Saturday Red Rock Race / Halloween Dinner

Though we had beautiful Fall weather, it was not perfect sailing weather. Very light winds brought the sailors back to the clubhouse earlier than anticipated. But Dave Anderson jumped into action and got the bar moving until Michael Hayes could cut his bike ride short and take charge to get the Bar in full swing.

LI'L Friday was on the quieter side this week with about 25 people enjoying Chef Caiden's Farewell dinner. He was assisted by Grace Angel who headed service and front of house.

We are looking forward to Caiden joining us back at TYC for a few guest appearances in 2024.

Pumpkin carving on the deck with the kids was a tremendous success led by Deb Connor. Over ten (10) kids submitted wonderfully artistic pumpkins - all tied for first prize!

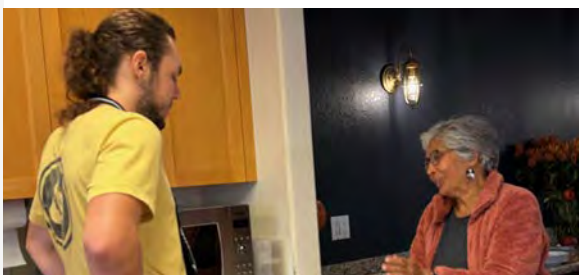

Thank you to Grace and Isabella Angel who served up another delicious dinner to over 30 costumed folks - many disguised as TYC racers. Thanks to Deb Connor who provided the decor and scary molten chocolate cupcakes.

Thank you to Jeff Girtler, Michael Hayes, and Deb Connor who kept the bar running smoothly with Rick Goldman and David Lanshe jumping in to learn how to close down the bar.

We hosted a few new neighbors who were interested in checking out the Refreshed Clubhouse and energy - all saying they would return soon.

More new neighbors joined us to see what all the buzz was about - all taking applications with them.

Thank you Laurie Berliner, Brian McInerney and Deb Connor for Caiden's gift card. Rekha for the Gordon Ramsey cookbook for Caiden. And to all our Clubhouse members who welcomed him and now bid him adieu.

Best wishes on your next adventure Caiden!

2023 THE RED ROCK REGATTA

Article by Mariellen Stern
Photos by Janine Wilford, Vanessa Van Der Valk

It was a beautiful fall day on the bay for the Annual Red Rock Regatta. Typical for this time of year the air becomes crisp, cool, and especially light.

We had nine (9) entries, Dave Anderson (Kind of Blue) did an excellent job as Race Committee. Thank you Dave.

Due to the light air, we had a 30-minute postponement until we were greeted with a very light breeze. It filled in from the Northeast and Cinnamon Girl (the scratch boat) was first to cross the start line.

With the light air and big ebb soon to arrive, Dave put us on the shortest course which was start, round Red Rock to starboard and finish.

Passing the time awaiting a breeze on Skeleton Girl

As Lion passes by a barking contest ensues between Lion crew and the lions.

Cinnamon Girl, in the glassy water rounded Red Rock first and drifted down the backside of the island with the ebb.

Once clear of the island she headed back across the bay to the finish line. A light breeze filled in from the West and she was able to get across the bay.

In the meantime, the entire fleet withdrew, as they were not able to get around Red Rock.

Cinnamon Girl (AKA Skeleton Girl) led the way as the light breeze got even lighter and a few of the boats in the fleet began to withdraw, knowing they would not be able to get around Red Rock or even finish.

Cinnamon Girl persevered only to get in eyesight of the finish line. The light breeze got lighter, and the ebb got stronger! Cinnamon Girl was unable to finish but they sure tried hard!

With the bay completely glassed out we headed back to the club for refreshments.

It was a beautiful day on the Bay despite the light air for the Red Rock Regatta!

Announcements and Reminders

The Physiology of Cold Water Immersion

Tiffany Townsend, Staff Commodore

As cold water temperatures continue, we recreational boaters must remain vigilant to reduce the risks of cold exposure.

Immersion in water below 70 °F may cause dangerous hypothermia, a lowering of core body temperature, within an hour.

The four phases of the body's response to cold water immersion are:

1. Cold Shock
2. Cold Incapacitation
3. Hypothermia
4. Circum-Rescue Collapse and After-Drop

Note that hypothermia is not our initial concern. The first three phases of response to cold water immersion follow the "1-10-1" rule: one minute of cold shock, ten minutes of cold incapacitation, and approximately one hour to develop hypothermia.

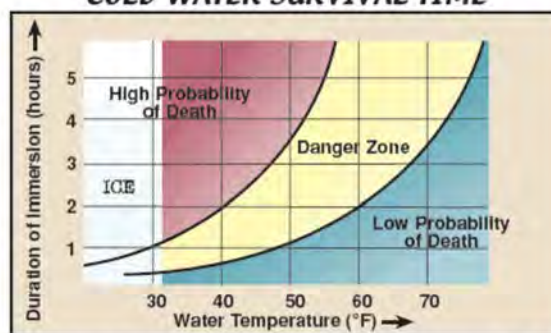

During the first minute of cold shock, there is a sudden uncontrollable gasp reflex, followed by several minutes of hyperventilation. Panic perpetuates hyperventilation, potentially leading to loss of consciousness and drowning. With cold exposure, peripheral blood vessels constrict, increasing strain on the heart, which may lead to cardiac arrest.

A personal flotation device is critical for survival, as it helps prevent panic, control breathing, and avoid drowning.

Twenty percent of people die within the first minute of cold water immersion if their head goes under the water.

COLD WATER SURVIVAL TIME

The Danger Zone indicates where safety precautions and appropriate behavior can increase your chances of survival when immersed in cold water.

During the following hour of cold water immersion, hypothermia inhibits one's ability to self-rescue.

As mild hypothermia develops with body temperature below 96 °F (35 °C), the skin is cold and pale, shivering occurs, heart rate and respiratory rate increase, and poor judgement and apathy develop.

With moderate hypothermia (81 to 91 °F, 27 to 35 °C), shivering stops, heart rate and breathing decline, reflexes and voluntary muscle control diminish, and there is reduction in consciousness.

Paradoxical undressing, the removal of clothing due to a sudden feeling of warmth, may occur. At body temperatures below 80 °F (27 °C), severe hypothermia may result in coma, cardiac arrest, and death.

A cold water immersion victim should attempt to get out of the water as soon as possible.

Water temperatures of 50 to 60 °F in the San Francisco Bay may cause loss of dexterity within ten to fifteen minutes and exhaustion and loss of consciousness within one to two hours.

Winter water temperatures of 40 °F in Lake Tahoe may cause loss of purposeful function in less than five minutes and death within an hour.

Climbing onto an overturned vessel or paddle craft minimizes cold water exposure time and makes a person more visible to rescuers. If unable to leave the water, minimize movement, stay with the group or boat, and use the heat escape lessening position (H.E.L.P.) or huddle together to preserve warmth.

During the next ten minutes, cold incapacitation develops. Vessels constrict to preserve core temperature, decreasing blood flow to nerves and muscles.

Loss of meaningful limb use and the inability to swim perpetuate a sense of panic. If not wearing personal flotation, swim failure results in water swallowing and drowning. To survive, the victim must concentrate on remaining calm, self-rescue techniques, and safely awaiting rescue.

Only swim to shore if the distance is short, as exercising in cold water actually results in more rapid heat loss from the body rather than warming the core.

With approximately one hour of consciousness to practice these self-rescue techniques, a personal flotation device can be life saving.

In the words of Coast Guard rescue swimmer Mario Vittone, "It is impossible to get hypothermic in cold water unless you are wearing flotation. Without flotation you won't live long enough to become hypothermic."

Before, during, and following rescue, caution must be maintained to avoid circumrescue collapse, ranging in severity from fainting to death. When rescue is anticipated, the body's stress response diminishes and a decrease in blood pressure may lead to shock. Extended time in cold water also promotes urination, causing relative dehydration, contributing to shock upon rewarming.

Therefore, proper extraction technique is essential to prevent shock from circum-rescue collapse. A person should be kept in the horizontal (not upright) position in order to maintain adequate blood pressure. Movement should be minimized. Arms and legs should not be elevated, as a sudden return of cold blood to the core may cause cardiac arrhythmias. After-drop, a temperature drop due to cold blood return from warming extremities, may also be life-threatening. Twenty percent of all cold water immersion deaths occur within the hours following rescue.

Minimizing the risks of cold exposure is essential. Wearing a personal flotation device with appropriate exposure protection for the operational area are essential any time on or near the water. Coast Guard boat crewmembers are required to wear anti-exposure suits when water temperatures are between 50 and 60 °F, while dry suits are recommended when both water and air temperatures are below 50 °F. While on the water with your friends and family, rotating crew positions for breaks from wind and spray allow rewarming. Regular fluid intake is encouraged to remain hydrated. Situational awareness and risk management should continually be maintained.

