share.

A little later the BBQs lit for no-host dinner followed by music and dancing. BYOB and there was plenty flowing. Afterwards there was dancing in the lanai to country western tunes provided by a DJ which seemed to go on until after midnight - which set the tone for the rest of the weekend. (continued in next column)

Before dinner there was - what else - a "Theme" cocktail party hosted by Richmond Yacht Club. Many came outfitted in Country Western attire although the hot weather pushed some into cowboy hats and shorts.

Another StFYC tradition was honored shortly before dinner with a formal but beautiful flag ceremony. Colors were received by the senior StFYC officer, with each Club's senior Officer participating in the ceremony. Yours truly was honored to represent TYC, but I will tell you it was hot under the blazer, shirt, and khakis! (cont. below)

Then it was time for the main event, the Country Western BBQ Buffet Dinner. As always, the food was delish and there was lots of it. Ribs, chicken, corn on the cob, and ice cream for dessert. Dinner was followed by the awards for Bocce and table decorating as well as Friendship Committee recognition, hosted by sailing rock star Kimball Livingston. Dancin' and carryin' - on followed until late or until anyone could manage to stay awake. It was an amazing evening under the stars.

Sunday morning was, as expected, a bit chaotic as many boats attempted to leave the docks all at once. Good news is that most of the captains had managed to down some coffee and get underway without incident, heading back down the river to the bay and to their respective clubs and marinas.

- Drew

Article by Mariellen Stern

The Joan Storer Memorial Regatta was even more special this year as John and Kelley Storer along with their handsome dog Woody joined us at the after-race party.

John Storer is Joan Storer's son. He graciously sponsors this race in honor of his mother Joan Storer, a past TYC member who sadly passed away in 1989.

Joan was an avid racer and strong proponent of women in racing. The race is named in her honor. The only requirement for the race this year was there must be a woman at the helm, and so there were.

We enjoyed wonderful heavy appetizers that Grace Angel organized and served, a hosted bar, and our wonderful musician, Damir Stosic provided excellent music!

Some of our neighborhood members who knew John stopped in to enjoy the party and reminisce about Joan back in the day when the Yacht Club was in its original location.

Thank you John and Kelley Storer for hosting the celebration and for sharing your loving memories and to Grace Angel for organizing the food.

The wind was out of the Northwest at the beginning of the race and veered North after the first boat started. It was gusty with winds 12-15 gusting to 22 at times.

The Race was a Pursuit Race and skippered by women. The course for Saturday's was ISO-S, R-14-S, GRC-S, TYC-S, and Finish.

Elizabeth Bishop and Siento team

The first boat to start was Ian Matthew's Siento el Viento skippered by Elizabeth Bishop. She led the way, rounded ISO, R-14, and GRC, but then was overtaken by Susan Hoehler's Joyride.

Pellie Anderson's Kind of Blue followed closely behind Siento but did not prevail in passing her before the finish line.

It was an awesome day with lots of fun stories shared back at the club.

First Place: Susan Hoehler's Joyride

**Second Place:** Elizabeth Bishop at the helm of Siento el Viento

**Third Place:** Pellie Anderson's Kind of Blue

Special recognition to the entire crew of Osprey who came over from Richmond to race and enjoy the party!

Our next race is October 29th, the Annual Red Rock Regatta followed by the Halloween Party. I am looking forward to seeing you in costume and on the water!

#### Now On To the Racing!

This year's annual Joan Storer Memorial Regatta saw a blustery day on the Bay. Six (6) boats entered the race and only four (4) boats braved the gusty winds to race.

Mariellen on Skeleton Girl aka Cinnamon Girl

Article by Mariellen Stern Photos courtesy of Janine Wilford

This year's Red Rock Regatta was a typical fall light air day. Beautiful weather for a race!

lan Matthew conducted Race Committee from his boat Siento el Viento.

Cinnamon Girl (Skeleton Girl as she is known this time of the year) was the scratch boat and first to start. The wind was out of the Southeast at approximately 3-7 knots. The course was TYC-P, Red Rock-P and finish heading south.

With the strong flood Cinnamon Girl sailed past TYC and eventually tacked on to a Starboard heading on course to Red Rock. Lion followed her course. The air seemed to lighten for the boats behind her.

Cinnamon Girl approached Red Rock and had to tack away due to the strong flood at the island.

Once she cleared the island, she tacked back over on Starboard to round the rock.

C-Girl Rounding Red Rock Light air and tricky conditions were to be had especially on the North side of the island

Once around and with clear air she sailed toward the finish. Joyride following with their kite up charged up, and passed Lion and then Cinnamon Girl to finish ahead, (only by 20 seconds).