Following these risk reduction guidelines will promote safe participation for all while enjoying our San Francisco Bay waters.

Dr. Townsend is an anesthesiologist, diving and hyperbaric medicine physician, advanced wilderness expedition provider, and promotes recreational boating safety as a United States Coast Guard Auxiliarist. To learn more about serving your local boating community, visit www.cgaux.org.

TYC CHEERS the NINERS ON TO VICTORY over the COWBOYS!!

Article and Photos courtesy of Brian McInerney

An impromptu event came to life last Sunday when we received some requests to open the clubhouse to watch the 49ers game. We were able to comply thanks to Bob Walsh and Marianne Fogarty.

The dynamic duo sprung into action making a quick run to Costco to pick up provisions (hot dogs, burgers, etc.) while Deb Connor helped with setup.

Shortly the club was bustling with over 60 people in attendance.

The Junior Sailors, after they came in off the water and debriefed, joined in along with some of their parents, for burgers and dogs,

Don't forget to register for the Super Bowl Viewing and Chili Cook-off on February 12th. It is always a fun event!

It was great to see so many kids enjoying the club and to break the BBQ out from hibernation.

A Message from the Commodore

Commodore Brian

Which Comes First - The Bar being open - or people showing up at the Club?

As the Club works to increase capacity for the members - the management and continuous operation of The Bar is a key component for our success.

We are extremely fortunate to have **Club Director Bob Walsh** as **The Bar Committee Chair**.

Bob and his committee members have already renewed The Bar setup, alcohol selections, and have encouraged a number of members to become certified Responsible Beverage Servers with the State of CA. Members holding RBS Certificates is extremely important in allowing the TYC to operate The Bar while safeguarding our Club Liquor License.

Bob Walsh

As we increase access and use of the club facilities we also increase our need for Member help with The Bar operations. Please consider lending a hand with The Bar Committee - you need not actually perform as a bartender to help out - but of course we also need plenty of Bartenders too.

Please contact [Bob](#) or [me](#) with any questions or to volunteer with the Bar Committee. We can also guide you through the simple process of obtaining an RBS Certificate.

This year I plan to continue introducing the various TYC committee chairs and their roles in the Tidings. I hope you will find this interesting and informative.

Fair Winds,
Commodore Brian

Lil' Fridays continues with a fun mix of members and guests, adults, and kids.

PLEASE NOTE: Next Friday the 3rd is our Chinese New Year Celebration at the Club - so the **next Lil' Friday will be on Feb 10th.**

See you then!

A Sad Day for the Niners

Article and Photos courtesy of Brian McInerney

The clubhouse was opened on Sunday to cheer on the 49ers in the NFC Championship on Sunday.

Sadly the Niners were not not successful in winning this game. The judges must have gone through a case of Tums!

It was an amazing day. Many thanks to our bartender Bob Walsh who kept us well-served.

Don't Forget to Sign up for the **SUPER BOWL SUNDAY EVENTS**, Sample some AWESOME Chilis and vote for your favorites! Or even better volunteer to cook-up your favorite recipe by entering as a chef!

What Happened Last Week at TYC

Article by Carole Gunn & Rita Pirie
 Photos courtesy Trip Ames, Walt Bilofsky, Carolyn Fitz-Gerald, Carole Gunn

The Year of the Rabbit (Chinese New Year's Celebration) was an outstanding event! Rita Pirie put on a fantastic party, with help from many, a great dinner, and AWESOME Chinese Lion Dancers!

The highlight of the evening was the Leung White Crane Lion Dancers' performance. Special thanks to Rita's daughter-in-law, Ying, who made it all happen. To view videos of the Lion Dancers: these are video links are in the [Facebook post](#).

Click/ tap: [1.5. minute video one](#)

Click/tap: [1.5. minute video two](#)

Click/tap: [10 minute Video of Finale](#)

More photos of the event can be found on the TYC's [Facebook](#) and [homepage](#).

It was wonderful to see TYC full and vibrant once again after its closure during the Pandemic. To say that everyone had a great evening is being very blasé. Lots of talking, getting to know new members, laughing, imbibing on food and drinks, and cheering for the Lion Dancers from 5 till 9...and maybe later.

When entering the club, everything was RED! (The Chinese color of happiness... which it was!). The tables, set up for 70, including 14 children (in the front table so they were close to the Lion Dancers), were covered in beautiful bright red tablecloths, with red carnations in vases all along the tables. And..almost everyone had on red!

Many thanks to all who made this event so successful:

Commodore Brian and his table set up crew, Jill Ames, Laurie Selmeier, who helped Rita turn the club into the Year of the Rabbit. Patty Cerf and Connie Heldman for checking in the guests. Our Bartenders: Dennis and Siobhan Deisinger, Bob Walsh, Marianne Fogarty, and Dave Anderson. Deb Conner for making the club a festive red with linens, flowers and elegance, and a delicious dinner catered by DJ's of Larkspur.

Special thanks to Grace Angel for all of her help. Grace coordinated the food service and along with our two (2) new Junior Members Nyanza and Lyuba helped with the buffet dinner and cleanup. Bill Hoehler, helper extraordinaire, (who didn't attend the party) but helped with decorating and putting the tables, chairs, and furniture back in place along with Jack Solomon. Last but not least, Carole and Gerry Gunn who helped remove and store all our Chinese New Year decorations. To those who took photos (credited above) and Trip Ames for taking the videos and making them available. If we missed anyone, I am sorry.

Our Volunteers are what make TYC so special!

And from the TYC Members Thank you Rita for managing this event as TYC's Social Chair it was exceptional! Special thanks to Grace for all of her help.

Messy Midwinters - Heading to March

Article by Mariellen Stern
Photos courtesy Janine Wilford

Saturday, Feb. 4th's Midwinter Series began with light winds out of the Northwest at around 3-5 knots, light rain, and a strong ebb. Seven (7) boats out of the eight (8) that were entered turned up.

Race Committee had race #3 first and the intent was to have a make-up of Race #1 following the first race. Luckily, we were able to start and finish Race #3, unfortunately the wind completely died for the following make-up race of #1.

Lon Woodrum/Steve Nimz Lion got off to a great start and was first around ISO followed by Siento el Viento, then Aiden Collins Bella.

The fleet sailed down to TYC fast accompanied by the strong ebb but struggled back up against the ebb to the finish line. Dave Anderson's Kind of Blue crossed the finish line first, followed by Lion, and Siento el Viento.

The wind shut off and the Race Committee waited for some breeze to fill before the next race.

Foreground -Udi Gal's sailing team prepares for practice. Background -Lion just beginning their start.

Unfortunately, no wind, and rain prevailed so many boats began to retire. Race Committee then called the race for the day.

See you all at the last Midwinter Races on Saturday, March 4. We will attempt to run 3 races!! Race #4, Make-up of Race # 1 and Race #2.

Thanks to Susan Woodrum who assisted Mariellen Stern with Race Committee.

THRILLING GAME AND TASTY CHILI AT TYC'S SUPER BOWL PARTY

Article by Rita Pirie
Photos courtesy of Grace Angel, Carole Gunn,
Rita Pirie

It was a spicy day at TYC as Members and their guests came out to watch the Eagles and Chiefs battle it out in the exceptionally close game, while sampling the eight tasty varieties of chilis made by our member/guest chefs.

Chili Chefs Sarian Stanley and Laurie Berliner as they get ready to serve up some chili.

A bit of beer was consumed as we cooled down our mouths after tasting the spicy specialties, hot dogs, sides, and dessert.

TYC was definitely the winner this year as the Chili Cook-Off and Super Bowl party was a big success with eight (8) Chefs and fifty (50) members and guests.

A Special Thanks to the Chefs who served up their delicious chili. They are credited below the photo.

Chili Chefs from the left to right:

Cam Tuttle & Jennifer Krone (**Buffalo Chili**),
Dave & Ann Lanshe (**Cha Cha Chicken Chili**),
Jessica Pressman (**49er Faithful Chili**), Jeff Girtler and Sarian Stanley (**Hot Chili for a Chili Day**),
Rita Pirie (**Chili cook-off host**),
Laurie Berliner (**The Clear Winner Chili**),
and
the Riley Family (**Riley Family Chili**),
not pictured above - Pellie Anderson (**Pozole Chili**).

Pellie Anderson and Jessica Pressman were ready to serve. Club members watch the game and taste the chili.

Jessica Pressman - 49er Faithful Chili Chef and 1st place winner.

The Rileys (top left) and the Lanshes with Bob Walsh (bottom right).

Many thanks go to Carole and Gerry Gunn and Jack Solomon for setting up, decorating, and cleaning up after the party and Bob Walsh and Cindy Lee our bartenders.

Thank you, Patty Cerf, for manning the check-in desk and to Patty Cerf, Jennifer Krone, and Deb Connor our cornbread makers. Carole Gunn for getting dessert.

A Big thank you to Grace for managing the Galley and keeping everything running smoothly!

Thanks again to our volunteers, especially Rita Pirie who organized this event.

Additional photos can be found [HERE](#). on the TYC Facebook page and from the TYC homepage.

The Chili Cook-off winners were:

- 1st - Jessica Pressman
- 2nd - The Riley Family (Mark Schumacher's guests)
- 3rd - Sairan Stanley & Jeff Girtler

Commodore's State of the Club

TYC Members,

Our Club has successfully navigated the doldrums of the pandemic years and is moving back into the more steady and favorable Westerlies.

The Clubhouse is experiencing renewed energy in 2023 starting with LI'L Fridays - a commitment to have the Clubhouse open every Friday evening for members and guests to unwind, meet friends, and enjoy a cocktail. LI'L Fridays will grow to include Food and Live Music. Please stop by and say hello.

During the first two months of 2023 we hosted numerous events including 49er Watch Parties, Midwinter Races, Chinese Lunar New Year with Lion Dancers, and Super Bowl + Chili Cook Off. In the months ahead the Club will continue building capacity to meet member expectations - of course, we need your energy and presence to create these great experiences.

A huge thank you to your TYC Board, Committee Members, Grace Angel, and all of you whose dedication, talent, and engagement are helping to create a welcoming, inspiring, and fun TYC community. Contact me anytime with thoughts or suggestions.

Fair winds,

Commodore Brian

MID WINTER RACING ENDED FINAL RACE ABANDONED

Article by: Ian Matthew

Photo courtesy of Janine Wilford from a prior Mott Series race day.

2023 hasn't been a good year for the Bob & Esther Mott Mid Winter Series.

Race 1 was abandoned due to lack of wind. Race 2 was abandoned due to strong winds.

Race 3 took place, and we had a finish.

We had hoped to have a second race after that one, but the wind didn't cooperate – it decided to go 'Bye-bye!' and the story continued for Race 4.

The weather forecast for the start was strong winds and rain and despite calls to see if we could postpone, the racers had already decided to release their crews from their commitments and once again, the race was abandoned!

So, for the first time, there were not enough races to qualify for a series with only one race taking place (out of 4). Three (3) races are required for there to be a series, so bragging rights can go to Dave and Pellie Anderson and the crew of Kind of Blue, who won the only race.

Next race – the Don Wan Regatta on April 1st. Details to be posted on Jibeset soon.

Li'L Fridays Continue with NEW Small Bites Menu

Spanish Rice & Beans	\$ 6.00
<small>Served with Pico de Gallo, choice of beans, guacamole, Kimchi pickled radish, carrots, lime, corn/ flour tortillas</small>	

LI'L Friday had a last-minute addition with Sojuilla (New Food Truck owners Sam and John) jumping in to provide a tasty shortened menu of Mexican / Korean fusion.

Word traveled fast and over 60 members/guests enjoyed the wings/ tacos/ etc. along with libations and great conversation. Come on down - bring the kids and friends.

Hope to see you there on Friday!

St. Patrick's Day at TYC

Article by Grace Angel, contributions from Marianne Fogarty, and Laurie Berliner

Photos by Grace Angel and Brian McInerney

The event received marvelous member reviews especially, the corned beef sliders, soda bread, and bar specialty drink with a bit of Marianne Fogarty's homemade Irish Cream.

Many put on their green as did the club house which was festively decorated in green and shamrocks.

Even the Foxhat Trophy got in on the act!

Commodore Brian and the Irish Dance

The highlight for the evening was the performance of Irish Dancers from [The Brosnan School of Irish Dance](#).

Li'l St. Paddy's day would not have been so successful or fun without the help of our volunteers. Thank you volunteers!

Thanks to our Bartenders for the evening who kept us well quenched, Dave Anderson, Bob Walsh, and Michael Hayes.

Setup and decorations made the club look so festive thank you, Brian McInerney and Deb Connor,

And the glorious food was prepared by our chefs for the evening, thank you to

Marianne Fogarty who made homemade delicious corned beef sliders, soda bread, and heavenly a homemade Irish Cream,

Laurie Berliner brought us yummy corn beef sliders along with her special sauce for them,

and Jake Riley shared his very special corned beef sliders with us along with a

2023 TYC CRAB FEED

Article by Laurie Berliner

Photos by Kanika Rankin and Brian McInerney

This year's Annual Crab Feed was held on Saturday, March 18, 2023. Two hundred pounds (200#) of crab was consumed with very little left over.

For this spot-on ordering and for her scrupulously detailed organization and historical record of all things crab feed a special thank you goes out to Susie Woodrum TYC's Queen of Crab!

This year Susie's duties included schooling Laurie Berliner on how to run the Crab Feed. In other words, she had double duty!

Our guest attendance this year included 75 members, guests, and their children!

It was a cool, crisp, and dry evening making it a perfect day for everyone to enjoy their delicious bayside meal, in the company of their family, friends and neighbors, with the best view in all the Bay Area!

To Susie Woodrum (again) for all her day of event hard work and organizing (could not happen without you!).

To Susan Hoehler aka Madame Supply Officer for her shopping, guidance, and always with a smile volunteer spirit.

To our entire cracked crab crew, a hearty thanks for arriving on time and doing the messy job: Mike Fitz-Gerald, Austin Dito and Ken Romley.

To Marianne Fogarty for stepping in at the very last minute to help as a greeter even though crab was on the menu.

To Bob Walsh and his hard working, eager to please, and generous pour bar crew: Dave Anderson, Deb Connor, Michael Hayes, and so many volunteer guest appearances. Thanks to all for getting the party started and keeping it flowing all night!

To Carolyn Fitz-Gerald, Nancy Behrens, and Carol Johnson for their help setting the tables.

To Patty Cerf for her super-secret sauce, help checking in guests, and her spot-on, know-how when needed, which is always!

To Ruth Fults for her time and brilliance in

Pre-crab feed prep

In addition to being blessed with great weather that evening (never mind the atmospheric deluge that followed) we have so much to be thankful for:

To Commodore Brian McInerney and the lovely and talented Deb Connor for all their behind-the-scenes preparation, table set up and those beautiful red protea flowers.

the kitchen before and during the event with her delectable garlic bread and massive, yummy salad.

To René Matthew for her amazingly tasty (and very boozy) dessert.

To Kanika Rankin and Brian McInerney for providing photos from the event.

To Bill Hoehler, Rita Pirie, and Lon Woodrum for helping in so many ways, all night so graciously!

A special thank you to Jake Riley for volunteering and being Mr. Everything, everywhere all at once with great energy and a smile, all night!

And last but certainly not the least, a hearty thank you to Bob Walsh, Caiden Szwedko, and Grace Angel for working the event, from beginning to end, which was 10 pm and making the preparation, serving and cleaning happen like magic!

Tiburon Yacht Club's members would like to thank Laurie Beliner for all her efforts to make this such a successful, enjoyable, and fun event!

We are looking forward to seeing you at our next event.

What Happened Last Week at TYC

Tiburon Yacht Club

MARCH GENERAL MEETING SUMMARY

Article by Brian McInerney, Dave Anderson,
and Janine Wilford.

TYC held its first 2023 General Meeting on
March 31.

Forty members and guests joined
Commodore Brian McInerney, the 2023
Board members, and committee chairs to
review upcoming events and their goals for
the rest of the year.

The Commodore reviewed our focus on
building capacity and member engagement
at Tiburon Yacht Club with a strategy using
a robust Committee structure to operate
the club.

Commodore Brian pointed to the success
of LI'L Fridays as the initial important
program to expand the club's level of
engagement with its members and to allow
members to introduce their friends to the
club. (Shout out to Deb Connor – Architect
/ Driver of LI'L Fridays concept).

Patty Cerf updated us on the general good
health of the club's finances - noting the
importance of club events / rentals for the
remainder of the year's revenue
generation.

Mariellen Stern reviewed upcoming races
including the Don Wan Regatta that
challenge the TYC fleet to produce sailing
excellence on the water.

continued in next column

Mariellen also spoke about the first Phase
of TYC Thursday Night Races - beginning
May 11th with Race Committee working
directly with The Bar and Galley
Committees to allow Thursday Night
Racing to continue to include full Bar and
Dinner service. (Please Contact Committee
Chairs to get involved!)

Laurie Berliner, Chair of the new Galley
Committee, reviewed its goal to build out
capacity for a reliable (and delicious!) TYC
food program so we might expand our
offerings to support club events and
member rentals.