Joyride finishing ahead of Cinnamon Girl

It was a beautiful day on the bay. Afterwards, the racers headed back to the club and received their awards plus a precious rock from Red Rock!

Thanks to Ian Matthew for running RC and Susan Woodrum for taking the finish times!

Next Saturday is our annual race awards luncheon, Please RSVP on the TYC website for the Luncheon by Nov 2nd.

# Pirates, and Princesses, and Piñatas, OH MY!

Article by Rita Pirie

Great Fun was had by the TYC Members and guests at last Saturday's Annual Halloween Costume Party.

Creative costumes were conjured up, scary good music from the live band Fawson, and devilish delights from the Taco bar were certainly highlights of the evening.

Oh and the Amazing Costumes!

Cleverly costumed were the Hoehlers, Susan as a Witch and Bill the Doctor in a themed Witch Doctor costume.

From Young Princesses to Salty Pirates all enjoyed dancing to the music steeped in Soul, Funk, and Blues. Definitely an evening filled with good memories.

#### Not all treasure is silver and gold, mate

Cam Tuttle and Jennifer dressed as Piñatas, the Prices were Bird (a Black Crow fully feathered) on a wire, and there were Pirates galore! Even the Band appeared in costume.

A boat load of pirates

Many thanks to Susan and Bill Hoehler, and Jack Solomon for their help setting up and decorating, to Austin Ditto, Cam Tuttle and Jennifer, and Chris Cooper for tending Bar, to Grace Angel for picking up and setting up the Taco Bar and to our roving photographers Jack Solomon and Grace Angel for all those fabulous photos. Last but certainly not least, thanks to all who helped cleanup.

The next event is our Annual Dinner and Election of Officers coming up fast on November 12th. As your Social Director I would like to ask everyone who plans on attending to please register early as we are under time constraints with our Caterer and Rentals company.

Thank you in advance for your help. Rita

#### **Announcements and Reminders**

Members who live or berth in Alameda or Contra Costa Counties will be able to dispose of their surplus or outdated flares the weekend of Nov. 5-6, or any time until then for Contra Costa.

Marin residents will have to wait until this county runs a similar program. The collection sites require proof of residence, and state law prohibits giving hazardous waste to someone else to turn in

Boaters wanting a flare collection event in Marin should contact their Supervisor. The Supervisor for southern Marin is at <a href="https://www.marincounty.org/depts/bs/district-3/home.">https://www.marincounty.org/depts/bs/district-3/home.</a>

TYC Celebrates the 2022 Race Year

Article by Mariellen Stern Photos courtesy of Grace Angel

The 2022 Race Awards Luncheon was held on Saturday, November 10, 2022.

A few racers were traveling so it was a smaller group than normal, but we all shared our usual racing stories and there was lots of laughter!

The Deep Six Award this year and the Wretched Wreck Award were not presented this year but I added a new award for 2022 calling it "A Most Improved Award Acknowledgement" and that went to Pellie and Dave Anderson's, Kind of Blue.

Mariellen Stern and Janine Wilford receiving the Bob and Esther Mott Mid Winter Series First Place Double Handed Division Award for "Cinnamon Girl".

Melody and Mark Schumacher struggle with the heavy trophy while representing Kind of Blue's Cinco de Mayo First Place win

Bill Hoehler and Cam Tuttle try on the fox hat with Susan looking on as "Joyride" receives the Fox Hat Trophy.

Bill and Susan Hoehler's "Joyride" receives the Don Wan Trophy.

Steve Nimz and Lon Woodrum's "Lion" receives First Place Behrens Series.

Susan and Bill Hoehler's "Joyride" a First Place Brothers and Sisters Race with crew Cam Tuttle and Jenny Krone.

Susan Hoehler receives the Joan Storer Women's Regatta Trophy.

Bill, Susan, Cam, and Jenny sport Joyride's boatload of trophies!

Grace Angel organized a lovely luncheon! Thank you, Grace! Janine Wilford helped polish the trophies and set up the event. Thanks to all who cleaned up at the end of the awards luncheon.

Most importantly, to my Race Committee who works year-round to make this race program happen! Many thanks to all of you!

I hope you enjoyed the photos from the day! Thanks to Grace Angel.

See you at the Wild Turkey Regatta on November 25!

#### 2022 TIBURON YACHT CLUB ANNUAL MEETING AND DINNER

Article by David Anderson Photos courtesy of Grace Angel and Carole Gunn

On last Saturday evening at the Tiburon Yacht Club Annual Meeting and change of watch, Dave Anderson - Commodore - Tiburon Yacht Club was relieved by Brian McInerney who was elected as the new Commodore for Tiburon Yacht Club.