Laurie is urgently looking for members
interested in joining The Galley Committee.
The Galley and The Bar Committees are
the tent poles of our strategy to build
capacity / engagement and we need a few
good people to make this a success.

Marianne Fogarty - Membership updated
us on membership growth and interest
encouraging us all to continue to invite
friends and neighbors over to the club as
guests.

Lastly, another shout out of thanks to all
those who volunteered and supported 1st
quarter events including the Crab Feed,
Chinese New Year, Super Bowl / Chili
Cook-off, LI'L Fridays, Holiday Party, TYC
Racing, and rentals.

The March General Meeting for 2023 was
a great success with TYC members
anticipating a great year of club fun and
excitement.

Thank you to all of you who were able to
attend.

2023 DON WAN REGATTA

Article by Mariellen Stern
Photos by Janine Wilford

The weather finally cooperated for TYC's Annual Don Wan Regatta. The skippers and crew had to dust off the cobwebs after a long dry spell of NOT racing. (All due to rainy and unstable weather).

Most of us hadn't been racing since last fall, but you would never know it. The competitive and fun spirit of all the crews definitely did not miss a beat!

Cinnamon Girl led the entire way and crossed the finish line first, followed by Lon Woodrum's Lion, and Bill and Susan Hoehler's Joyride.

Race Committee (RC) got the second race off quickly. The breeze was now 8-10 knots out of the West. Cinnamon Girl crossed the starting line at full speed and led the way to TYC and GRC, then was overtaken by Joyride. (See the beautiful photo taken by Janine Wilford from C-Girl). Lion passed Cinnamon Girl on the way to the finish line. First to finish was Joyride, followed by Lion, followed by Cinnamon Girl.

Cam Tuttle and Susan Hoehler ran Race Committee from Joyride. Excellent job from Cam for his radio work and choosing two (2) perfect courses!

The first race was to the new yellow mark TYC (Thanks to Bill Hoehler and Eric Lions for setting it), then on to ISO and Finish.

The wind was out of the Southeast at approximately 8-12 knots. Just before approaching TYC the wind began to shift and we were faced with headers and lifts out of the West.

It was a brief and challenging struggle to get to TYC. Cinnamon Girl rounded TYC first followed by Lon Woodrum's Lion and Bill and Susan Hoehler's Joyride.

continued in the next column.

All the boats finished closely together in both races and it was a fantastic day on the water! Drinks and Awards were given at the club after racing. Lots of smiles and happy faces! After all the rain we've had this season, it was so nice to be out on the water again!!!

Thanks to RC, Susan Hoehler, Cam Tuttle, and Susan Woodrum!!! Many thanks to all the skippers and crew!

Looking forward to seeing you on May 6, 2023 for the Cinco de Mayo Regatta!

And don't forget...TYC Thursday Night Paradise Pursuit Races begin on May 11, 2023!!!

The new Galley Committee is led by Laurie Berliner and TYC is fortunate to have her at the helm.

Some of the tasks that Laurie is spearheading are: coordinating with Soujilla and Chef Caiden Swedko for the LI'L Friday's dinners, keeping the kitchen organized, helping serve the meals, making signs, arranging for the annual deep cleaning, and scheduling the kitchen inspection.

Laurie has also completed a course so that she is a CA Certified Food Handler.

Thanks also goes to Pellie Anderson, Susie Woodrum, Bill and Susan Hoehler, Deb Connor, and Brian McNerney who also have been pivotal in getting things running smoothly, but more help is needed.

Please consider lending a helping hand in the Galley on Friday nights. It is easy to sign up using the "[Help-out](#)" link.

If you are interested in being part of the Galley Committee, please contact [Laurie](#).

Thank you Laurie for taking on this important role!

Cinco de Mayo Regatta Recap

May 6, 2023

Article by Mariellen Stern
Photos by Janine Wilford & Jordan Stern

We had four (4) boats entered for last Saturday's Cinco de Mayo Race. Only two were able to race, Mariellen Stern's Cinnamon Girl and Dave and Pellie Anderson's Kind of Blue.

The weather on Saturday was unsettled, the wind was out of the SSW at around 8 knots at the start, but it was shifty with unexpected big puffs the entire race.

Cinnamon Girl was the first to start. She was about 25 seconds late crossing the line but led the way the entire day. Kind of Blue followed but could not catch Cinnamon Girl.

SAN FRANCISCO BAY: Cinnamon Girl Rounding Red Rock

The course was to sail to the Bob Klein Memorial Buoy off Berkeley Circle near the Southampton Platform to port, down to Red Rock to port and Finish. The big flood and shifty wind conditions made this race challenging, especially rounding Bob Klein and Red Rock, but overall, it was a beautiful day on the Bay.

The Cinco De Mayo Race is part of the Round the Rocks Series which includes Cinco de Mayo, Brothers and Sisters

SAN FRANCISCO BAY: View of the City

After the race we came back to the club for drinks and watched Sail GP on the big screen.

Thanks to Cam Tuttle for running Race Committee and tending bar!!

TIBURON CA: Cinnamon Girl Crew-Janine Wilford, Jordan Stern, and Mariellen Stern

Hope to see you out for our next regatta, The Behrens Regatta on May 20.

And **don't forget** our **Thursday Night Paradise Pursuit Races** will begin this Thursday, May 12th with dinner afterwards.

Race, Fox Hat, and Red Rock Regatta. Anyone interested in signing up for individual races can do so on jibeset.net.

Li'L Friday Fiesta Recap

May 5, 2023

Article and photos courtesy of Brian McNerney

TYC's Cinco de Mayo (Li'L Friday Fiesta) was excelente!

Attendance was close to one hundred (100) members and guests, with over 85 meals served.

Big thank you to Kanika and Tim Rankin for sponsoring Sojuilla (Food Truck) and for providing the amazing festive decorations / balloons.

Kudos and gratitude to Bob Walsh and THE BAR crew for somehow serving such a festive crowd. Cindy Lee, Lisa, Marianne Fogarty, Michael B. Hayes, Dave Anderson, and the many others who jumped in to help.

Thanks to Laurie Berliner, Susan Hoehler, and the Jr Sailors - Nyanza and Lyuba for constant bussing of tables and house, and for trying to get all the empty glasses back to the bar quickly.

Li'L Friday - May 12th - The Bar will be open. Watch for an email blast later this week regarding possible food service.

What Happened Last Week at TYC

Season Opens for Thursday Night Paradise Pursuit Racing and Dinner

Article by Mariellen Stern
Photos courtesy of Ian Matthew and Brian McInerney

Last Thursday Night was the first evening of TYC's Paradise Pursuit Races. Five (5) boats entered the race, however only three (3) raced.

It was a beautiful evening, wind out of the NNW at approximately 10 knots at the start. Ian Matthew ran the Race Committee from the club and our first mark was TYC.

The wind shifted North and practically shut down near the TYC mark. Natural Blonde rounded TYC first followed by Cinnamon Girl and Kind of Blue. Cinnamon Girl was overtaken on the way to ISO by Kind of Blue.

First across the finish line was Brian McInerney's Natural Blonde, followed by Dave and Pellie Anderson's Kind of Blue and Mariellen Stern's Cinnamon Girl.

Back at the club was a hearty dinner and Churros for dessert provided by the crew of Cinnamon Girl.

Thank you to all who helped out last week at the Thursday Night Race & Dinner and LI'L Friday!

Special Thank you to Ian Matthew for running the Race Committee, Cindy Lee at the bar, and Grace Angel for running the galley, and prepping and serving dinner.

See you next Thursday evening!

RACE DINNERS AND REGATTAS AT TYC

SIENTO FELT THE WIND!

TYC race teams will be supporting the Thursday Night Race Dinner this year, as we have for many years. Team Natural Blonde supported last Thursday Nights Race and Dinner.

It was a beautiful evening of flat water and winds out of the SW at approximately 12-15 knots.

Ian Matthew, Siento el Viento was off to a nice start and led the way the entire race, followed by Rob Coopers, Natural Blonde, and Pellie and Dave Anderson's Kind of Blue.

Articles by Mariellen Stern

Photos courtesy of Janine Wilford and Mariellen Stern

All arrived back at the club for an excellent dinner, set up and prepared by Dennis and Siobhan Deisinger. All enjoyed lasagna, Caesar Salad, and garlic bread.

Thanks to Dennis and Siobhan (Natural Blonde) for the set up and meal, Mariellen Stern for running the Race Committee and Cindy Lee for tending the bar.

See you next Thursday evening!

Thank you to all who helped out last week at the Thursday Night Race & Dinner and LI'L Friday!

A Skillfully Raced and Exciting Behrens Regatta

Lion off the North Cay at the start of the Behrens Regatta Race 1.

We enjoyed a perfectly clear day with flat water and 8 -12 knots of wind for the Behrens Regatta on Saturday, May 20th. Four (4) boats entered and three (3) competed in the two (2) skillfully raced and exciting pursuit races.

Race 1 was a remarkably close race. Lon Woodrum's Lion was the first boat to start, followed by John Wolfe's Breakaway, (an Ultimate 20 that sails from Richmond to compete in our races) and Pellie and Dave Anderson's Kind of Blue who hit the starting line at the final second with full speed. Nicely done!

Lion continued in the lead as she passed the last mark. Then quickly Kind of Blue overtook her to finish just 5 seconds ahead of Lion. Breakaway finished close behind them. It was an exciting finish for the racers and spectators!

TIBURON YACHT CLUB - (left to right) Nancy Behrens, Pellie and Dave Anderson, Dave Wolf & crew with Behrens Regatta Trophy.

Race 2 Lon Woodrum's Lion started first, followed by Breakaway, and Pellie and Dave Anderson's Kind of Blue, (boasting another excellent start). Lion lead the way around the course until the last mark where Kind of Blue overtook her.

The Behrens Regatta overall first place went to Pellie and Dave Anderson's Kind of Blue!

Skippers and crews came back to the club and enjoyed drinks and appetizers sponsored by Nancy Behrens.

Thank you to Nancy Behrens for providing an open bar with delicious appetizers for all to enjoy. Thanks to Susie Woodrum and Mariellen Stern for running the Race Committee.

Our next Regatta is the H.O. Lind on June 17 for Races 1 & 2.

LI'L FRIDAY A BEAUTIFUL EVENING

Articles by Janine Wilford
Photos courtesy of Janine Wilford

It was another special night of camaraderie at TYC, celebrating families and birthdays, honoring Memorial Day, and enjoying the unofficial start of summer.

A big thank you to Laurie Berliner and Michael Hayes for preparing a wonderful homemade feast including delicious Roast chicken thighs Provençal, savory Swiss chard spanakopita, Caesar salad, and a yummy dessert.

Also, thank you to Brian McInerney, his son Rob, Mariellen Stern, and Janine Wilford for helping out, and to Marianne Fogarty, Michael Hayes, and Bob Walsh for bartending.

Thank you to Susie & Lon Woodrum for hosting Thursday Night's Dinner and to all those who volunteered for the evening.

What Happened Last Week at TYC

ANOTHER THURSDAY NIGHT TO REMEMBER

Article by David Anderson and Grace Angel
Photos courtesy of Grace Angel

A beautiful evening of Thursday night racing provided another set of nautical memories.

The pursuit format allowed Siento el Viento to start first as conditions moderated to 15-20 knots across the racecourse.

Kind of Blue and Natural Blonde started nicely and in the first leg Kind of Blue, with Pellie Anderson at the helm, held off the challenge from Natural Blonde.

On the downwind leg the J's made up ground on Siento el Viento and Natural Blonde was able to pass Kind of Blue.

Siento el Viento rounded ISO first but Natural Blonde took a quick tack to find better breeze in the center channel while Siento el Viento and Kind of Blue sprinted toward the finish line.

Natural Blonde was ultimately victorious with Kind of Blue taking second ahead of third place Siento el Viento.

Thank you to Pellie and Dave Anderson for hosting a great dinner with a fantastic as anticipated dessert. Pellie Anderson's blueberry cobbler was beautiful and utterly delicious.

Thank you to Dave Anderson who ran the race committee from Kind of Blue, the bartenders, and those who helped out before and after the race.

Arrived! and Natural Blonde Duke it Out for Second Place

Article by Mariellen Stern and Grace Angel
Photos courtesy of Janine Wilford and Grace Angel

It was a beautiful evening on the bay with the typical Paradise Cay weather, 10-15 WNW gusting to 20 knots with flat water.

Three (3) boats raced, Cinnamon Girl, Arrived!, and Natural Blonde. Both Arrived! and Natural Blonde were fully crewed.

Arrived! and Natural Blonde duked it out after rounding GRC and heading to ISO.

Arrived! and Natural Blonde finished within 10 seconds of each other.

After the race we all came back to the club for a lovely BBQ chicken dinner sponsored by the crew of Arrived!

We have **one more Thursday Night Paradise Pursuit Race on Thursday, June 15**. This will be the last race of the first session, then we are **taking a 6 week break** due to family vacations and commitments.

Thanks to Cam Tuttle who conducted the Race Committee from Cinnamon Girl, Bob Walsh for bartending, Grace Angel for preparing and cleaning up after the meal, and Tom Struttman's crew of Arrived! for sponsoring the excellent BBQ chicken dinner (a runaway success) along with the tasty fruit salad for dessert.

A Lively Crowd on LI'L Friday

Article by Grace Angel

The Lively crowd on LI'L Friday enjoyed the yummy chicken and cheese enchiladas prepared by Chef Caiden paired with the mouth watering gourmet watermelon salad by Laurie Berliner and tasty guacamole from Deb Connor!

Thank you to our bartenders Cindy Lee and Richard Goldman. Laurie Berliner for the watermelon salad and Deb Connor for the guacamole.

Special thanks to Chef Caiden for prepping our BBQ chicken while Grace Angel cooked, setup, served and cleaned up with Commodore Brian McInerney.

Racers Struggle Through Strong Winds and Currents

The sequence of photos shows Siento el Viento on port getting pushed away from the line by the flood even in the 20 knot breeze with higher gusts.

Article by Mariellen Stern and Janine Wilford
Photos courtesy of Janine Wilford

Just two (2) boats braved the challenging conditions to race last Thursday night. Commodore Brian's Natural Blonde and Ian Matthew's Siento el Viento.

Natural Blonde crossed the finish line first followed closely by Siento el Viento. After a fierce battle with the wind and current.

NAUTICAL NOTICE: We have finished the first session of Thursday Night Pursuit Races.

We are taking a 6 week break and will be back racing on **FRIDAY NIGHTS** on July 28 through Sept. 1.

We will also have an earlier start time of a 5:55 p.m. warning for the scratch boat. The old start was 6:30. Many skippers and crew have suggested we start earlier so we are going to try it.

There were about a dozen TYC Members and Guests at the clubhouse watching the race and enjoying camaraderie over drinks and dinner.

Thanks to Ian Matthew who conducted the Race Committee from Siento, Bob Walsh for bartending, Grace Angel for preparing the meal and Grace and Brian McInerney for cleaning up after the meal. Special thanks to Ian Matthew and crew of Siento el Viento for sponsoring the excellent Chinese dinner with the tasty ice cream and fruit.

San Rafael Yacht invited TYC Members to their Summer Sailstice Viking party which was celebrating the Swedish version of St. Patrick's day.

Walt and Nancy came up on Golden Phoenix (at the center of the photo on the right) and Austin sailed up on Dolcezza. (pictured on the left).

Both sail and power boats were able to cruise in, due to the recent dredging of San Rafael Creek.

It was a great party with lots of games, singing, and a live band. The Dinner was a delicious Swedish Smorgasbord.

The party was on Saturday, June 24th . It was a nice day for a cruise and sail up the canal to the Yacht Club.

Thank you to Mia Brent, Jerry McNulty and Walt Bilofsky for coordinating TYC's participation in this fun event.

A LI'L Thank you to the kind individuals who helped out on LI'L Friday on June 24th.

Bartenders from Li'l Friday included Michael B. Hayes, David Anderson, Jeff Girtler, Bob Walsh, and Marianne Fogarty.

In the galley were Chef Caiden, Laurie Berliner, and Lyuba and Nyanza Ngongoseka.

Independence Day Kicks Off with Brothers and Sisters Islands Regatta

Waters off Paradise Cay, Calif. - Racers enjoy a beautiful day for the Annual Brothers and Sisters Islands Racing.

It was a glorious day on the bay with warm weather, light air, and flat water for the Annual TYC Brothers and Sisters Islands Regatta on July 1st.

We had excellent participation this year with nine entries across the two divisions, spinnaker, and non-spinnaker.

The Race Committee announced the course, and the Pursuit Racers headed to the first mark, TYC. All the boats struggled in the light air rounding the TYC mark and heading to the Brothers Islands. The flood was beginning to end, and we anticipated a nice ebb tide on the return to TYC, but we had to get round the Brothers and Sisters first!

Rounding the Brothers and the Sisters in light air, all the boats remained on starboard tack passing under the Richmond Bridge and to the TYC finish line.

But then the wind finally changed which made it tricky as the air filled in from the West and then near ISO the wind dropped to zero. The first boats that tacked out to get the wind, finished ahead of the pack, as the light air that we had all afternoon picked up to 25 knots by the time we reached the finish line.