In a joy filled evening the fifty assembled members along with Dave celebrated the resilience of the club over the past several years. Dave acknowledged that the future of TYC will be different than the past, but we will continue to keep, build upon, and create new traditions that will be just as special.

Fourteen new memberships (26 new members) joined TYC in 2022. This is the largest number of new members since 2015 and these new members bring new energy that provides innovative ideas and potential that needs to be harvested and led by our new set of leaders.

Dave thanked Rita Pirie who was awarded the HIII-Hoehler Trophy as the volunteer who best exemplified Tiburon Yacht Club's volunteer spirit and Rita's willingness to lead the social life at TYC freely and selflessly.

Thank you to the Board of Directors and Chairs, and to our members and volunteers who supported the club in 2022.

Rita created another awesome evening for us. Thank you Rita!

Rita would like to thank those who assisted her with the TYC Annual Meeting and Dinner.

Many thanks to my setup guys: Bill Hoehler, Gerry Gunn, and Jack Solomon. The decorating and table setting crew: Jill Ames, Carole Gunn, and Susan Hoehler. Thank you to Grace Angel for making our place cards and helping to make sure the event ran smoothly and to Carole Gunn and Grace Angel for taking the photos.

A special thank you to my daughter, Jessica Pressman of Fantastic Foyer who donated her time and made the beautiful and elegant arrangements for the table centerpieces.

#### **Commodore's Comments**

Members of the Tiburon Yacht Club,

I am honored and grateful for your vote of confidence and humbled by the responsibility of serving as your Commodore. I plan to rely on our team of Flag Officers, Board Members, Committee Chairs, Volunteers, and our wonderful Membership.

I wish to acknowledge Staff Commodore Dave Anderson and the Board for their leadership and stewardship of the club in 2022, their thoughtful judgement and community engagement has helped fully reopen the club to members.

We have a new year ahead and much to do. The world changed a lot during the pandemic and people have changed much about the way they live, work, and play. Our Club will need to adapt to these new realities and accommodate these shifts in member's needs. I see this as a great opportunity and challenge and ask for everyone to think of things differently, creatively, and innovatively and to share your ideas and expertise with us.

As Staff Commodore Anderson noted in his remarks at the Annual Meeting - "The future of TYC will be different than the past, but we will continue to keep, build upon, and create new traditions that will be just as special."

Please feel free to contact me with your thoughts and suggestions.

I am grateful for your support and look forward to seeing all of you at the club or on the water.

Commodore Brian McInerny

# 2022 SAUSALITO LIGHTED BOAT PARADE & FIREWORKS

(HELD RAIN OR SHINE!)

Saturday, December 10, 2022

Parade 5:00 PM - 7:15 PM

FIREWORKS START AFTER ALL BOATS HAVE STARTED

Come on down to lovely Sausalito to see a record number (>60) of artfully lit boats, canoes, kayaks, bathtubs, and possibly indescribable floating objects heading across the downtown waterfront.

Time for the Lighted Boat Parade is listed as starting at 6:00 PM this year, but if you want to get a good viewing spot and bundle up well, I'd try to get positioned around 5:00, or even earlier.

You can get access to different levels of preferred location seats and even an indoor party area by buying one of several kinds of tickets. The first lighted boats will already be assembling out on the Bay at 5:00.

Enjoy the fireworks show that starts Once the boat parade flotilla members have all begun their journey, the fireworks start, so time varies based on number of entries, how far they 've gone before the fireworks start, weather etc.

#### OH, THE WEATHER OUTSIDE WAS FRIGHTFUL

... but the Holiday Cheer was delightful as TYC Members and Paradise Cay Families joined us for our Annual Holiday Party on Sunday.

Article by Carole Gunn

One boy, excited to see Santa arrive, put on his rain gear and waited outside. After Santa Chris entered the clubhouse, the young boy ran and jumped into Santa's arms.

Carolyn Fitz-Gerald, Rita Pirie, Carole Gunn and her daughter-in-law Anna Gunn were the photographers.

We will continue to share additional photos over the next couple of weeks along with some details on the number of toys and pounds of food that was generously donated.

Chris Cooper was wonderful as Santa! All the kids loved him, and he got so many hugs!

Lots of people there, too...with sooooo many cookies and snacks! Fantastic bartenders who kept all the adults happy.

So, despite the pouring rain, great fun was had by all.

THANK YOU FOR ALL THE TOYS FOR THE CHILDREN OF MARIN CITY!

SO MANY WONDERFUL TOYS! THANK YOU!!!

Stay tuned next week for some more photos!

Thank you to Carole Gunn and family, and all those who volunteered to make this such a delightful event and that also supported the less fortunate families of Marin County.

# Our Special Guest Arrives