We all returned to the club and fortunately the wind died down so we were able to enjoy a lovely afternoon on the TYC deck at the Independence Day Celebration, Commodore Brian presented both the first place winners awards and the perpetual trophy.

Non-Spinnaker Division

- First place - Lon Woodrum and Steve Nimz "Lion"
- Second Place - Bruce Munro's (stfyc) "Last Dance"

Spinnaker Division

- First Place - Ian Matthew's "Siento el Viento"
- Second Place - John Walsh's (RYC) "Ondina"
- Third Place - Pellie and Dave Anderson's "Kind of Blue"

Looking forward to seeing you on the water at our next Race in the H.O. Lind Summer Series on July 15th.

TYC Raises a Glass to Freedom!

PARADISE CAY CALIF. - TYC members enjoyed gathering at the Clubhouse to celebrate Independence Day.

All decked out in red, white, and blue TYC was definitely the place to be last Saturday, July 1st.

What a grand celebration!

After an exciting Brothers and Sisters Islands Regatta, about eighty (80) TYC members and guests gathered at the clubhouse.

A full house of revelers played games and listened to DJ Michael's selection of songs.

Later Lisa Claiborne and band entertained the crowd with classic rock tunes and ballads.

Patty Cerf and Laurie Berliner welcomed and checked in all the members and guests.

They feasted on grilled burgers, hot dogs, and Chef Caiden's BBQ chicken with made from scratch potato and macaroni salad.

Mariellen Stern and Commodore Brian awarded the winning racers with TYC commemorative champagne flutes.

Everyone loved the picnic tables and umbrellas set up by our Commodore and his son Bobby on the deck where watermelon and root beer floats were served up by our junior sailors Lyuba and Nyanza Ngongoseka.

What a wonderful afternoon capped off by a spectacular moonrise over the bay!

Thank you to those who supported TYC by helping out at the Independence Day Celebration.

Thank you to:

- Marianne Fogarty, Dave Anderson, Laurie Berliner, and B. Michael Hayes for tending bar.
- Deb Connor and Commodore Brian for setting up and providing decorations.
- Laurie Berliner and Patty Cerf for helping with checking in members and guests.
- Chef Caiden for cooking and prepping all the food.
- Grace Angel for mastering the grill with Rita Pirie's assistance.
- Michael Hayes for being our DJ and the Claibornes for the live entertainment.
- Deb, Michael, Laurie, Brian, and Ruth Fults for assisting with cleaning up.
- Two junior yacht volunteers Lyuba and Nyanza Nogongoseka for serving and various other duties.
- Mariellen Stern for running the Race Committee.

What Happened Last Week at TYC

It was a beautiful day on the Bay

Article by Ian Matthew

Photos courtesy of Susie Woodrum

It was a beautiful day to race on Saturday July 15th. Scheduled were the H.O. Lind races 3 and 4.

Ian Matthew was Race Committee and he sent the 5 racers off on a long course to take advantage of the nice southerly breeze.

This was a pursuit race and the racers headed first to TYC and then to C15 (just under the Richmond bridge) and then back to TYC and then to the finish. Lon Woodrum in Lion got a good start and led the rest of the fleet to TYC.

The wind swung to the East making the wind angle too tight for spinnakers to Lion's advantage.

The light U-20's UAgain and Breakaway enjoyed the lighter winds and Bill Hoehler's Joyride and Aidan Collins' Bella (an Alerion 33) just couldn't catch the U-20's. Lion crossed the line first followed by UAgain and Breakaway.

The second race was set with a shorter course and also was a standard PHRF race with all the racers starting together.

It was fun seeing the boats jostling for position on the start line. Joyride had an almost perfect start and were quickly off to TYC. Then the fun started!

There was a big hole in the middle of the bay and Lion and UAgain got caught up in it.

The others managed to avoid it and Joyride crossed the line first only to lose out to the U-20, Breakaway on corrected time. Third to finish was Bella with Lion coming in fourth. UAgain decided that while in the hole they were closer to their home port, Richmond YC, and decided to retire.

YES, it was a beautiful day on the Bay

Thank you to Ian Matthew for running race committee and Susie Woodrum for the lovely photos.

A LI'L Friday thank you to the kind individuals who helped out on July 14th.

No Worries for 3 Little Birds

Article by Janine Wilford

Photos courtesy of Janine Wilford

It was a beautiful warm night on the bay for racing with a light breeze and relatively strong ebb. Three boats entered: Dave Wegner's Esperanza, Dave and Pellie Anderson's Kind of Blue and for the first time racing with the new boat, Robert and Doreen Clark in their new C&C 115, 3 Little Birds.

With their spinnaker raised, Kind of Blue passed 3 Little Birds, but then that lead shifted again after rounding RC.

Over the finish line first was 3 Little Birds with their puppy mascot Poppy wagging her tail, Kind of Blue, and Esperanza.

Back at the club, there was a nice sized group of members enjoying the delicious Thai dinner prepared by Chef Caiden.

Thank you to those who helped especially to Lyuba and Nyanza Ngongoseke and Grace Angel for serving and cleanup and Cindy Lee for tending the bar and Chef Caiden for another great meal.

A LI'L Friday thank you to the kind individuals who helped out last week.

Course 2 (TYC to Port, RC to port, TYC to starboard, finish) was selected by Dave Anderson who ran the race committee on his boat Thankyou Dave!

Blustery Day Draws a Crowd

Article by Grace Angel

Photos courtesy of Grace Angel

A blustery day on the bay brought in a lively crowd to the clubhouse last LI'L Friday. About 25 cheerful members gathered, enjoyed a lovely dinner, and watched a windswept race by Natural Blonde.

Mabuhay! The Chicken Adobe dinner was a hit! We even scraped down to the bottom of the pans to serve up those last few meals.

The Island Salad of arugula, cucumbers, tomatoes, red onions, jicama, sweet corn in a sesame dressing put a smile on our diners faces. But the monkey bread with its melted cinnamon sugar was the all around winner!

We also served nonalcoholic drinks with cantaloupe and Mango Frescas that capped off a refreshing summer night! What a deal for \$18.00 dollars!

A LI'L Friday thank you to the kind individuals who helped out last week.

Special thank yous to Deb Conner, Michael Hayes, and Jeff Girtler for setting up and tending the bar.

Grace for cooking and serving the delicious dinner, and to Commodore Brian for helping clear the dining room and clean the galley.

Join us next week as we set sail for the Mediterranean coast. Check out our special menu for August 18th listed above.

COMMODORE'S UPDATE ON CLUBHOUSE REFRESH

Greetings TYC Members,

The clubhouse refresh is making good progress. After a week and a half of interior painting we look forward to having the clubhouse ready for this weekend's fun events, Lil Friday & Pursuit Racing, and the TYC-CYC Friendship Regatta. You will be able to enjoy a freshly painted main room with energy efficient LED lighting.

Come have a look on Friday or Saturday!

Here is what is going on with the refresh.

The main room painting is planned to be completed by Wednesday and a **TYC work group has been organized to help** prepare the clubhouse for this weekend's events.

The group will begin getting the club back in shipshape on Wednesday night 8/23 and Thursday 8/24 in time for the weekend.

If you can lend a hand please contact Commodore Brian. [email](#) or **text me** (see the directory for my contact information).

Next up we are excited to share that the Refresh Committee has almost completed the new layout / floor plan for the clubhouse and now we can begin creating a plan for materials and costs. The next big thing is flooring which is still in review.

We will keep you updated as we continue to make progress.

Thank you for supporting this effort.

Fair winds,

Commodore Brian

What Happened Last Week at TYC

A blustery day on the Bay for the TYC Annual Fox Hat Regatta.

Article and Photos by Mariellen Stern

Paul Sutcheck's Cal-20 Slainte sailing in the Fox Hat.

A blustery day on the bay with high wind gusts up to 32 knots. Winds were from the WSW at 18 knots for the Fox Hat Regatta.

Three boats registered however two DNS (Did Not Start). One DNS was due to time constraints and the second Light N Up (Express-27) had a loose main halyard causing them to sail back across the bay to Richmond YC under jib only.

Paul Sutcheck's Cal-20 Slainte was the scratch boat and started first. Despite the high wind gusts Slainte rounded all the rocks, Angel Island, Alcatraz, and Red Rock to win for the second year.

Since the club is closed for refurbishment, hopefully, Paul will be back to race Red Rock in October and he can receive his Fox Hat award at that time.

Light N Up an Express 27 on their way home to RYC under jib only after losing their main halyard.

Thanks to Ian Matthew for assisting with Race Committee, while traveling home from Croatia!!!

Truly above and beyond Ian!!

Next up - The TYC/CYC Friendship Regatta on Saturday, August 26.

!!!ENTER NOW!!!

The race will **start** at CYC and **finish** at TYC. We need a really nice turnout of TYC boats!

TYC GETS SOME TLC

Greetings TYC Members,

The Refresh Committee led by Deb Conner with help from Melissa and Michael DiVita, Tori Hastings, Marianne Fogarty, Kanika Rankin, Michael B. Hayes, the House Committee Members, and the Commodore, have been hard at work organizing, selecting paint colors and new upholstery for the bar stools, and other tasks, to

make cosmetic improvements to the interior of our clubhouse come to fruition.

A painter was hired to paint the interior and a team of many TYC volunteers gathered the weekend beforehand to pack all the pictures, flags, trophies, and other items safely away in preparation.

Wednesday evening, another large volunteer work party put things back together, including polishing the brass, reinstalling the trophy shelving, flag holders, installing new beadboard wainscoting to the bar front, and washing and re-stocking the flatware and other items in the drawers.

Thank you to all who are contributing your time and/or financially, to make the clubhouse sparkle anew!

Fair winds,

A Perfect Evening in Paradise

Article by Mariellen Stern

Photo by Grace Angel

Another beautiful Friday Night Pursuit Race. Thank you to: Bill and Susan Hoehler who conducted Race Committee.

Four (4) boats entered the race. Rob Cooper's, Natural Blonde finished first, followed by Richard Selmeier's Hurricane Gulch and Robert Clark's 3 Little Birds.

The club was very well attended, and all could see the hard work that was done with refurbishing and painting. There is a lot more to complete but the club was ready for the lively group.

The event was very well attended, and all could see the hard work that was done with refurbishing and painting. There is a lot more to complete but the club was ready for the lively group.

The meal was fantastic, thanks to Grace Angel and Caiden Szwedko. Also, many thanks to our bartenders Marianne Fogarty, Jeff Girtler, and Rick Goldman who kept the drinks flowing. And again, thanks to our race committee Bill and Susan Hoehler.

Next Friday, September 1 is our last Friday Night Paradise Pursuit Race.

Another incredible meal is planned along **with a live band**, so please come down to the club and join us for drinks, a meal, and enjoy watching the race.

The TYC/CYC Friendship Race scheduled for Saturday, August 26 was cancelled due to lack of interest. TYC entered and promoted the race, sadly CYC had no entries and unfortunately, we had to cancel.

Hope to see you out on the water for our Final Friday Night Race!

Commodore's Update

Greetings TYC Members,

A wonderful summer season of Friday night racing ended last Friday night. Thank you to all who came out for the Final Friday Race and Celebration.

Goal: \$50,000.00
Collected: \$7,460.00

Thank you to Mariellen Stern and the Race Committee who helped us make this year's Friday night racing season so successful and fun and to all the volunteers who supported us.

The Phase One Refresh was on display and encouraged members on site to contribute more than \$1000 for the evening. Thank you!

Final pieces of Phase 1 which includes roof work and new flooring will happen over the next few weeks.

We are about 15% of the way to our goal of \$50,000. If you have not contributed as yet we encourage you to do so using the red button below.

Fair winds,

Commodore Brian

FALL WAS IN THE AIR AT FRIDAY's RACING FINALE

Article by Mariellen Stern

Photo by Janine Wilford

There were more than fifty (50) hungry diners being served a delicious dinner by Chef Caiden and Laurie Berliner. While the awesome live band kept us entertained throughout the evening.

It was a lovely Friday Night Race. Fall is upon us as the weather was foggy, with big clouds, light drizzle, and beautiful lighting.

We had five (5) boats entered. Lon and Susie Woodrum conducted the Race Committee. They set us on a perfect course. The wind was out of the North at around 18 knots near San Quentin, however the breeze was more Westerly as we headed to the first mark, TYC.

Cinnamon Girl was the scratch boat and started first, She was first around every mark except ISO where she was overtaken by Dave Wegner's Esperanza.

Thanks to kitchen crew Laurie Berliner and Chef Caiden for the meal preparation and serving all the hungry members.

To the bar crew Deb Connor and Michael Hayes. The bar crew worked fast and furiously to serve the thirsty crowd. This night set the record on bar sales for the year!

Also Thank you to Susan and Lon Woodrum for running Race Committee and Janine Wilford for the racing photos.

It was an excellent last Friday Night Paradise Pursuit Race with a fantastic after party!

The Phase One Refresh was on display and encouraged members on site to contribute more than \$1000 for the evening.

Hope to see you out on the water for the short-handed races Sep 9th.

LI'L Fridays will continue. We hope to see you there as well!

Esperanza finished first, Cinnamon Girl, second, followed by Dick Selmeier's Hurricane Gulch, and Chris Cooper's, Sunrisa.

We all finished and went to the club where the band was playing and the bar was open!

The "Med-Summer" menu of Grilled Chicken and Spinach Spanakopita was an Olympic hit with club members and guests!

Grace Angel and Laurie Berliner teamed up in the galley to serve a gourmet Greek inspired dinner, with the help of Youth Sailing member Nyuba Ngongoseke who was front of house.

The robust crowd of over 30 guests enjoyed a summer fresh Tuscan melon dessert and a lemon chiffon pie.

Commodore's Update

Ahoy Tiburon Yacht Club Members,

The kickoff event to our Raise the Roof fundraiser for our TYC Clubhouse was a tremendous success thanks to the generosity and gracious hospitality of Rekha and Amitabh Dutt, supported by Laurie Berliner.

Fifty (50) lucky diners enjoyed a gourmet Indian Buffet in our refreshed Clubhouse with the stunning new floors..

Over \$3000.00 was raised for our Clubhouse capital campaign increasing the amount raised to 28% of our \$50,000.00 goal.

Please Join us on October 20th, Friday at 6:30pm at the TYC clubhouse for the much-awaited Commodore's Fete.

It is the party of the season so please buy your tickets early before we sell out! Click/tap [HERE](#) to **Register**.

If you are unable to join us on October 20th, please consider donating the price of your tickets to our Capital Fund.

We want to thank our members who have already contributed to the TYC Capital Fund, including those lucky 50 diners who feasted on the Indian buffet on Li'l Friday!

Our Clubhouse is our collective port, our home away from home. We need your support and participation to ensure the TYC legacy of sailing, camaraderie, and celebration remains strongly anchored in our beloved beautiful and refreshed Clubhouse!

Your support is vital!

Fair winds,

Commodore Brian

We're still reeling from the glorious "Sold Out" gourmet Indian dinner sponsored and lovingly cooked by Rekha and Amitabh Dutt.

The festive tables were decorated with marigolds and jeweled votives accompanied by the bright colors of saffron yellow, sapphire blue, and ruby pink napkins.

THANK YOU to the Volunteers!

Thank you to Rekha and Amitabh for making this evening so special for all who attended!

Thank you to Michael Hayes, Deb Conner, Marianne Fogarty, and Bob Walsh for tending the bar all evening. For all the prep and setup support by Laurie Berliner, thank you!

Thank you to Deb Connor for all the floral and festive decorations, to Melody and Mark Schumacher for all the help in the galley.

Many thanks to Grace Angel who provided oversight for the service and galley along with the very capable support of Nyanza Ngongoseke our Youth Sailing Ambassador

Pakoras and Papadum started off the cocktail hour. Fragrant Vegetable Biryani, coconut chicken curry, lamb shish kabobs, and Chole (chickpeas w/cilantro and red onions) rounded out the draw dropping buffet!

The mango flan was the perfect cap to an already stellar dinner.

to Dave Anderson for greeting all the guests, and to all our able bartenders, Marianne, Bob, Deb, Michael, and Dennis Deisinger, and to Kanika Rankin for the wonderful music soundtrack.

Rekha and Amitabh prepare the delicious dinner.

TORNBERG WELCOMES IN AUTUMN WINDS

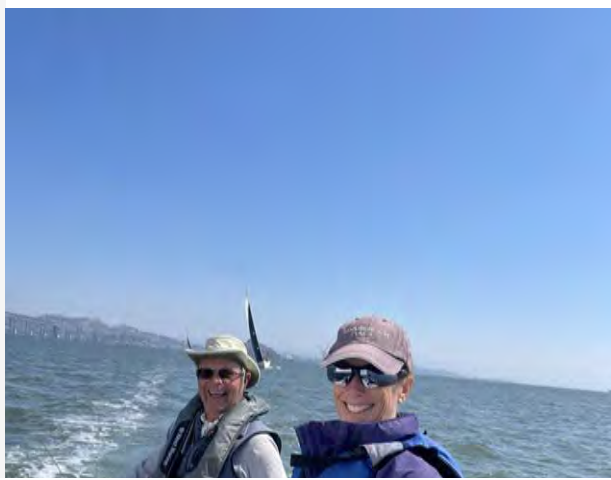

Article by Janine Wilford

Photos by Janine Wilford and Vanessa Van Der Valk

The first day of autumn started out cloudy with barely any wind, but by the time the four boats gathered at the start line for the pursuit race, the shifty wind picked up to 8-10 knots for Race 1.

Lon Woodrum's Lion started first. Aidan Collins started second and singlehanded, followed by Bill Hoehler's Joyride and Pellie and Dave Anderson's Kind of Blue who both flew their spinnakers.

Despite having hardware problems before starting, Kind of Blue persevered and was able to complete both courses.

The wind increased to 10-14 during the second race, which was Course 3 (Start-TYC -R14-ISO-Finish.) Bella passed Lion near R14 which was guarded by a large sea lion barking at the two intruding boats and who didn't budge from her dry perch.

Again, Joyride snuck up and passed both Bella and Lion, this time near ISO, to finish first again. And then it was a tight race to the finish line between Lion and Kind of Blue.

Some of the sailors went back to the club

The first race was Course 2: (Start-TYC-GRC-TYC-Finish). The clouds started to dissipate but the ebb was picking up to 1.4 knots. Bella overcame Lion shortly after rounding GRC and Joyride passed Lion and then Bella near the second rounding of TYC, finishing first.

to chat about the fun day and to acknowledge the winners which were in the same order for both races: Joyride, Bella, Lion, Kind of Blue.

Thank you so much to Dave Anderson for running the race committee and selecting great courses!

Our next race is the Joan Storer Memorial Women's Regatta on Saturday October 21st. This race will be sponsored by the Storer Family and there will be a gathering at the clubhouse after the race.

We hope you can join us and looking forward to seeing you on the water!

Tiburon Yacht Club General Meeting
September 2023

Tiburon Yacht Club General Meeting Recap Sep 26, 2023

A General Meeting was held September 26, 2023 at the Clubhouse from 7pm to 8:15pm and was attended by about 25 members and 6 Club Officers. Commodore Brian McNerney and Past Commodore Dave Anderson gave the presentation, and members asked questions and made suggestions. The following items were presented and discussed.

The 2022 Member Survey identified that expanded bar and food service hours, speaker series, expanded water activities, improved interior furnishings, and other (consistency, hiring professional staff) were the top priorities. Commodore Brian spoke about the progress to date in trying to reach these goals.

- LI'L Fridays have been very successful with the club open each week.

- There are future plans for more social events in addition to speakers, water events such as SUP and swimming, and activities for kids. The partnership with the Junior Sailing program is strengthening.

- The Refresh Committee has been busy making many improvements to update the club as members can see when going to the clubhouse.

Dave updated members about the financial health of the club and the financial organizational direction for the club in his presentation.

- Generally, Social (bar and galley) and Race/Water activities are breaking even with Renting the Club being what brings in the most revenue.

- Dave also went through the proposed bylaw changes which include revising the Purpose Statement, combining the Regular and Associate Membership categories, and revising the requirements and duties of the Club Officers.

Voting members will receive information about these changes in a couple of weeks in preparation for the Annual Meeting in November.

A link to the presentation can be found [HERE](#).

What a robust crowd that turned out last Friday for our Salmon Dinner! Chef Caiden commanded the galley with our youth sailing ambassadors Nyanza and Lyuba Ngongoseke!

The Clubhouse is fast becoming the go to Friday spot with over 50 members and children attending.

It was fun to see and visit with so many members who we have not seen for a long time.

Fun evening with lots of long time members.

Chef Caiden, and Lyuba and Nyanza Ngongoseke and Grace Angel in the Galley

Happy Birthday, Lyuba

We celebrated Lyuba's 14th birthday with cake and birthday wishes from Commodore Brian, Deb Conner, Michael Hayes, and Laurie Berliner.

THANK YOU VOLUNTEERS!

Thank you Jeff Girtler, Bob Walsh, and Michael Hayes for tending the bar.

Thanks to Chef Caiden, Grace Angel, and Lyuba and Nyanza Ngongoseke for taking charge of the galley and cleaning up.

And to Laurie Berliner for managing the front of house.

Our TYC Clubhouse is the perfect venue for your event.

Close to home, a caterer ready kitchen, floors made for dancing and a full bar setup and dining room with a view.

A no hassle venue for your holiday parties and events.

Commodore's Comments

Friday night's LI'L Commodore Fete was a joyful success on many fronts.

The sense of community, overwhelming camaraderie, and high energy,

along with the never-ending charcuterie, drinks, and music ushered in the new era of the TYC.

Over 75 members and guests joined in the fun that evening and helped us demonstrate the vision and vibe for the future of the TYC.

Thanks to the generosity of Malia and Jonny Moseley, Gillian and James Wang, Deb Connor and Brian McInerney, the LI'L Friday Auction Lots far exceeded our expectations. These lots along with the Fund-A-Need, helped raise over \$13k for the evening.

Thank you to Agency 44 (Deb Connor and Culley Deisinger's firm) for donating their time and creating the vision for this event. A special thank you to Grace Angel and her crew for the extensive weeks of planning and bringing the vision for the LI'L Commodore Fete to life - resulting in a flawless event.

Saturday Red Rock Race / Halloween Dinner

Though we had beautiful Fall weather, it was not perfect sailing weather. Very light winds brought the sailors back to the clubhouse earlier than anticipated. But Dave Anderson jumped into action and got the bar moving until Michael Hayes could cut his bike ride short and take charge to get the Bar in full swing.

LI'L Friday was on the quieter side this week with about 25 people enjoying Chef Caiden's Farewell dinner. He was assisted by Grace Angel who headed service and front of house.

We are looking forward to Caiden joining us back at TYC for a few guest appearances in 2024.

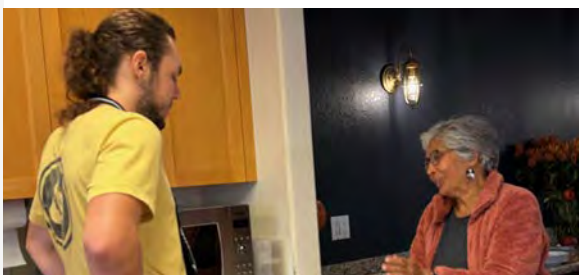

Pumpkin carving on the deck with the kids was a tremendous success led by Deb Connor. Over ten (10) kids submitted wonderfully artistic pumpkins - all tied for first prize!

Thank you to Grace and Isabella Angel who served up another delicious dinner to over 30 costumed folks - many disguised as TYC racers. Thanks to Deb Connor who provided the decor and scary molten chocolate cupcakes.

Thank you to Jeff Girtler, Michael Hayes, and Deb Connor who kept the bar running smoothly with Rick Goldman and David Lanshe jumping in to learn how to close down the bar.

We hosted a few new neighbors who were interested in checking out the Refreshed Clubhouse and energy - all saying they would return soon.

More new neighbors joined us to see what all the buzz was about - all taking applications with them.

Thank you Laurie Berliner, Brian McInerney and Deb Connor for Caiden's gift card. Rekha for the Gordon Ramsey cookbook for Caiden. And to all our Clubhouse members who welcomed him and now bid him adieu.

Best wishes on your next adventure Caiden!

2023 THE RED ROCK REGATTA

Article by Mariellen Stern
Photos by Janine Wilford, Vanessa Van Der Valk

It was a beautiful fall day on the bay for the Annual Red Rock Regatta. Typical for this time of year the air becomes crisp, cool, and especially light.

We had nine (9) entries, Dave Anderson (Kind of Blue) did an excellent job as Race Committee. Thank you Dave.

Due to the light air, we had a 30-minute postponement until we were greeted with a very light breeze. It filled in from the Northeast and Cinnamon Girl (the scratch boat) was first to cross the start line.

With the light air and big ebb soon to arrive, Dave put us on the shortest course which was start, round Red Rock to starboard and finish.

Passing the time awaiting a breeze on Skeleton Girl

As Lion passes by a barking contest ensues between Lion crew and the lions.

Cinnamon Girl, in the glassy water rounded Red Rock first and drifted down the backside of the island with the ebb.

Once clear of the island she headed back across the bay to the finish line. A light breeze filled in from the West and she was able to get across the bay.

In the meantime, the entire fleet withdrew, as they were not able to get around Red Rock.

Cinnamon Girl (AKA Skeleton Girl) led the way as the light breeze got even lighter and a few of the boats in the fleet began to withdraw, knowing they would not be able to get around Red Rock or even finish.

Cinnamon Girl persevered only to get in eyesight of the finish line. The light breeze got lighter, and the ebb got stronger! Cinnamon Girl was unable to finish but they sure tried hard!

With the bay completely glassed out we headed back to the club for refreshments.

It was a beautiful day on the Bay despite the light air for the Red Rock Regatta!
